Dear Sir/Madam,

**Sub: Re-submission of the Annual Report of the Financial Year 2024-25 with due corrections (typographical error)**

With respect to our letter dated 05<sup>th</sup> September, 2025 regarding submission of the Annual Report for the Financial Year 2024-25 along with the Notice convening 14<sup>th</sup> Annual General Meeting of the Company, we hereby resubmit the said Annual Report 2024-25 with due corrections (typographical error).

Kindly note that certain inadvertent typo error was noticed in the Corporate Information section and the back cover page of the Annual Report i.e., the Contact No. of the Company was wrongly mentioned. In view of the above, we are enclosing herewith the revised Annual Report of the Company for the FY 2024-25 along with the Notice of the 14<sup>th</sup> AGM.

We further wish to inform that the said inadvertent errors have no impact on the financial statements or change in the nature of the documents contained in the Annual Report of 2024-25 of the Company, earlier submitted.

The revised report is also available on the website of the Company at [www.western-carriers.com](http://www.western-carriers.com)

Thanking you,

**Yours faithfully,**

**For Western Carriers (India) Limited**

**Encl.: Annual Report of the Financial Year 2024-25 with due corrections**

**Western Carriers (India) Limited**  
Annual Report 2024-25

**One Window,  
Stressless Journeys**

Recognising that in today’s fast-paced and complex business environment, managing logistics across multiple touchpoints can be overwhelming, Western Carriers simplifies the supply chain through unified, end-to-end logistics solutions.

As a trusted, asset-light, 4PL partner with over five decades of industry expertise, we offer a single-window interface for a full spectrum of services—multi-modal transportation, advanced warehousing, distribution, customs facilitation and specialised value-added solutions. Our integrated approach eliminates operational fragmentation and provides our clients with greater visibility, control and peace of mind.

We leverage technology, domain knowledge and a customer-centric

mindset to deliver logistics that are efficient and effortless. Whether it is managing complex cargo movements or responding to dynamic market demands, our agile systems are built to support stress-free operations and ensure consistent timely delivery.

At Western Carriers, we enable businesses to move forward with confidence, backed by a logistics partner that understands their needs and delivers with precision.

One platform. One partner. One less thing to worry about.

# About Us

## Moving India Forward

Founded in 1972, Western Carriers (India) Limited has grown from a rail-centric logistics venture into one of India's most trusted providers of integrated, multi-modal supply chain solutions. Over the years, our commitment to innovation, service excellence and customer-centricity has earned us a distinguished reputation among leading businesses across diverse sectors.

Our comprehensive suite of logistics services spans transportation via rail, road, coastal and air networks, as well as warehousing, distribution and a wide range of value-added solutions. Each service is designed to ensure the safe, efficient and transparent movement of goods. Operating on a flexible, asset-light model, we leverage cutting-edge technology and deep domain expertise to craft agile logistics solutions that evolve with our client's needs.

### Business Facts

Legacy of over five decades	Multi-modal, rail-focused, 4PL asset-light logistics Company	Trusted provider of seamless multimodal logistics solutions	Specialised in customised end-to-end supply chain solutions.

The facility, spanning over 30 acres, is equipped to handle multimodal logistics via Container and Wagon Rake systems, serving key industries in the region.

**1972**

Mr. Rajendra Sethia founded a rail-focused logistics business.

**2013**

Business operations formally transferred from Promoter Mr. Rajendra Sethia to Western Carriers (India) Limited.

**2018**

Onboarded as EXIM partner for a major zinc company.

**2020**

Achieved a turnover of ₹ 10,000 Million.

**2024**

Listed on the NSE and BSE.

# Message from Chairman and MD

## Leading with Purpose, Driving Seamless Progress

### Dear Shareholder,

On behalf of the Board of Directors, it is with great pride that I welcome you to the first Annual Report of Western Carriers (India) Limited as a publicly listed company. Your participation in our successful Initial Public Offering in September 2024 where your company was oversubscribed 32.44 times marked a pivotal moment in our five-decade journey. We are deeply grateful for the trust you have placed in us, and we are committed to honouring that confidence by delivering sustainable, long-term value.

We operate within an industry that is fundamental to India's economic aspirations. The Indian logistics sector is poised for significant expansion, projected to grow from \$317 Billion in 2024 to \$484 Billion by 2029 at a CAGR of 8.8%. This momentum is strongly supported by transformative government initiatives such as the PM Gati Shakti National Master Plan, the development of Dedicated Freight Corridors (DFCs), and the establishment of Multimodal Logistics Parks. These strategic interventions are creating a highly conducive environment for organised, integrated players like us, to leverage the growth in the logistic sector.

Fiscal year 2024-25 was a year of resilience and strategic execution for your company. It was a year that tested the sector with persistent geopolitical disruptions and global trade uncertainties. Against this backdrop, we delivered a steady performance. Our consolidated revenue from operations grew to ₹1,726 Cr, an increase from ₹1,686 Cr in the previous year. This performance reflects a story of two contrasting trends: exceptional strength in our domestic business and headwinds in the international market.

Our domestic volumes surged by an impressive 31%, reaching 79,840 TEUs for the year. This growth was a direct result of our focused strategy to deepen client relationships, expand our service offerings in specialised container movements, and capitalise on the rising demand for multi-modal solutions. However, our EXIM volumes declined by 12% to 1,33,635 TEUs, a direct consequence of the global shipping disruptions and challenging trade environment. This imbalance inevitably put pressure on our margins, with EBITDA standing at ₹120 Cr and Profit After Tax at ₹65 Cr. While these figures are lower than the previous fiscal, they reflect a resilient operational performance that successfully navigated significant external challenges, largely by leveraging the strength of our domestic operations.

What sets Western Carriers apart is our fundamental approach to business. We are the largest private multi-modal, rail-focused 4PL asset-light logistics company in India. Our asset-light model provides us with the operational flexibility and scalability to design and deliver customised, end-to-end supply chain solutions without the burden of heavy capital-intensive infrastructure. This agility,

combined with over five decades of domain expertise, allows us to manage complex logistical challenges for our clients, turning their pain points into our growth opportunities. Our value is demonstrated by the enduring trust of our customers; in FY25, over 80% of our revenue came from clients with relationships spanning more than three years, and we maintained a 100% retention rate for our top 10 clients.

The capital raised through our IPO is a critical enabler of our future growth. We are deploying these funds judiciously to strengthen our operational capabilities and support the long-term, high-value contracts that form our robust order book. In FY25, we undertook a significant capital expenditure of approximately ₹70 Cr, primarily on specialised handling equipment and containers. Looking ahead, based on the strong demand and firm client commitments, we intend to deploy a further capex of approximately ₹100 Cr in the coming year to enhance our service delivery and efficiency.

