

Independent Auditor's Report

To the Members of Western Carriers (India) Limited

Report on the Audit of the Standalone Financial Statements**Opinion**

1. We have audited the accompanying standalone financial statements of Western Carriers (India) Limited ("the Company"), which comprise the Standalone Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including the Other Comprehensive Income), the Statement of Cash Flow and the Statement of Changes in Equity for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Information Other than the Standalone Financial Statements and Auditor's Report thereon

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's Report but does not include the standalone financial statements and our auditor's report thereon.
5. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

6. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

7. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, statement of cash flows and statement of changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
8. In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

10. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

13. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.
14. As required by Section 143(3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss (including the Other Comprehensive Income), the Statement Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act;
 - (e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls with reference to these standalone financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" to this report;
 - (g) In our opinion, the managerial remuneration for the year ended March 31, 2023 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as on March 31, 2023 on its standalone financial statements- refer note 32 to the standalone financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

- iv. a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c) Based on such audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. The dividend declared and paid during the year by the Company is in compliance with section 123 of the Act.
- vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.

Annexure “A” to the Independent Auditor’s Report of Western Carriers (India) Limited

Refer to the paragraph 14(f) of the Independent Auditor’s Report of even date to the members of **Western Carriers (India) Limited** on the standalone financial statements as of and for the year ended March 31, 2023.

Report on the Internal Financial Controls with reference to Standalone Financial Statement under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

1. We have audited the internal financial controls with reference to standalone financial statements of Western Carriers (India) Limited (“the Company”) as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

2. The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

3. Our responsibility is to express an opinion on the Company’s internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Annexure B to the Independent Auditor's Report:

Referred to in paragraph 13 of the Independent Auditor's report of even date to the members of **Western Carriers (India) Limited** on the standalone financial statements for the year ended March 31, 2023.

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that -

- i. (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment, capital work-in-progress and relevant details of right-of-use assets.
- i. (a) (B) The Company has maintained proper records showing full particulars of intangibles assets.
- i. (b) The Company has a program of verification of property, plant and equipment, capital work-in-progress and right-of-use assets so as to cover all the items once every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- i. (c) Based on our examination of the registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title deeds of all the immovable properties, (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company) disclosed in the financial statements included in property, plant and equipment and capital work-in progress and are held in the name of the Company as at the balance sheet date.
- i. (d) The Company has not revalued its Property, Plant and Equipment (including Right-of-use assets) or intangible assets during the year ended March 31, 2023. Accordingly, the reporting under Clause 3(i)(d) of the Order is not applicable to the Company.
- i. (e) No proceedings have been initiated during the year or are pending against the Company as at 31 March 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

- ii. (a) The Company does not have any inventory and hence reporting under clause (ii)(a) of the Order is not applicable.
- ii. (b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, at points of time during the year, from banks or financial institutions on the basis of security of current assets. In our opinion and according to the information and explanations given to us, the quarterly returns and statements comprising (book debt statements, credit monitoring arrangement reports, statements on ageing analysis of the debtors/other receivables) filed by the Company with such banks or financial institutions are in agreement with the audited / unaudited books of account of the Company, of the respective quarters, except for the quarter ended March 31, 2023 whereby the reported amount of trade receivables (billed) were higher by 31.75 millions.:
- iii. The Company has provided loans or advances in the nature of loans during the year and details of which are given below:
- (a) The Company has provided loans or advances in the nature of loans during the year and details of which are given below:

Amount (Rs. In Millions)

Particulars	Loans	Advances in nature of loans
A. Aggregate amount granted / provided during the year:		
- Subsidiaries	Nil	Nil
- Joint Ventures	Nil	Nil
- Associates	Nil	Nil
- Others	14.05	Nil
B. Balance outstanding as at balance sheet date in respect of above cases:		
- Subsidiaries	Nil	Nil
- Joint Ventures	Nil	Nil
- Associates	Nil	Nil
- Others	14.05	Nil

The Company has not provided any guarantee or security to any other entity during the year.

- (b) The terms and conditions of the grant of all the above-mentioned loans and advances in the nature of loans, during the year are, in our opinion, prima facie, not prejudicial to the Company's interest.
- (c) In respect of loans granted or advances in the nature of loans provided by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are regular as per stipulation.
- (d) In respect of loans granted and advances in the nature of loans provided by the Company, there is no amount overdue for more than 90 days at the balance sheet date.
- (e) No loan or advance in the nature of loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.
- (f) The Company has granted Loans or advances in the nature of loans which are repayable on demand, details of which are given below –

Amount (Rs. In Millions)

Particulars	All Parties	Promoters	Related Parties
Aggregate of loans/advances in nature of loans - Repayable on demand (A)	186.94	Nil	139.63
Percentage of loans/advances in nature of loans to the total loans	100%	Nil	74.69%

- iv. The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees and securities provided, as applicable.
- v. The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act, 2013 and the rules made thereunder, to the extent applicable.
- vi. The maintenance of cost records has not been specified for the activities of the Company by the Central Government under section 148(1) of the Companies Act, 2013.

- vii. (a) Undisputed statutory dues, including Goods and Service tax, Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, duty of Custom, duty of Excise, Value Added Tax, cess and other material statutory dues applicable to the Company have generally been regularly deposited by it with the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Income-tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, cess and other material statutory dues in arrears as at March 31, 2023, for a period of more than six months from the date they became payable.

- vii. (b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2023, on account of disputes are given below -

Name of the Statute	Nature of the Dues	Amount (Rs. In millions)	Period to which the Amount Relates to	Forum where Dispute Pending
Income Tax Act, 1961	income tax demand	18.00	AY 17-18	Commissioner Of Income Tax (Appeals), Kolkata

- viii. There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.
- ix. (a) In our opinion, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
- ix. (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- ix. (c) To the best of our knowledge and belief, in our opinion, term loans availed by the Company were, applied by the Company during the year for the purposes for which the loans were obtained.
- ix. (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.