None of our achievements would be possible without the dedication and expertise of our people. They are the bedrock of our organisation. We are committed to fostering a safe, inclusive, and empowering work

environment where our employees can thrive. Our focus on continuous training, operational excellence, and stringent safety protocols, which resulted in zero incidents in FY25, ensures that our team is equipped to deliver the highest standards of service.

As we look to the future, we do so with renewed optimism. The momentum in the domestic logistics market is expected to continue, and we are beginning to see early signs of normalisation in the EXIM segment. The commissioning of the remaining sections of the Dedicated Freight Corridors together with our own over 30 acre MMCT at Devaliya, near Morbi will be a gamechanger, promising to enhance transit speeds and improve overall network efficiencies. Your company is exceptionally well-positioned to leverage these structural tailwinds.

Thank you once again for your partnership. We are confident in our strategy and excited about the journey ahead as we work to build an even stronger and more resilient Western Carriers.

Yours sincerely,

**Rajendra Sethia**  
Chairman and Managing Director

“Fiscal year 2024-25 was a year of resilience and strategic execution for your company. It was a year that tested the sector with persistent geopolitical disruptions and global trade uncertainties. Against this backdrop, we delivered a steady performance. Our consolidated revenue from operations grew to ₹1,726 Cr, an increase from ₹1,686 Cr in the previous year.”

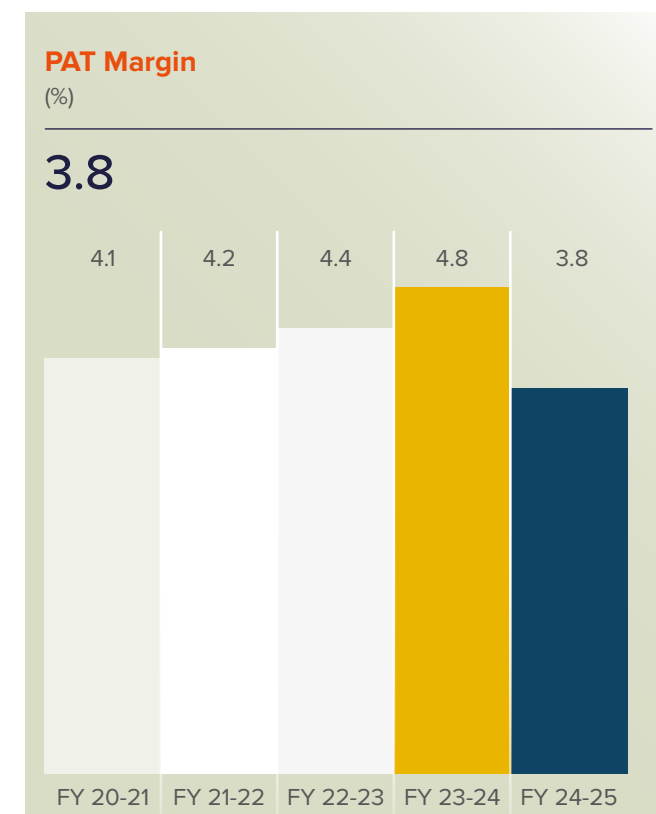

## Performance Scorecard

# Performance That Powers Progress

Marking a pivotal milestone in its corporate journey, Western Carriers (India) Limited was listed on BSE Limited ('BSE') and National Stock Exchange of India Limited ('NSE') on September 24, 2024, following a highly successful initial public offering.

Priced in the band of ₹ 163 to ₹ 172 per share, the IPO witnessed overwhelming investor interest, achieving an impressive overall subscription of 31.62 times across all investor categories.

# Our Offerings

## Integrated Services for Every Need

Our portfolio includes end-to-end logistics services, including multi-modal transportation, advanced warehousing, distribution, customs facilitation and a suite of specialised value-added solutions. By seamlessly integrating rail, road, coastal and air networks, we create flexible, efficient and customised supply chains that address the unique needs of diverse industries.

As an asset-light, 4PL logistics provider, we combine deep domain expertise with technology-enabled operations to manage every stage of cargo movement with precision and reliability. This approach ensures safety, timeliness and transparency, while enhancing operational efficiency and optimising cost structures for our clients. With a focus on building long-term partnerships, we consistently strive to exceed expectations, build enduring customer trust and contribute to the success of their businesses.

# Operating Landscape

## Navigating a Dynamic Ecosystem

India's logistics sector is undergoing a period of rapid expansion, propelled by a powerful combination of infrastructure development, policy reforms and technological advancement. Large-scale government initiatives, an increasingly streamlined regulatory framework, and the rising domestic and international investments are laying a robust foundation for sustained growth. Simultaneously, factors such as accelerated industrialisation, the surge in e-commerce and the emergence of new consumption hubs are fuelling demand for efficient, integrated logistics solutions.

In this evolving landscape, Western Carriers (India) Limited is well-positioned to harness these growth opportunities. By leveraging our multi-modal capabilities, technology-driven operations and customer-focused approach, we deliver supply chain solutions that are seamless, reliable and scalable, meet the dynamic and diverse needs of businesses across sectors.

### Growth Drivers for B2B Logistics Sector

#### MSME Expansion

The rapid growth of Micro, Small and Medium Enterprises (MSMEs) is emerging as a significant driver for the logistics sector. Government initiatives such as 'Make in India' and 'Aatmanirbhar Bharat' are increasing demand for efficient and reliable supply chain solutions from this segment.

#### Manufacturing Boom

A surge in domestic manufacturing, supported by favourable policies and incentives, is fuelling demand for robust logistics networks to serve expanding domestic and international markets.

#### Rise of Integrated Fulfilment Needs

Businesses are increasingly adopting outsourced, technology-enabled, end-to-end supply chain models to enhance operational efficiency, speed and flexibility.

#### Asset-Light, Agile Models

The adoption of asset-light strategies and hub-and-spoke networks is enabling logistics providers to scale rapidly and deliver customised services across diverse industries.

#### Technology-led Transformation

Innovations such as Artificial Intelligence (AI), Machine Learning (ML), Internet of Things (IoT) and automation are revolutionising logistics operations, enhancing visibility, optimising resource utilisation and enabling real-time, data-driven decision-making.

#### Sustainability as a Differentiator

The transition toward electric fleets, clean fuels and energy-efficient infrastructure is positioning sustainability as both an environmental commitment and a competitive advantage.

### Our Strategies for Future Growth

#### Deepening Customer Relationships

- Expand service offerings and geographic reach for existing clients.
- Enhance share of business through tailored, integrated solutions.
- Strengthen client retention through targeted asset upgrades and value-added services.

#### Customer Acquisition and Sector Diversification

- Utilise proven operational capabilities to attract new customers.
- Target large enterprises and retail clients in untapped sectors.
- Leverage existing client networks to access allied business opportunities.

#### Integration and Network Optimisation

- Deepen alignment with client supply chains.
- Cross-sell a broader range of services to existing customers.
- Enhance productivity and throughput across the logistics network.

#### Infrastructure and Asset Development

- Maintain an asset-light model while selectively investing in critical assets.
- Upgrade containers, vehicles and handling equipment.
- Improve safety standards and overall customer experience.

#### Margin Growth and Operational Efficiency

- Emphasise high-value, integrated service offerings.
- Improve asset utilisation and optimise cost structures.
- Reduce external dependencies by expanding direct service capabilities.

#### Technology Enhancement

- Develop advanced platforms for order consolidation and rake optimisation.
- Deliver data-driven, real-time logistics management solutions.
- Build integrated systems to handle both small and large cargo volumes efficiently.

#### Geographic Expansion

- Drive regional growth through client-led market entry strategies.
- Replicate successful models across pan-India operations.
- Prioritise high-potential regions with similar logistics requirements.

#### Inorganic Expansion Strategy

- Pursue strategic acquisitions to broaden service portfolio and market access.
- Target complementary logistics infrastructure and service capabilities.
- Form alliances and partnerships for accelerated market entry and scaling.

#### Project Logistics Focus

- Increase presence in infrastructure and cross-border logistics projects.
- Provide comprehensive solutions, including customs clearance and inland movement.
- Operate through capital-efficient, partnership-based delivery models.

## Our People

# The Dedicated Team Behind Every Delivery

**We believe that a motivated, skilled and engaged workforce is essential to delivering excellence to our customers. Our robust human resources framework is designed to nurture talent, enhance capabilities and cultivate an inclusive, safe and supportive work environment. We empower our people through continuous learning and development, transparent communication and recognition programmes. Our policies promote diversity, equity and well-being, ensuring that every employee feels valued and inspired to contribute to our collective success.**

Our human capital is one of our key areas of focus. We regularly conduct training and education sessions to help maintain the quality of our service offerings and to equip our employees to deal with the complex requirements of our customers. We have employed a team of professionals to assist with our sales and marketing functions. We have a dedicated business development and marketing teams at each zonal office for frontend discussions with our customers. We have one of the most experienced teams in multimodal and supply chain solution, and that leads us into good steps in creating, operation benefits and creating efficiencies for our customers.

### Learning and Development

During FY 2024–25, we implemented a range of initiatives to bridge skill gaps, enhance workplace practices and foster professional development across the organisation. A series of targeted training sessions were conducted across categories such as Awareness, Behavioural, Technical, Environmental and Safety, covering topics like road safety, POSH compliance, material handling, machine guarding, fatigue management and emergency

preparedness. These initiatives significantly strengthened our workforce's knowledge, heightened safety awareness and improved overall operational efficiency.

### Regular Upskilling and Operational Training

We conduct continuous upskilling for our warehouse, operations and support staff through structured programmes such as One Point Lessons (OPL), weekly training and review meetings, skill gap analyses,

internal audits and management reviews. Training modules include the safe and efficient use of equipment like forklifts and pallet jacks, proper lifting techniques, PPE usage, emergency response protocols and strict adherence to safety compliance standards. These initiatives ensure our workforce remains capable, confident and prepared to meet the evolving needs of our business.

# 1,477

Total work strength

### Occupational Health and Safety

The health, safety and well-being of our workforce is a priority across all transport and warehouse operations. Our commitment is reflected in the comprehensive safety practices, training programmes and support systems we have implemented to ensure a secure and compliant work environment.

In our transport operations, we focus on equipping our teams with the knowledge and tools necessary to operate safely and efficiently. These include mandatory licensing for forklifts and equipment, manual handling training and regular sessions on hazard awareness and emergency preparedness. We also conduct specialised training on night driving safety and organise regular medical examinations to monitor the health of our staff. Clean drinking water, rest areas and sanitation facilities are made readily available and high standards of hygiene are maintained. PPE kits,

high-visibility jackets and random alcohol testing are standard practices to further reinforce our safety culture. Vehicle maintenance protocols, reward and recognition programmes and employee transport facilities further contribute to both operational safety and employee well-being.

Within our warehouse operations, our focus is on daily training in good warehousing practices, workplace safety protocols, quality standards and personal hygiene. Staff are

regularly trained in proper handling and processing techniques to ensure efficiency and safety in day-to-day operations. Fire and electrical safety sessions are conducted quarterly and all warehouse staff are provided with appropriate safety footwear and protective gear.

# Zero

Incidents in FY 2025

### Diversity, Equity and Inclusion

We aim to build a workplace that values diversity, promotes equity and enables inclusion. We uphold a strict policy of zero tolerance towards any form of discrimination or harassment. Regular POSH training sessions, conducted by qualified external consultants, help ensure awareness, accountability and compliance. We ensure pay equity across roles, genders and backgrounds. We encourage women empowerment, prioritise local employment and foster equal opportunities for all. Our annual performance management and recognition plan promotes merit-based growth, rewards excellence and supports career progression based on individual contributions.

# 43

Total women employees

## Corporate Governance

# Responsible Leadership. Ethical Operations.

We uphold the highest standards of corporate governance, guided by integrity, transparency and accountability. We believe that strong governance is fundamental to achieving sustainable growth and delivering long-term value to all our stakeholders. Our governance framework is built on robust policies, ethical business practices and effective risk management systems. These ensure compliance with applicable laws and regulations as well as promotes responsible decision-making.

### Our Policies

Policy for Determining Qualifications Positive Attributes and Independence of a Director	Policy for determination of materiality of events or information	Code of Conduct of Board Members, Key Managerial Personnel & Senior Management
Code of Conduct to Regulate, Monitor and Report Trading by Designated Persons	Policy on Diversity of Board of Directors	Familiarization Programme for Independent Director

# Management Discussion and Analysis

## Disclaimer

The Management Discussion and Analysis report outlines the Company's objectives, assumptions, expectations and forward-looking statements, as defined under applicable laws and regulations. It should be noted that actual outcomes may vary significantly from those anticipated. Factors that could materially influence the Company's performance include changes in tax legislation, shifts in government policies, prevailing economic conditions in India and other unforeseen circumstances.