- ix. (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries and associates.
- ix. (f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries or associate companies.
- x. (a) The Company has not issued any of its securities (including debt instruments) during the year and hence reporting under clause (x)(a) of the Order is not applicable.
- x. (b) During the year the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause (x)(b) of the Order is not applicable to the Company.
- xi. (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- xi. (b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- xi. (c) As represented to us by the management, there were no whistle blower complaints received by the Company during the year (and up to the date of this report).
- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards
- xiv. (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and nature of its business.
- xv. (a) The reports of the internal auditor for the period under audit have been considered by us.
- xvi. The Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirement to report on clause 3(xv) of the Order is not applicable to the Company.

- xvii. (a) The Company is not required to be registered under the provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934). Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.
- xvi. (b) The Company has not conducted any Non-Banking / Financial / Housing Finance during the year. Accordingly, the reporting under clause (xvi)(b) of the Order is not applicable to the Company.
- xvi. (c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.
- xvi. (d) There is no Core Investment Company as a part of the Group, hence, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.
- xvii. The Company has not incurred any cash losses in the financial year or in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year and accordingly requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. (a) In respect of other than ongoing projects, the Company has not transferred the unspent Corporate Social Responsibility (CSR) amount at the balance sheet date out of the amounts that was required to be spent during the year, to a fund specified in Schedule VII to the Companies Act, 2013 (the Act), till the date of our report. However, the time period for such transfer as permitted under the second proviso to 135(5) of the Act, has not elapsed till the date of our report.

(iii) There are no project whose completion are overdue or has exceeded its cost, as compared to its original plan for both the year.

WESTERN CARRIERS (INDIA) LIMITED

Notes to the Standalone Financial Statements

(Amounts in Rs. Millions, unless stated otherwise)

1 General Information

Western Carriers (India) Limited (the Company) having CIN: U63090WB2011PLC161111 is a public limited company. The Company is incorporated and domiciled in India under the provisions of the erstwhile Companies Act, 1956. The registered office of the Company is located at 206, Central Plaza, 2/6, Sarat Bose Road, Kolkata, West Bengal-700020.

The Company is a major player in the Indian logistics industry and engaged in providing single, multimodal and other transportation services, warehousing and other ancillary services.

2 Basis of Preparation

2.1 Statement of Compliance

The standalone financial statements comply with all material aspect of Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting standards) Rule, 2015] and other relevant provisions of the Act.

2.2 Functional and presentation currency

These standalone financial statements are presented in Indian Rupees (Rs.), which is also the Company's functional currency. All amounts have been rounded-off to the nearest Millions upto two decimals, unless otherwise stated.

2.3 Basis of measurement

The standalone financial statements have been prepared on the historical cost basis except certain financial assets and liabilities which are measured at fair values.

2.4 Use of estimates and critical accounting judgements

In the preparation of the financial statements, the Company makes judgements, estimates and assumptions about the carrying value of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

Key source of estimation of uncertainty at the date of the financial statements, which may cause material adjustment to the carrying amounts of assets and liabilities within the next financial year are provided below:

(a) Property, plant and equipment and intangible assets – useful lives

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of the Company's assets are determined by the Management at the time the asset is acquired and reviewed periodically, including at the end of each reporting period. The lives are based on historical experience with similar assets.

(b) Assets and obligations relating to employee benefits

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(c) Lease classification, termination and renewal option of leases

Ind AS 116, Leases requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that the Company will continue the lease beyond non-cancellable period and whether any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the terminating the lease and the importance of the underlying asset to Company's operations taking in to account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances. After considering current and future economic conditions, the Company has concluded that no material changes are required to lease period relating to the existing lease contracts.

(d) Impairment of Goodwill

The Company estimates the value in use of the cash generating unit (CGU) based on future cash flows after considering current economic conditions and trends, estimated future operating results and growth rates and anticipated future economic and regulatory conditions. The estimated cash flows are developed using internal forecasts. The cash flows are discounted using a suitable discount rate in order to calculate the present value. Refer Note 6 for additional details.

2.5 Measurement of fair values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values. The Company regularly reviews significant unobservable inputs and valuation adjustments. If third party information is used to measure fair values, then the Company assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Company recognises transfer between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

WESTERN CARRIERS (INDIA) LIMITED

Notes to the Standalone Financial Statements

(Amounts in Rs. Millions, unless stated otherwise)

3 Significant accounting policies

3.1 Current versus non-current classification

The Company presents assets and liabilities in the standalone balance sheet based on current/non-current classification.

An asset is classified current when it is:

- (a) Expected to be realised or intended to be sold or consumed in the normal operating cycle;
 - (b) Held primarily for the purpose of trading;
 - (c) Expected to be realised within twelve months after the reporting period; or
 - (d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
- All other assets are classified as non-current.

A liability is classified current when:

- (a) It is expected to be settled in the normal operating cycle;
 - (b) It is held primarily for the purpose of trading;
 - (c) It is due to be settled within twelve months after the reporting period; or
 - (d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.
- The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are always classified as non-current assets and liabilities.

3.2 Financial instruments

(a) Recognition and initial measurement

Trade receivables and debt securities issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

(b) Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at

- amortised cost,
- Fair value through profit or loss (FVTPL) or Fair value through other comprehensive income (FVOCI)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset is measured at fair value through other comprehensive income (FVOCI) if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows and cash flows from sales; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All financial assets not classified as measured at amortised cost as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Equity instruments are always classified fair value through profit and loss, except in cases where the Company has elected an irrevocable option of designating the same as fair value through other comprehensive income (FVOCI).

Financial assets: Subsequent measurement and gains and losses

Financial assets at FVTPL :

These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.

Financial assets at amortised cost:

These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.