## Global Economy

Despite the series of shocks such as persistent geopolitical tensions and elevated inflation, in CY 2024, the global economy grew by 3.3%.<sup>1</sup> The Emerging Markets and Developing Economies (EMDEs) delivered stronger growth of 4.3%, compared with 1.8% in Advanced Economies. Inflation also moderated, easing from 6.6% in CY 2023 to 5.7% in the year under review.<sup>2</sup> This growth in the global economy was supported by the decisive actions undertaken by individual countries through the adoption of appropriate fiscal and monetary policies.

Looking ahead, global economic activity is expected to face headwinds from trade frictions. However, inflation is projected to decline gradually to 4.3% in CY 2025 and 3.6% in CY 2026, which may support the economic activities in the coming years. Global GDP is forecast to expand by 2.8% in CY 2025 and improve further to 3.0% in CY 2026. In addition, the gradual easing of monetary policies is anticipated to create a more stable and supportive environment for sustained global growth over the medium term.

## Growth in the Global GDP

## Indian Economy

India upheld its position as one of the fastest-growing major economies, delivering a GDP growth rate of 6.5% in FY 2025, even as global economic conditions remained uncertain.<sup>3</sup> This growth was supported by strong private consumption, resilient consumer confidence and steady domestic demand. Additionally, in the reporting year, the Inflation was 3.34%, with urban and rural inflation at 4.89% and 5.95%, respectively.<sup>4</sup> The Government of India played a critical role in supporting the economic growth through timely implementation of policy measures. Strategic initiatives such as the China+1, the Production Linked Incentive (PLI) Scheme and the 'Make in India' programme strengthened investor confidence and accelerated the growth in manufacturing sector. Foreign Direct Investment (FDI) remained resilient at USD 67.7 Billion in FY 2025, rising from USD 60.2 Billion in FY 2024. Within this, FDI inflows into the manufacturing sector showed significant improvement, while the automobile and other sectors also witnessed steady growth. Infrastructure development continued to receive a strong push with contributions from both public and private players. Flagship government programmes such as PM Gati Shakti, Bharatmala Pariyojana and Pradhan Mantri Grameen Sadak Yojana have been instrumental in shaping the expansion of India's infrastructure landscape.

Looking ahead, the Indian economy is expected to experience positive growth and by FY 2026, it is anticipated to grow at 6.5%. This growth is expected to be supported by rising consumer demand, improving investment activity and continued policy support.

By 2028, India is projected to emerge as the world's third-largest economy. The tax relief announced in the Union Budget 2025-26 is anticipated to provide a further boost to consumption in the near term. At the same time, the Government is closely monitoring the global tariff developments and is adopting a calibrated policy response to safeguard long-term growth prospects.

### GDP Growth Trend in India

FY 2024 FY 2025

Source: PIB; RBI Bulletin April 2025

## Global logistics Industry

The global logistics industry served as the backbone of international trade and commerce by enabling the seamless movement of goods across the globe and it was valued at USD 11.26 trillion in CY 2024.<sup>5</sup> Strong logistics plays a critical role in driving supply chain efficiency, reducing delivery times and lowering operational costs for businesses. The industry

witnessed a strong push from automation and artificial intelligence during the reported year, which enhanced efficiency as well as reduced costs. Further to this, the growing use of data analytics is reshaping logistics management by enabling route optimisation, demand forecasting and efficiency improvements also expanded the market share.<sup>6</sup>

The rapid expansion of e-commerce continued to be a major growth driver for logistics worldwide. Rising online shopping volumes have significantly increased demand for fast and reliable delivery, particularly in last-mile logistics. In CY 2024, the Asia-Pacific region emerged as the market leader, accounting for over 48.7% of the global share.

The global logistics industry is projected to expand substantially, with the market expected to reach USD 8.07 trillion by 2033.<sup>7</sup> North America is anticipated to record notable growth during the forecasted period, supported by its strong infrastructure base, particularly in road and rail connectivity. This growth is anticipated to be driven by the rapid rise of the e-commerce sector and it will influence consumer behaviour thereby, stimulating demand for logistics solutions.

## Indian logistics Industry<sup>8</sup>

### Transport and Logistics Market (in USD Bn)

### Transport and Logistics Market: Service mix (FY25)

### Transportation: Modal mix (FY25)

Source: KPMG analysis

The Indian logistics industry is a critical backbone of the country's economy, valued between USD 310-330 Billion in FY 2025 and growing at a robust CAGR of around 9% over recent years. It plays a vital role in supporting key sectors such

<sup>3</sup> <https://rbidocs.rbi.org.in/rdocs/Bulletin/PDFs/OBULT19032025F9CCA0AB1F7294130A950E2FD5448B5FC.PDF>

<sup>4</sup> [https://www.mospi.gov.in/sites/default/files/press\\_release/CPI\\_PR\\_13Jan25.pdf](https://www.mospi.gov.in/sites/default/files/press_release/CPI_PR_13Jan25.pdf)

<sup>5</sup> <https://www.expertmarketresearch.com/reports/logistics-market>

<sup>6</sup> <https://www.imarcgroup.com/logistics-market>

<sup>7</sup> <https://www.imarcgroup.com/logistics-market>

<sup>8</sup> <https://assets.kpmg.com/content/dam/kpmgsites/in/pdf/2025/08/express-industry-in-india-powering-indias-economy-connecting-businesses-and-markets.pdf>

as manufacturing, automotive, pharmaceuticals, BFSI and particularly the rapidly expanding e-commerce and express delivery markets. The logistics ecosystem is composed of multiple components, including transportation (road, rail, air and water), warehousing, express services and allied value-added services, all of which have evolved dynamically fuelled by government infrastructure initiatives and policy reforms.

### Emphasis on B2B Logistics

While the Indian logistics industry has witnessed tremendous growth driven by the explosion of e-commerce and consumer retail, the B2B segment remains substantial and forms the backbone of the logistics demand. B2B logistics supports multiple industries such as automotive, electronics, pharmaceuticals, textiles and manufacturing supply chains, which require reliable, timely and specialised logistic services. These industries depend on logistics solutions for just-in-time (JIT) and just-in-sequence (JIS) inventory management, efficient transportation of components, spare parts and raw materials and seamless integration with production and distribution networks.

### Market Composition and Transport Modalities

#### Modal split of domestic express industry

The express industry, which is a key facilitator of B2B supply chains, has become increasingly important. The majority of express cargo movement for domestic shipments is road-based (around 82%), with air cargo representing a significant part (about 17%) for high-value and urgent B2B consignments, especially in sectors like pharma and electronics. Rail transport is still emerging but represents a promising, cost-effective alternative, particularly with the development of dedicated freight corridors (DFCs) and initiatives like the Rail Post Gati Shakti Express service targeted at time-sensitive B2B cargo.