Financial assets at FVOCI :

These assets are subsequently measured at fair value through other comprehensive income i.e., subsequent changes in fair value of the instrument is recognised in other comprehensive income. Any dividend received on such instruments are recognised in Statement of Profit and Loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified and measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

WESTERN CARRIERS (INDIA) LIMITED

Notes to the Standalone Financial Statements

(Amounts in Rs. Millions, unless stated otherwise)

(c) Derecognition

Financial assets:

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities:

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

(d) Impairment of financial assets

Loss allowance for expected credit losses is recognised for financial assets measured at amortised cost and fair value through other comprehensive income.

The Company recognises life time expected credit losses for all trade receivables that do not constitute a financing transaction.

For financial assets (apart from trade receivables that do not constitute of financing transaction) whose credit risk has not significantly increased since initial recognition, loss allowance equal to twelve months expected credit losses is recognised. Loss allowance equal to the lifetime expected credit losses is recognised if the credit risk of the financial asset has significantly increased since initial recognition.

(e) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

3.3 Revenue from contract with customers

Revenue from contracts with customers is recognised when control of the services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those services. Such revenue is recognised upon the Company's performance of its contractual obligations and on satisfying all the following conditions:

- (1) Parties to the contract have approved the contract and undertaken to perform their respective obligations;
- (2) Such contract has specified the respective rights and obligations of the parties in connection with the transfer of goods or rendering of services (hereinafter the "Transfer");
- (3) Such contract contains specific payment terms in relation to the Transfer;
- (4) Such contract has a commercial nature, namely, it will change the risk, time distribution or amount of the Company's future cash flow;
- (5) The Company is likely to recover the consideration it is entitled to for the Transfer to customers.

Revenue is recognised when no significant uncertainty exists regarding the collection of the consideration. The amount recognised as revenue is exclusive of all indirect taxes and net of returns and discounts.

(a) Rendering of services

The Company generates revenue from services to its customers such as providing freight and other transportation services, warehousing contracts ranging from a few months to a few years. Certain accessorial services may be provided to customers under their transportation contracts, such as unloading and other incidental services. The Company's performance obligations are satisfied over time as customers simultaneously receive and consume the benefits of the Company's services. The contracts contain a single performance obligation, as the distinct services provided remain substantially the same over time and possess the same pattern of transfer. The transaction price is based on the consideration specified in the contract with the customer and contains fixed and variable consideration. In general, the fixed component of a contract represents amounts for facility and equipment costs incurred to satisfy the performance obligation and is recognized over the term of the contract.

In the case of transportation services, performance obligation is created when a customer under a transportation contract submits a shipment note for the transport of goods from origin to destination. These performance obligations are satisfied over the period as the shipments move from origin to destination and revenue is recognized proportionally as a shipment moves and the related costs are recognized as incurred. Performance obligations are short-term, with transit days less than one week. Generally, customers are billed upon completion of shipment, and remit payment according to approved payment terms. The Company recognizes revenue on a net basis when the Company does not control the specific services.

(b) Contract balances

Contract assets

A contract asset is initially recognised for revenue earned from inspection services because the receipt of consideration is conditional on successful completion of the inspection. Upon completion of the inspection, the amount recognised as contract assets is reclassified to trade receivables.

Trade receivables

A receivable is recognised if an amount of consideration that is unconditional is due from the customer (i.e., only the passage of time is required before payment of the consideration is due). Refer to accounting policies for financial assets for initial and subsequent measurements.

Contract liabilities

A contract liability is recognised if a payment is received or a payment is due (whichever is earlier) from a customer before the Company transfers the related goods or services. Contract liabilities are recognised as revenue when the Company performs under the contract (i.e., transfers control of the related goods or services to the customer).

3.4 Government grants

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

WESTERN CARRIERS (INDIA) LIMITED

Notes to the Standalone Financial Statements

(Amounts in Rs. Millions, unless stated otherwise)

3.5 Income Taxes

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date in the countries where the Company or companies within the Company operates and generates taxable income.

Current tax relating to items recognised directly in equity is recognised in equity and not in the statement of profit or loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss. Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

The Company offsets deferred tax assets and deferred tax liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority.

3.6 Foreign currencies

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The Company's financial statements are presented in Indian Rupees, which is the Company's functional and presentation currency.

Transactions and balances

Transactions in foreign currencies are initially recorded by the Company in its functional currency spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Differences arising on settlement or translation of monetary items are recognised in profit or loss unless they relate to the qualifying cash flow hedges.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

In determining the spot exchange rate to use on initial recognition of the related asset, expense or income (or part of it) on the derecognition of a non-monetary asset or non-monetary liability relating to advance consideration, the date of the transaction is the date on which the Company initially recognises the non-monetary asset or non-monetary liability arising from the advance consideration. If there are multiple payments or receipts in advance, the Company determines the transaction

3.7 Property, plant and equipment

Property, plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Construction in progress is stated at cost, net of accumulated impairment losses, if any.

Cost of Property, plant and equipment includes the costs directly attributable to the acquisition or constructions of assets, or replacing parts of the plant and equipment and borrowing costs for qualifying assets, if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with them will flow to the Company and the cost of the item can be measured reliably. All other repair and maintenance costs are recognised in profit or loss as incurred.

Depreciation is provided on written down value method in the manner and on the basis of useful lives prescribed in Schedule II to the Companies Act, 2013. Depreciation on addition / deduction is calculated pro-rata from/to the month of addition / deduction.

Advance given for acquisition / construction of Property, Plant and Equipment and Intangible assets are presented as "Capital Advance" under Other Non Current Assets.

The assets in the process of construction or acquisition but not ready for management's intended use are included under Capital Work in progress.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal (i.e., at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit or loss when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

The estimated useful lives of the assets considered by the Company is stated hereunder:

Assets Description	Useful Life in Years
Office Building	60
Heavy Equipment	15
Heavy Vehicles	6
Office Appliances	5
Computer	3
Other Machinery	15
Motor Cycle, Scooter	10
Motor Vehicles	8
Furniture	10
Electrical Equipments	10

WESTERN CARRIERS (INDIA) LIMITED

Notes to the Standalone Financial Statements

(Amounts in Rs. Millions, unless stated otherwise)

3.8 Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

Lease liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate.

Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments.

The Company's lease obligations are presented on the face of the Balance Sheet.

Short-term leases and leases of low value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date). It also applies the lease of low-value assets recognition exemption to leases of assets that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

The Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms and is included in revenue in the statement of profit or loss due to its operating nature. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

3.9 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds.

3.10 Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Subsequent to initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.

Intangible assets are amortised over the useful economic life (5 years for computer software) and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period.

An intangible asset is derecognised upon disposal (i.e., at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Any gain or loss arising upon derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit or loss.

3.11 Impairment of assets (other than financial assets)

At each balance sheet date, the Company reviews the carrying value of its property, plant and equipment and intangible assets to determine whether there is any indication that the carrying value of those assets may not be recoverable through continuing use. If any such indication exists, the recoverable amount of the asset is reviewed in order to determine the extent of impairment loss, if any. Where the asset does not generate cash flows that are independent from other assets, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. An impairment loss is recognised in the statement of profit and loss as and when the carrying value of an asset exceeds its recoverable amount.

Where an impairment loss subsequently reverses, the carrying value of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount so that the increased carrying value does not exceed the carrying value that would have been determined had no impairment loss been recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognised in the statement of profit and loss immediately.

WESTERN CARRIERS (INDIA) LIMITED

Notes to the Standalone Financial Statements

(Amounts in Rs. Millions, unless stated otherwise)

3.12 Provisions and contingencies

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Disclosure for contingent liabilities is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources embodying economic benefits will be required to settle or a reliable estimate of the amount cannot

3.13 Cash and short-term deposits

Cash and short-term deposits in the statement of financial position comprise cash at banks and on hand and short-term highly liquid deposits with a maturity of three months or less, that are readily convertible to a known amount of cash and subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

3.14 Employee benefits

Short-term employee benefits

Liabilities for short-term employee benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee related liabilities under other financial liabilities in balance sheet.

Post - employment benefits

The liability or asset recognised in the Balance Sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually at year end by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in 'Employee Benefits Expense' in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. These are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligations resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Defined contribution plan

The Company pays provident fund contributions to publicly administered provident fund as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

3.15 Earnings per share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:
- the profit attributable to equity shareholders of the Company
- by the weighted average number of equity shares outstanding during the financial year

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:
- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

3.16 Contributed equity

Equity shares are classified as equity. Incremental cost directly attributable to the issue of new shares or options are shown in equity as reduction, net of tax from the proceeds

3.17 Cash dividend

The Company recognises a liability to pay a dividend when the distribution is authorised, and the distribution is no longer at the discretion of the Company. As per the corporate laws of India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

3.18 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker ('CODM'). The CODM is responsible for allocating resources and assessing performance of the operating segments and has been identified as the Board of Directors of the Company.

3.19 Recent Accounting Pronouncements

Amendment to Ind AS 1 "Presentation of Financial Instruments"

The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information is material if, together with other information can reasonably be expected to influence the decisions of primary users of general purpose financial statements. The Company does not expect this amendment to have any significant impact in its financial statements.

Amendment to Ind AS 12 "Income Taxes"

The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences. The Company does not expect this amendment to have any significant impact in its financial statements.

Amendment to Ind AS 8 "Accounting Policies, Changes in Accounting Estimates and Errors"

The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are "monetary amounts in financial statements that are subject to measurement uncertainty". Entities use measurement techniques and inputs to develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty. The Company does not expect this amendment to have any significant impact in its financial statements.

WESTERN CARRIERS (INDIA) LIMITED

Notes to the Standalone Financial Statements

(Amounts in Rs. Millions, unless stated otherwise)

Note 5: Right of use assets

The Company has taken on lease various offices, warehouses other spaces for its uses. Rental contracts typically range from 1 year to 10 years.

A. The changes in the carrying value of Right of Use assets :

Particulars	Buildings
Gross Block	
Balance as at April 1, 2021	65.86
Additions during the year	0.87
Deletions/cancellation/modification during the year	-
Balance as at March 31, 2022	66.73
Additions during the year	30.11
Deletions/cancellation/modification during the year	-
Balance as at March 31, 2023	96.84
Accumulated Amortisation	
Balance as at April 1, 2021	13.00
Charge for the year	16.32
Deletions/cancellation/modification during the year	-
Balance as at March 31, 2022	29.32
Charge for the year	22.90
Deletions/cancellation/modification during the year	-
Balance as at March 31, 2023	52.22
Carrying Amount	
Net carrying amount as at March 31, 2022	37.41
Net carrying amount as at March 31, 2023	44.62

The aggregate depreciation expense on RoU assets is included under depreciation expense in the Statement of Profit and Loss.

B Movement in lease liabilities :

Particulars	Lease Obligations
Balance as at April 1, 2021	55.35
Additions during the year	0.87
Deletions during the year	-
Finance cost accrued during the year	4.73
Payment of lease liabilities	(19.83)
Balance as at March 31, 2022	41.12
Additions during the year	30.11
Deletions during the year	-
Interest on lease obligation	5.01
Payment of lease liabilities	(27.44)
Balance as at March 31, 2023	48.80

C The break-up of current and non-current lease liabilities as at the year end:

Particulars	As at	As at
	March 31, 2023	March 31, 2022
Current	20.55	15.24
Non-current	28.25	25.88
Total	48.80	41.12

With the exception of short-term leases and leases of low-value underlying assets, each lease is reflected on the Standalone Balance Sheet as a right of use asset and a lease liability. Payments made for short term leases and leases of low-value are expensed on a straight line basis over the lease term.