### Supply Chain Complexity and Infrastructure

The industry faces considerable challenges in infrastructure and regulatory workflows. Despite significant progress in road networks, airport expansions and digital integration via GST and e-way bills, B2B logistics often contends with congestion, variable interstate regulations, customs clearance delays and fragmented service providers. However, government

programs like PM Gati Shakti, Industrial Corridors, Multi-modal Logistics Parks (MMLPs) and e-commerce export hubs (ECEHs) are laying the foundation for integrated, efficient and scalable logistics operations that can support the growing requirements of B2B clients.

### Technology and Innovation

B2B logistics providers are increasingly adopting advanced technologies such as AI-powered route optimisation, warehouse automation, blockchain for provenance and transparency and digital platforms for end-to-end shipment tracking. Furthermore, leveraging data analytics enables predictive maintenance and better inventory management, improving service reliability and reducing operational costs vital for industrial supply chains.

### Regulatory Evolution and Trade Facilitation

Regulatory frameworks have evolved to facilitate trade, finance and operational efficiency. Customs clearance for express cargo has been digitised via ECCS, simplifying export-import formalities especially for small shipments common in B2B refrigerated pharma logistics and electronics. Nevertheless, the industry urges further reforms, such as unified GST registration, streamlined multi-leg documentation and supportive policies for trans-shipment and international logistics to enhance competitiveness.

### Employment and Human Capital

The logistics sector is a significant employment generator with millions engaged directly and indirectly. The rise of the gig economy supports last-mile B2B deliveries, while there is a critical emphasis on skilling workers to match the sector's growing sophisticated technological requirements, especially in warehouse management and digital logistics.

### B2B Logistics Outlook

Looking ahead, the B2B logistics segment in India is poised for strong growth driven by expanding manufacturing capabilities, increased global trade linkages and the rise of MSMEs integrating into export supply chains. The policy-driven push for India as a global manufacturing hub (via PLI schemes and Make in India) will fuel demand for robust, reliable logistics solutions tailored to industrial requirements. Additionally, innovations in cold chain logistics, specialised packaging and last-mile delivery solutions will gain prominence given the diverse product mix in B2B trade.

Overall, the Indian logistics industry is backed by government infrastructure investments, digital reforms and technology adoption is transforming into a resilient and agile ecosystem capable of addressing the complex demands of modern B2B supply chains. With continuous policy support and private sector innovation, the logistics sector will remain a key enabler of India's economic growth and competitiveness domestically and internationally.

<sup>9</sup> CBRE Report

## Growth Drivers<sup>9</sup>

### Robust Economic Growth and Consumption

India's strong GDP growth (6.5% in FY2025) and rising private consumption, especially rural demand rebound, drive continuous growth in logistics requirements. Increasing consumer demand fuels warehousing and distribution needs.

### Rising Capital Expenditure (Capex)

Government commitment to infrastructure development is robust, with a 10% YoY increase in capital expenditure allocated to key sectors like roads, railways and power. This spending fuels logistics infrastructure development, improving connectivity and efficiency.

### Institutional and Foreign Investments

The logistics sector has attracted significant investments from institutional and foreign investors (accounting for about 50-68% of investments). These inflows enable development of premium, technologically advanced warehousing and logistics facilities.

### Growth of E-commerce and Third-party Logistics (3PL)

Rapid expansion of e-commerce and 3PL companies has been a major driver, with increased warehousing leasing and demand for quick and last-mile delivery hubs, including in-city micro-fulfilment centres.

### Manufacturing Sector Expansion

India's emphasis on becoming a manufacturing powerhouse with initiatives like Make in India and establishment of industrial parks contributes to logistics demand for both raw materials and finished goods transport and warehousing.

### Urbanisation and Consumer Expectations

Increasing urban populations with fast delivery expectations accelerate demand for smaller, strategically located warehouses near major cities to facilitate last-mile delivery efficiency.

## Digitalisation and Technology Adoption

The use of advanced technologies such as AI, IoT, automation and data platforms improves operational efficiency and transparency across logistics chains, attracting more users and enabling growth.

### Regulatory and Policy Support

Reforms such as GST, National Logistics Policy, PM GatiShakti Master Plan and government incentives for infrastructure, industrial parks and ease of doing business create a supportive environment for sectoral growth.

### Supply Chain Modernisation with High-Quality Warehousing

The trend toward institutional-grade, environmentally sustainable "green-certified" warehouses with better design, automation and amenities attracts top-tier users and investors, enhancing sector maturity.

### Growing Trade and Export Volumes

Rising exports and cross-border trade expansion increase demand for efficient logistics networks and port infrastructure, stimulating investments in related logistics facilities.

### Strategic Location Developments

Development of logistics hubs along major industrial and transportation corridors addresses rising land costs and complex land acquisition issues in prime locations, facilitating sector expansion.

## Challenges

### Rising Costs and Pricing Pressure from Clients

Higher prices for key inputs such as commodities and crude oil have forced logistics providers to focus on cost control as clients demand lower prices. This increases the pressure to reduce costs while still ensuring efficient delivery, making it necessary for organisations to innovate in value addition and continuously seek cost-saving measures.

### Regulatory Pressures and Infrastructure Challenges

Intensified regulatory checks, stricter audits and more quality inspections are putting logistics operators under pressure to meet national standards and avoid penalties. At the same time, major infrastructure issues such as traffic congestion and the slow rollout of multimodal transport options, especially in Tier 2 and 3 cities continue to slow last-mile delivery. Addressing these issues will demand serious investments in modern urban logistics and advanced fulfilment systems.

**Labour Shortages and Wage Inflation**

There is a persistent shortage of skilled workers in logistics, pushing wages higher as companies compete to attract and retain quality staff. While higher pay helps sustain productivity and service standards, it also raises operational costs. Managing talent well and setting clear expectations is crucial to avoid cost overruns and productivity losses.

**Consumption Slowdown and Lower Utilisation**

A slowdown in the economy has led to lower demand for freight services, causing underutilisation of logistics networks and affecting profitability. Sectors like FMCG and automotive are especially impacted, with disruptions in supply chains forcing logistics providers to struggle to maintain efficient use of their resources.

**Geopolitical Tensions Affecting Supply Chains**

Rising geopolitical conflicts, as highlighted in the Economic Survey 2024, can disrupt supply chains by increasing costs, causing delays and leading to inflationary pressures. Such tensions may force companies to reroute shipments, creating unpredictability and further disturbing the global flow of goods.