WESTERN CARRIERS (INDIA) LIMITED

Notes to the Standalone Financial Statements

(Amounts in Rs. Millions, unless stated otherwise)

D The details of contractual maturities of lease liabilities as at the year end on undiscounted basis are as follows:

Particulars	As at	As at
	March 31, 2023	March 31, 2022
Less than one year	24.06	18.46
One to five years	30.40	29.18
More than five years	-	-
Total	54.46	47.64

The Company does not face a significant liquidity risk regards to its lease liabilities as the current assets are sufficient to meet the obligation related to the lease liabilities as and when they fall due.

E The amount recognised in the Statement of Profit and Loss are as follows:

Particulars	For the year ended March 31, 2023	For the year ended March 31, 2022
Depreciation expense of right-of-use assets	22.90	16.32
Interest expense on lease liabilities	5.01	4.73
Rent expense - short-term lease and leases of low value assets	30.90	26.60
Total	58.81	47.65

F **Extension and termination options**

Extension and termination options are included in various leases. These are used to maximize operational flexibility in terms of managing the assets used in the Company's operations. The majority of the extension and termination options held are exercisable by the Company and not by the respective lessor.

G **Discounting rate**

The Company has used the incremental borrowing rate of 10% (FY 2021-22: 10%) to determine the lease liabilities.

WESTERN CARRIERS (INDIA) LIMITED

WESTERN CARRIERS (INDIA) LIMITED

Notes to the Standalone Financial Statements

(Amounts in Rs. Millions, unless stated otherwise)

Remeasurement of employee defined benefits

	As at March 31, 2023	As at March 31, 2022
Balance at the beginning of the year	(1.56)	0.37
Other comprehensive income for the year, net of tax	(7.03)	(1.93)
Balance at the end of the year	(8.59)	(1.56)

FVOCI - Equity Instruments

	As at March 31, 2023	As at March 31, 2022
Balance at the beginning of the year	(0.32)	(0.32)
Other comprehensive income for the year, net of tax	-	-
Balance at the end of the year	(0.32)	(0.32)

(a) Retained earnings

Retained earnings are the profits that the Company has earned till date, less any transfers to reserves, dividends or other distributions paid to shareholders. Retained earnings is a free reserve available to the Company.

(b) Remeasurement of employee defined benefits

Remeasurement of employee defined benefits represents re-measurement loss/(gain) on defined benefit plans, net of taxes that will not be reclassified to profit or loss.

(c) FVOCI equity investments

The Company has elected to recognise changes in the fair value of certain investments in equity securities in other comprehensive income. These changes are accumulated within the FVOCI equity investments reserve within equity. The Company transfers amounts from this reserve to retained earnings when the relevant equity securities are derecognised.

(d) Capital redemption reserve

The Companies Act, 2013 (the "Companies Act") requires that where a Company redeem its preference shares out of free reserves or securities premium, a sum equal to the nominal value of the preference shares so redeemed shall be transferred to a capital redemption reserve and details of such transfer shall be disclosed in the balance sheet. The capital redemption reserve may be applied by the Company, in paying up unissued shares of the Company to be issued to shareholders of the Company as fully paid bonus shares.

- Vehicles Finance	112.55	57.12
- Guaranteed Emergency Credit Lines	46.90	43.74
(b) Unsecured borrowings		
- From Others	2.21	6.76
Total Short-term borrowings	1,716.37	1,280.39
Total borrowings	2,021.31	1,450.94

(a) Term loans from banks

(i) Vehicle Finance

The above loans are secured by hypothecation of Vehicle/Equipment purchased out of the above Loan.

	Total No. of Instalments	Earliest Start Date	Maturity	Rate of Interest	Amount outstanding As at March 31, 2023	Amount outstanding As at March 31, 2022
HDFC Bank	35 - 37	February 20, 2021	December 20, 2023 May 20, 2026	6.76% - 8.26%	205.61	39.94
Kotak Mahindra	37	June 10, 2022	June 10, 2025 - March 1, 2026	7.11% - 8.45%	102.98	31.93
					308.59	71.87

(ii) Guaranteed Emergency Credit Lines

(GECL)

The above loans are 100% guaranteed by National Credit Guarantee Trustee Company along with secured by hypothecation by way of Second Charge on book debts and collaterally secured by movable properties of the Company and immovable properties owned by Shri Rajendra Sethia and personally guaranteed by Kanishka Sethia and Rajendra Sethia, Director of the Company.

	Total No. of Instalments	Earliest Start Date	Maturity	Rate of Interest	Amount outstanding As at March 31, 2023	Amount outstanding As at March 31, 2022
HDFC Bank	48 equal monthly instalments after moratorium of 1 year	February 7, 2021	January 7, 2026	8.25%	48.94	63.66
Kotak Mahindra	36 equal monthly instalments after moratorium of 1 year	January 7, 2021	December 7, 2024	8.25%	26.93	40.72
Indian Bank	49-47 equal monthly instalments after moratorium of 11-25 months	March 15, 2021	January 15, 2028	8.30%	79.93	95.16
					155.80	199.54

(b) 1% Redeemable Non Cumulative Preference Shares

1% Redeemable Non-Cumulative Preference Shares (Preference shares) were issued on March 27, 2014 for a term of 10 years. The coupon on the preference of 1% was below market rate and accordingly on the transition to Ind AS, it was fair valued and the difference between the carrying amount and fair value (as on transition date i.e. April 1, 2020) of Rs. 43.04 Millions was recognised in other equity. The Company has redeemed the preference shares on March 10, 2022, earlier than its maturity date. The difference between the carrying amount and redemption amount of Rs. 23.49 Millions has been recognised as "Loss on early redemption of preference shares" under other expenses

(c) Unsecured borrowings from others

Unsecured borrowings from others represents borrowings from body corporates, which is repayable on demand.

(d) Quarterly return or statements filed with banks

The Company has filed quarterly returns or statements with the banks in lieu of the sanctioned working capital facilities. There was no material difference between the amount of trade receivables (billed) reported to the banks, except for the quarter ended March 31, 2023 and March 31, 2022, whereby the reported amount of trade receivables (billed) were higher by Rs. 31.75 millions and lower by Rs. 264.80 millions respectively. Such differences were due to adjustments pursuant to reconciliation with the customers.

(e) wilful defaulter

The Company has not been declared wilful defaulter by any bank or financial institution or other lender or government or any government authority.

(f) Registration of charges or satisfaction with Register of Company (ROC)

The Company do not have any charges or satisfaction of charges which is yet to be registered with Registrar of Companies beyond the statutory period.

Diluted earnings per equity share (a/b) (in Rs.)	9.09	7.77

Earning per share calculated/ restated as applicable for year ended March 31, 2023 and March 31, 2022 after considering the number of equity shares post sub-division, keeping with the applicable Ind AS

Note 32: Contingencies and Commitments

(a) Contingent liabilities	As at March 31, 2023	As at March 31, 2022
Claims not acknowledged as debts		
- Demand of Indian Railway#	5.31	5.31
- Income - tax ##	18.00	-

#A demand notice dated February 9, 2022 ("Demand Notice") was issued by the commercial supervisor, North Eastern Frontier Railways, Azara, Assam ("Respondents") to the Company, demanding penalty of ₹5.31 million in relation to alleged mis-declaration of consignment by the Company, and detaining the consignment against the demand so raised. The Company filed a writ petition ("Writ Petition") before the Gauhati High Court ("High Court") praying that the Demand Notice be declared illegal, without any authority of law and liable to be set aside. The High Court, by an order dated February 23, 2022 held that pendency of the Writ Petition will not act as a bar on the Respondents from verifying and re-assessing the charges in relation to alleged mis-declaration of consignment. The Company appealed against this order before the High Court. The High Court by its order dated March 16, 2022 ("Order") directed the release of the consignment upon furnishing of a bank guarantee of ₹5.31 million by the Company. Pursuant to this Order, the Company has furnished a bank guarantee and secured release of the consignment. The Writ Petition is currently pending.

The company has been advised by its lawyers that income tax demand are not tenable, and hence this is being contested. No provision in the books has been considered necessary for the above matters. The future cash flows on account of the above cannot be determined unless the judgements/decisions are received from the ultimate judicial forum. No reimbursements is expected to arise to the company in respect of above cases.

Note 33: Disclosures relating to micro and small enterprises

Sr. No.	Particulars	As at March 31, 2023	As at March 31, 2022
1	The Principal amount and Interest due thereon remaining unpaid to any supplier at the end of the accounting year.		
	- Principal amount	37.38	-
	- Interest due thereon	-	-
2	The amount of interest paid by the buyer in terms of Section 16 of the MSMED Act, 2006 along with the amount of the payment made to the supplier beyond the appointed day during the year.		
	- Principal amount	-	-
	- Interest due thereon	-	-
3	The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under this MSMED Act, 2006.		
	- Principal amount	-	-
	- Interest due thereon	-	-
4	The amount of interest accrued and remaining unpaid at the end of the accounting year	-	-
5	The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest due on above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under Section 23 of the MSMED Act, 2006.	-	-

Dues to Micro and Small Enterprises have been determined to the extent such parties have been identified on the basis of information collected by the Management. This has been relied upon by the auditors.

WESTERN CARRIERS (INDIA) LIMITED

Notes to the Standalone Financial Statements

(Amounts in Rs. Millions, unless stated otherwise)

Note 34: Employee Benefits

Employees Defined Contribution Plans - Provident Fund

The Company provides Provident Fund facility to eligible employees. The fund is managed by Commissioner of the Provident Fund. The contributions are expensed as they are incurred in line with the treatment of wages and salaries. The liability of the Company is limited to the contribution deducted from the salary of the employee and the Company's share. The Company has recognized, in the Statement of Profit and Loss for the current year, an amount of Rs. 19.98 Millions (for the year ended March 31, 2022: Rs 14.71 Millions) as expenses under defined contribution plans.

Employee Defined Benefit Plans - Gratuity [Unfunded]

The Company provides for gratuity for employees as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied by the number of years of service completed, subject to the maximum amount of Rs. 2 Million. The gratuity plan is an unfunded plan. The Company does not fully fund the liability and make the payments as and when they become due from its own funds.

Amounts recognised in the financial statements

The amounts recognised in the financial statements and the movements in the net defined benefit obligation and fair value of plan assets is as under:

	Defined benefit obligations	Fair value of plan assets (Unfunded)	Net amount
Balance as at April 1, 2021	16.94	-	16.94
Current service cost	4.36	-	4.36
Interest expense/ income	1.17	-	1.17
Total amount recognised in profit or loss	5.53	-	5.53
Remeasurement			
Return on plan assets, excluding amounts included in interest expense/(income)	-	-	-
Actuarial (gain)/loss from change in demographic assumptions	-	-	-
Actuarial (gain)/loss from change in financial assumptions	0.05	-	0.05
Actuarial (gain)/loss from unexpected experience	2.53	-	2.53
Total amount recognised in OCI	2.58	-	2.58
Employer contributions/ premium paid	-	0.34	0.34
Benefit payments	0.34	0.34	0.68
Balance as at March 31, 2022	24.72	-	24.72
Current service cost	7.26	-	7.26
Interest expense/ income	1.75	-	1.75
Total amount recognised in profit or loss	9.01	-	9.01
Remeasurement			
Return on plan assets, excluding amounts included in interest expense/(income)	-	-	-
Actuarial (gain)/loss from change in demographic assumptions	-	-	-
Actuarial (gain)/loss from change in financial assumptions	(0.04)	-	(0.04)
Actuarial (gain)/loss from unexpected experience	9.43	-	9.43
Total amount recognised in OCI	9.39	-	9.39
Employer contributions/ premium paid	-	0.37	0.37
Benefit payments	0.37	0.37	0.73
Balance as at March 31, 2023	42.75	-	42.75