**Government Initiatives Supporting Indian Logistics<sup>10</sup>**

Government Initiatives	Detailed Description
<b>National Logistics Policy (NLP)</b>	Launched in September 2022, the NLP is aimed at creating a seamless and efficient logistics ecosystem throughout India. Its key goals are to improve operational efficiency, reduce the overall logistics cost and facilitate smoother movement of goods. It is strongly backed by digital reforms such as the Unified Logistics Interface Platform (ULIP) and Logistics Data Bank (LDB), which are both fully operational. The NLP improves tracking of containerised export-import (EXIM) cargo, making doing business easier through digitalisation and transparency.
<b>PM GatiShakti Master Plan</b>	Introduced in October 2021, GatiShakti integrates various modes of transportation, which are the roads, railways, ports, airports and more into a single coordinated national platform. It aims to accelerate the planning and execution of large-scale infrastructure projects for faster connectivity and logistics development. The plan unites 57 central ministries/departments and all states and union territories, along with over 1,700 data layers, to support integrated and comprehensive infrastructure development and multimodal connectivity.
<b>Maritime Amrit Kaal Vision 2047</b>	This is a long-term vision aligned with the principles of the “blue economy,” designed to transform India into a global maritime powerhouse by 2047. The roadmap focuses on expanding port capacity, digitalisation and automation of port operations, as well as promoting green initiatives such as hydrogen hubs. It emphasizes boosting coastal tourism, maritime skill development and making India a centre for shipbuilding and repair. At the 2023 Global Maritime India Summit, over ₹ 10 Lakh Cr in investments were earmarked, showcasing strong momentum in maritime sector development.
<b>Dedicated Freight Corridors</b>	The two main corridors, which are the Eastern Dedicated Freight Corridor (EDFC: Ludhiana to Son Nagar, 1,337km) and the Western Dedicated Freight Corridor (WDFC: JNPT to Dadri, 1,506km) are specialised rail lines for heavy freight, developed by the Ministry of Railways. These are designed to ease congestion on passenger routes, lower freight transportation costs and improve energy efficiency. As of March 2025, 96.4% of the total 2,843km are operational and these corridors are expected to drive industrial growth and job creation in logistics.
<b>Multi-Modal Logistics Parks (MMLPs)</b>	Developed under the Bharatmala Pariyojana, MMLPs offer integrated warehousing, storage and distribution, bringing together different aspects of logistics at one location. These parks are planned based on regional demand in 35 key locations (such as Chennai, Bengaluru, Nagpur and Indore). By 2027, five of these parks are expected to be operational. They are designed to increase overall logistics efficiency and reduce costs for supply chain businesses.
<b>Logistics Data Bank (LDB)</b>	LDB is a digital tracking system for export-import (EXIM) containers. It significantly boosts transparency and real-time visibility throughout the supply chain. By October 2024, LDB has tracked over 75 Million containers and records more than 4.5 Million unique container searches monthly. Its wide adoption shows its success in enhancing both efficiency and trust across the logistics sector.
<b>Unified Logistics Interface Platform (ULIP)</b>	ULIP is a digital platform consolidating data from various logistics ministries and departments, providing a single interface for the entire industry. By March 2025, it recorded 1 Billion API transactions, reflecting the scale of its adoption. ULIP supports supply chain digitalisation by enabling estimated time of arrival (ETA) predictions for shipments, better inventory planning and reduced operational costs, making logistics more globally competitive.

<sup>10</sup> <https://www.pib.gov.in/PressNoteDetails.aspx?id=155038&Noteld=155038&ModuleId=3>

Government Initiatives	Detailed Description
<b>Goods and Services Tax (GST)</b>	Implemented in 2017, GST unified taxes on goods and services across India. This reduced the hassle of interstate checkpoints, significantly lowered transit times (by over 33%) and streamlined supply chain management. GST has been transformative for Indian logistics, allowing for smoother, faster and more cost-effective movement of goods nationwide.
<b>E-Way Bill</b>	As part of the GST framework, the e-Way Bill is a mandatory digital document for transporting goods worth over ₹50,000 across states. It reduces physical paperwork, increases transparency and encourages compliance, all of which make interstate logistics more efficient and accountable by checking tax evasion and simplifying procedures.
<b>Gati Shakti Vishwavidyalaya (GSV)</b>	GSV is India's first university dedicated to the transportation and logistics sector, conceptualised to support the goals of the National Master Plan for infrastructure. It equips students and professionals with the skills needed for logistics and transportation, supporting India's future workforce requirements. GSV collaborates with about 40 industry and academic partners through signed Memoranda of Understanding (MoUs).
<b>Logistics Ease Across Different States (LEADS)</b>	LEADS is an annual ranking by the Ministry of Commerce & Industry that assesses how well states and Union Territories perform in terms of logistics infrastructure, services, regulatory environment and sustainability. It gathers feedback from thousands of industry participants (manufacturers, exporters and logistics firms), helping guide policy decisions and investments by highlighting logistics challenges and performance on the ground.

### Technology Adoption in Indian Logistics Sector<sup>11</sup>

Technology is revolutionising the Indian logistics sector, making supply chains more efficient, transparent and adaptive to evolving global demands. Recent disruptions such as the COVID-19 pandemic and geopolitical challenges have accelerated the adoption of advanced digital tools, enabling the sector to respond swiftly and sustainably.

#### Key Drivers for Technology Adoption

- **Need for End-to-End Visibility and Traceability:** Real-time monitoring of shipments throughout the supply chain improves productivity and accuracy, enabling better decision-making.
- **Transition to Networked Supply Chains:** Moving from linear to integrated, agile and resilient logistics networks to cope with uncertainties.
- **Automation for Operational Efficiency:** Enhances speed and reduces manual errors, enabling faster delivery and optimised resource use.
- **Sustainability Mandates:** Environmental concerns and regulatory requirements are motivating companies to adopt technology that supports greener logistics.