Classification of the obligation into current and non current

	As at March 31, 2023	As at March 31, 2022
Current	3.25	2.68
Non-Current	39.50	22.04
	42.75	24.72

(ii) Significant estimates: actuarial assumptions

	As at March 31, 2023	As at March 31, 2022
The significant actuarial assumptions were as follows:		
Rate of discounting	7.30%	7.10%
Rate of salary increase	6.00%	6.00%
Mortality rate during employment	Indian Assured Lives Mortality (2012-14) ultimate	Indian Assured Lives Mortality (2012-14) ultimate

WESTERN CARRIERS (INDIA) LIMITED

Notes to the Standalone Financial Statements

(Amounts in Rs. Millions, unless stated otherwise)

(iii) Sensitivity analysis

	For the year ended March 31, 2023		For the year ended March 31, 2022	
	Increase	Decrease	Increase	Decrease
The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:				
Discount rate (+/- 1%)	3.60	(4.39)	2.00	(2.34)
Salary growth rate (+/- 1%)	(4.60)	3.85	(2.43)	2.11

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

(iv) Major categories of plans asset

The scheme is unfunded.

(v) Risk exposure

Through its defined benefit plans the Company is exposed to a number of risks, the most significant of which are detailed below:

Pay-as-you-go Risk:

For unfunded schemes financial planning could be difficult as the benefits payable will directly affect the revenue and this could be widely fluctuating from year to year. Moreover there may be an opportunity cost of better investment returns affecting adversely the cost of the scheme.

Discount rate risk:

The Company is exposed to the risk of fall in discount rate. A fall in discount rate will eventually increase in the ultimate cost of providing the above benefit thereby increasing the value of the liability.

Liquidity Risk:

This risk arises from the short term asset and liability cash-flow mismatch thereby causing the company being unable to pay the benefits as they fall due in the short term. Such a situation could be the result of holding large illiquid assets disregarding the results of cash-flow projections and cash outgo inflow mismatch. (Or it could be due to insufficient assets/cash.)

Future Salary Increase Risk:

The Scheme cost is very sensitive to the assumed future salary escalation rates for all final salary defined benefit Schemes. If actual future salary escalations are higher than that assumed in the valuation actual Scheme cost and hence the value of the liability will be higher than that estimated.

Demographic Risk:

In the valuation of the liability certain demographic (mortality and attrition rates) assumptions are made. The Company is exposed to this risk to the extent of actual experience eventually being worse compared to the assumptions thereby causing an increase in the scheme cost.

Regulatory Risk:

Gratuity Benefit must comply with the requirements of the Payment of Gratuity Act, 1972 (as amended up-to-date). There is a risk of change in the regulations requiring higher gratuity payments (e.g. raising the present ceiling of Rs. 2 Millions, raising accrual rate from 15/26 etc.)

(vi) Other disclosures

- Expected contribution for next year (12 months), i.e. 2023-24: Rs. 12.89 Millions
- Weighted average duration of the defined benefit obligation is 4.77 years (As at March 31, 2022: 5.21 years)
- Estimated Cash Flows (Undiscounted) in subsequent years

	As at March 31, 2023	As at March 31, 2022
Within 1 year	3.25	2.68
2 to 5 years	4.89	8.31
6 to 10 years	5.89	9.32

WESTERN CARRIERS (INDIA) LIMITED

Notes to the Standalone Financial Statements

(Amounts in Rs. Millions, unless stated otherwise)

Note 35: Financial Instruments and fair value measurements

The financial assets and financial liabilities of the Company at the end of the year and the transition date is as under:

	Classification of the assets / liabilities	As at March 31, 2023		As at March 31, 2022	
		Carrying amount	Fair value	Carrying amount	Fair value
Financial assets					
Investments in equity instruments	FVOCI	7.47	7.47	7.47	7.47
Loans	Amortised Cost	186.94	186.94	170.34	170.34
Trade receivables	Amortised Cost	3,896.56	3,896.56	3,113.89	3,113.89
Cash and cash equivalents	Amortised Cost	13.45	13.45	24.74	24.74
Other balances with bank	Amortised Cost	182.08	182.08	107.25	107.25
Other Financial assets (Current & non-current)	Amortised Cost	186.53	186.53	312.75	312.75
	Total	4,473.03	4,473.03	3,736.44	3,736.44
Financial liabilities					
Long-term borrowings (including current)	Amortised Cost	464.39	461.15	271.41	268.09
Short-term borrowings	Amortised Cost	1,556.92	1,556.92	1,179.53	1,179.53
Lease liabilities (Current & non-current)	Amortised Cost	48.80	48.80	41.12	41.12
Trade payables	Amortised Cost	540.29	540.29	649.50	649.50
Other financial liabilities (Current & non-current)	Amortised Cost	78.57	78.57	61.01	61.01
	Total	2,688.97	2,685.73	2,202.57	2,199.25

- The carrying amounts of current financial assets and liabilities carried at amortised cost closely approximate to their fair values as the impact of discounting on such financial assets or liabilities is not significant considering the instruments matures in a very short time.
- Unsecured loans from related parties are repayable on demand and accordingly represents its fair value.
- Long-term security deposits are repayable on closure of contracts i.e., repayable on demand and accordingly carrying amount reflect its fair values. The same can be categorised as Level 3 fair value.
- Long-term borrowings carries both fixed and variable rate of interest. For variable interest rate borrowings, carrying amounts are considered to represent fair value of such borrowings. For fixed rate borrowings fair values have been determined using discounted cash flow approach using the current interest rates. The fair values of the borrowings can be categorised as Level 2 fair values.
- Fair value of investment in equity instruments is determined using the cost method. The fair value of the investments is classified level 3. There is no significant operations in the investee entity and accordingly there are no significant changes in the fair value.

Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard.

(a) **Level 1 - Quoted prices in an active market:**

This level of hierarchy includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities.

(b) **Level 2 - Fair values determined using valuation techniques with observable inputs:**

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

(c) **Level 3 - Fair values determined using valuation techniques with significant unobservable inputs:**

This level of hierarchy includes financial assets and financial liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

There are no transfers between levels 1, 2 and 3 during the year.

WESTERN CARRIERS (INDIA) LIMITED

Notes to the Standalone Financial Statements

(Amounts in Rs. Millions, unless stated otherwise)

Note 36: Capital management

Risk management

The Company's objectives when managing capital are to:

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- Maintain an optimal capital structure to reduce the cost of capital.

The capital structure of the Company consists of debt, cash and cash equivalents and equity attributable to equity shareholders of the Company which comprises issued share capital and accumulated reserves disclosed in the statement of changes in equity and debts appearing as part of the borrowings.

The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The funding requirement is met through a mixture of equity, long term borrowings and short term borrowings.

Note 37: Reconciliation of debts

This section sets out an analysis of debt and the movements therein

	As at March 31, 2023	As at March 31, 2022

Net debt as at March 31, 2023	464.39	-	1,556.92	48.80

Note 38: Financial risk management

In the course of its business, the Company is exposed primarily to fluctuations in interest rates, liquidity and credit risk, which may adversely impact the fair value of its financial instruments. In order to minimise any adverse effects on the financial performance of the Company, the Company has risk management policies as described below:

(A) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) including deposits with banks and financial institutions, foreign exchange transactions, other financial instruments carried at amortised cost.

Financial instruments that are subject to credit risk and concentration thereof principally consist of trade receivables, loans receivables, cash and cash equivalents and other bank balances held by the Company. Trade receivables, cash and cash equivalents and other bank balances of the Company result in material concentration of credit risk.

The carrying value of financial assets represents the maximum credit risk. The maximum exposure to credit risk was Rs. 4,066.56 Millions and Rs. 3,728.97 Millions as at March 31, 2023 and March 31, 2022 respectively, being the total carrying value of trade receivables, balances with bank, bank deposits, loans and other financial assets.

WESTERN CARRIERS (INDIA) LIMITED

Notes to the Standalone Financial Statements

(Amounts in Rs. Millions, unless stated otherwise)

Trade receivables

Customer credit risk is managed by the Company through established policy and procedures and control relating to customer credit risk management. Trade receivables are non-interest bearing and are generally carrying 30 to 60 days credit terms. The Company has a detailed review mechanism of overdue customer receivables at various levels within the organisation to ensure proper attention and focus for realisation. The Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends and ageing of accounts receivable.

Financial assets are considered to be of good quality and there is no significant increase in credit risk.

The requirement for impairment is analysed at each reporting date. The Company's receivables turnover is quick and historically, there was no significant defaults on account of those customer in the past. Ind AS requires an entity to recognise in profit or loss, the amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised in accordance with Ind AS 109, Financial Instruments. Expected credit losses are measured at an amount equal to the life time expected credit losses. The Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward-looking information. The outstanding receivables are regularly monitored to minimise the credit risk.

The Company evaluates the concentration of risk with respect to trade receivables and contract assets as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets. Of the trade receivables balance, Rs. 2,250.64 Millions in aggregate (Rs. 1,618.54 Millions as at March 31, 2022) is due from the Company's customers individually representing more than 5% of the total trade receivables balance and accounted for approximately 57.09% (51.98% as at March 31, 2022) of all the receivables outstanding.

Other financial instruments and bank deposits

Credit risk from balances with banks is managed by the Company's finance department in accordance with the Company's policy. Counterparty credit limits are reviewed by the Company's Board of Directors on an annual basis, and may be updated throughout the year subject to approval of the Company's Board of Directors. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

Balances with banks and deposits are placed only with highly rated banks/financial institution.

(B) Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. This is generally performed in accordance with practice and limits set by the Company.

Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity based on their contractual maturities.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

As at March 31, 2023	Contractual maturities of financial liabilities				
	Less than 1 year	1-2 years	2-3 years	More than 3 years	Total
Borrowings	1,747.55	183.09	123.54	25.42	2,079.60
Lease liabilities	24.06	22.59	5.69	2.12	54.46
Trade payables	540.29	-	-	-	540.29
Other financial liabilities	78.57	-	-	-	78.57
Total financial liabilities	2,390.47	205.68	129.23	27.54	2,752.92
As at March 31, 2022	Less than 1 year	1-2 years	2-3 years	More than 3 years	Total
Borrowings	1,298.01	73.36	60.61	59.68	1,491.66
Lease liabilities	18.46	12.38	12.30	4.50	47.64
Trade payables	649.50	-	-	-	649.50
Other financial liabilities	61.01	-	-	-	61.01
Total financial liabilities	2,026.98	85.74	72.91	64.18	2,249.81

WESTERN CARRIERS (INDIA) LIMITED

Notes to the Standalone Financial Statements

(Amounts in Rs. Millions, unless stated otherwise)

(C) Market Risk

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates.

The Company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Interest rate risk exposure on financial liabilities

	As at March 31, 2023	As at March 31, 2022
Fixed rate borrowings	464.39	271.41
Variable rate borrowings	1,556.92	1,179.53
Total borrowings	2,021.31	1,450.94

Sensitivity to changes in interest rates

Profit or loss is sensitive to higher/ lower interest expense from borrowings as a result of changes in interest rates as below:

	For the year ended March 31, 2023		For the year ended March 31, 2022	
	Impact on profit before tax	Impact on equity	Impact on profit before tax	Impact on equity
Interest expense rates – increase by 50 basis points (50 bps)*	7.78	5.83	5.90	4.41
Interest expense rates – decrease by 50 basis points (50 bps)*	(7.78)	(5.83)	(5.90)	(4.41)

* Holding all other variables constant

Foreign currency risk

The Company did not have any exposure to the foreign currency as at the year ends.