### Core Technologies in Use

<b>Blockchain</b>	<ul style="list-style-type: none"> <li>• Enables secure, paperless documentation, smart contracts and facilitates transparent cargo tracking.</li> <li>• Indian initiatives like the Electronic Cargo Tracking System (ECTS) are piloting blockchain to enhance security and efficiency.</li> <li>• Globally, ports like Rotterdam and companies such as Maersk use blockchain extensively.</li> </ul>
<b>Big Data Analytics</b>	<ul style="list-style-type: none"> <li>• Supports predictive maintenance of equipment and optimised operations.</li> <li>• Helps companies forecast demand, plan routes and improve fuel efficiency.</li> <li>• Indian startups are leveraging big data for freight booking and route optimisation.</li> <li>• The big data market in India is expected to grow to US\$16 Billion by 2025.</li> </ul>
<b>Cloud Computing</b>	<ul style="list-style-type: none"> <li>• Powers fleet management, warehouse management, cargo tracking and transparent market platforms.</li> <li>• Indian ports and logistics companies have adopted cloud-based ERP and real-time monitoring tools to improve operations.</li> </ul>

<sup>11</sup> <https://www.ey.com/content/dam/ey-unified-site/ey-com/en-in/pdf/ey-envisioning-the-future-of-indian-logistics.pdf>

<b>Autonomous Vehicles and Equipment</b>	<ul style="list-style-type: none"> <li>Autonomous trucks and ships are being tested internationally.</li> <li>Indian shipyards are manufacturing electric autonomous ferries, exemplifying early adoption.</li> <li>Autonomous systems are expected to enhance middle and last-mile delivery, reduce costs and improve safety.</li> </ul>
<b>Drones</b>	<ul style="list-style-type: none"> <li>Used in emergency deliveries and last-mile logistics.</li> <li>Indian government initiatives, including the legalisation of drones for commercial purposes and start-up support under the 'Drone Shakti' program, are paving the way for wider drone use.</li> </ul>
<b>Digital Twins</b>	<ul style="list-style-type: none"> <li>Virtual replicas used to simulate warehouse layouts, transport routes and port operations to anticipate and mitigate disruptions.</li> <li>Enables optimisation of facility design and operational resilience.</li> <li>Adoption in India is growing with increased use of warehouse management and visibility systems.</li> </ul>

### Government Initiatives Supporting Technology Adoption

The government has taken significant steps to drive technology adoption in the Indian logistics sector. One key initiative is the launch of the Unified Logistics Interface Platform (ULIP), which offers a unified, real-time digital platform integrating data across various transport modes and regulatory bodies, thereby enhancing cargo visibility and reducing delays. Additionally, digital solutions like ICEGATE, E-Logs and NLP-Marine have been introduced to facilitate electronic documentation, enable real-time tracking and streamline clearance processes. The government is also promoting the deployment of Integrated Enterprise Business Systems across major ports to standardize operations and automate workflows. Furthermore, efforts to encourage public-private partnerships (PPP) and promote the startup ecosystem through incubation programs and dedicated funding are helping catalyse innovation and accelerate the digital transformation of the logistics industry.

### Challenges in Technology Adoption

- Legacy systems and paper-based processes are still common, limiting digitisation benefits.
- Fragmentation and lack of interoperability among various digital platforms slow adoption.
- Lack of standardised data management and regulatory complexities around data privacy.
- The need for greater coordination among stakeholders for comprehensive digital ecosystem creation.

### Future Outlook

The future outlook for technology adoption in Indian logistics involves enhanced collaboration among government, industry stakeholders and start-ups to accelerate digital transformation. There is a pressing need to scale advanced technologies such as artificial intelligence (AI), the Internet of Things (IoT), autonomous vehicles and blockchain across the entire supply chain. The adoption of digital marketplaces, collaborative logistics and innovative business models is expected to make the logistics ecosystem more agile, cost-effective and customer-centric. Additionally, integrating sustainability into technology adoption will be crucial for

supporting India's environmental objectives and ensuring long-term sector resilience.

### Sustainability in Logistics Sector<sup>12</sup>

India's logistics sector is actively adopting sustainable practices to balance the growing demand for convenience with environmental responsibility. Government-led initiatives are driving a strong focus on green logistics, integrating sustainability into the core logistics strategy through infrastructure investments and innovative programs. Tools like the Freight Greenhouse Gas (GHG) Calculator enable stakeholders to assess transportation costs alongside carbon emissions, promoting awareness and support for eco-friendly development. Indian Railways' Rail Green Points initiative incentivises freight customers by highlighting potential carbon savings, reinforcing the government's target to boost rail freight share from 35–36% to 45% by 2030 to reduce environmental impact. Additionally, strategic plans such as the Coal Logistics Plan prioritize shifting freight transport toward rail to lower emissions further. Digital platforms like ULIP enhance sustainability efforts by assisting companies in choosing greener transportation modes, thereby contributing significantly to India's overarching carbon reduction objectives and the creation of a more environmentally sustainable logistics ecosystem.

### Logistics Sector Outlook

The logistics sector in India is projected to experience robust and sustained growth driven by multiple favourable factors, including strong economic expansion, rising consumer demand and significant government support. With India's GDP growth anticipated at around 6.5% in FY2026, the logistics industry is poised to support this momentum by enhancing supply chain efficiency across manufacturing, retail and e-commerce sectors. Key growth drivers include increased infrastructure investments under flagship initiatives like PM Gati Shakti and Bharatmala Pariyojana, the rapid rise of e-commerce and third-party logistics and the adoption of advanced technologies such as AI, IoT and automation that enable real-time tracking, route optimisation and smart warehousing. The sector is also benefitting from digital reforms like the National Logistics Policy, GST and unified

<sup>12</sup> <https://www.pib.gov.in/PressNoteDetails.aspx?id=155038&NotelId=155038&ModuleId=3>

platforms that streamline operations and reduce costs. Despite challenges such as poor infrastructure quality, regulatory complexities and fragmentation of the market, ongoing efforts to modernize the supply chain, coupled with sustainability initiatives and the development of multimodal logistics parks, reinforce the positive outlook. Overall, the Indian logistics market is forecast to grow at a CAGR of around 6.5%, potentially reaching USD 428.7 Billion by 2033, positioning it as a critical enabler of India's broader economic growth and global trade ambitions.

### Company overview

Western Carriers is a leading integrated logistics service provider in India, delivering end-to-end supply chain solutions across a range of industries. The Company has established a strong presence through its expertise in warehousing, distribution and value-added services. With a customer-focused approach, supported by advanced infrastructure and technology-driven operations, Western Carriers is well placed to meet the evolving requirements of trade. Leveraging over five decades of experience, an asset-light and scalable model as well as long-standing client relationships, the Company has maintained a leading position in the industry. It takes pride in its high customer retention, with more than 80% of its revenue derived from clients who have been associated for over three years.

5

Decades of Experience

50+

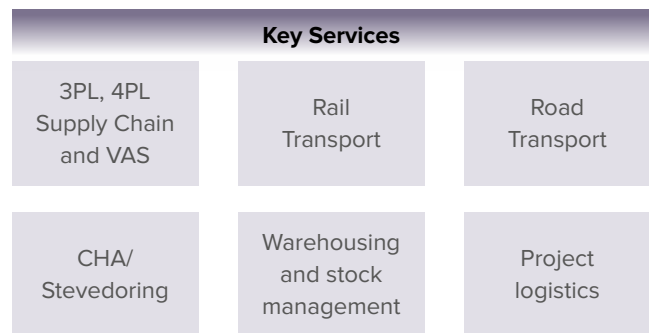

Branches all over India

1600+

Customers

### Operations

### What Set's Western Carriers Apart

#### Multimodal

Western Carriers offers integrated logistics solutions that span road, railway, ocean/river/coastal and air logistics. This multi-modal approach not only minimizes the risk of loss, pilferage or damage at trans-shipment points but also streamlines documentation and procedures, ultimately helping customers reduce costs.

#### Single Window Logistics

Their scalable, asset-light business model enables delivery of tailored 3PL and 4PL solutions. Western Carriers excels at simplifying complexities by providing one-stop, single-window, end-to-end integrated logistics. Customers benefit from seamless service management and a range of value-added solutions that cover the entire supply chain.

#### Rail

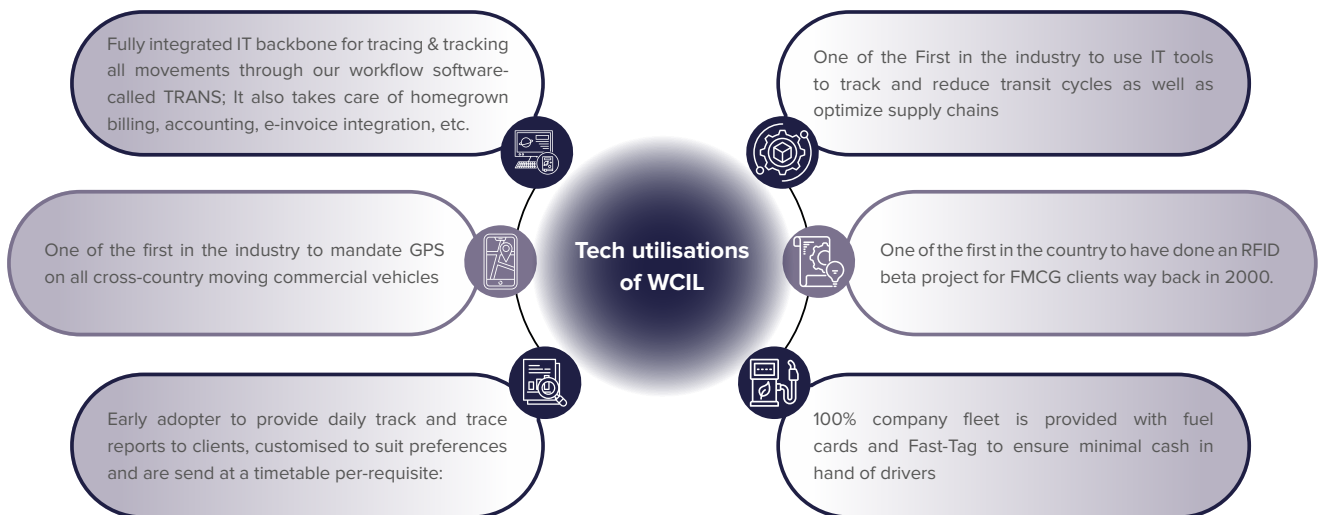

The Company's rail logistics are designed to suit diverse shipment needs. Services range from smaller consignments using mini-rakes (up to 20 wagons) to jumbo rakes that can accommodate up to 2,500 metric tonnes. This flexibility ensures both small and large customers have options for reliable bulk transportation.

#### 3PL

Western Carriers combines traditional transportation with specialised value-added services at multiple points in the logistics chain. Their 3PL solutions cover cargo and material handling, warehouse and order management and pre-shipment inspection—giving customers assurance and convenience throughout the shipment lifecycle.

## Technology Integration

Western Carriers Limited has made technology a central part of its operations by using IT and software tools for real-time tracking of cargo and container trailers. Their asset-light business model is supported by a strong technology infrastructure and a transport management system, ensuring timely and reliable deliveries. The Company operates a fully integrated ERP system that tracks shipments through every transport mode and manages key functions like billing, invoicing, accounts and GST filing. All logistics operations are automated, from consignment notes to management reports. GPS tracking is installed in every vehicle and delivery tracking reports are generated as per customer needs, such as hourly, daily, weekly or monthly. They also use advanced software for e-way bill monitoring, which allows them to catch and correct issues before bills expire, further improving efficiency and customer service.

## Expansion of Multimodal Logistics Infrastructure: Gati Shakti Multi Modal Cargo Terminal

Western Carriers (India) Limited (WCIL) successfully completed and launched its state-of-the-art Gati Shakti Multi Modal Cargo Terminal at Devaliya Station near Morbi, Gujarat. Spanning over 30 acres, this strategically located facility significantly strengthens WCIL's multimodal logistics capabilities by integrating container and wagon rake systems for efficient road and rail cargo handling.

This terminal is designed to support diverse cargo types and serve key regional industries such as the Maliya salt industry and the Morbi ceramic sector, which produces over 5 Million tonnes annually, fulfilling more than 80% of India's demand. In addition, industries including chemicals, agriculture, fertilizers and MSMEs stand to gain from the enhanced logistics infrastructure.

The new terminal marks a major step forward in WCIL's commitment to providing seamless, safe, and cost-effective logistics solutions reinforced by advanced technology and integrated services. Plans are underway to further develop complementary infrastructure facilities, such as an inland container depot and warehouses, enabling comprehensive supply chain support.

This development not only elevates WCIL's operational reach in India's western corridor but also aligns with the company's vision to deliver scalable, future-ready logistics solutions that support India's broader economic growth goals under the "Viksit Bharat" initiative. The terminal will play a pivotal role in enhancing service quality and operational efficiency for WCIL's domestic customers, positioning the company for sustained growth in a highly competitive logistics landscape.

## Consolidated Financial Performance of Last 5 Year

Particulars (₹ Crs)	FY21	FY22	FY23	FY24	FY25

## Outlook for Western Carriers (India) Limited

Western Carriers (India) Limited looks set for strong growth in the future. The Company is working to build closer relationships with its customers by offering more services and covering new locations. By giving clients customised and complete logistics solutions, they aim to keep current customers happy and attract new ones.

They are expanding into new regions across India and focusing on areas where logistics demand is high. Western Carriers also plans to reach new business sectors and use customer referrals to grow even more.

The Company wants to improve profits by focusing on valuable, integrated services and making their operations

more efficient. They are investing in new technology to manage orders better and provide real-time updates, which helps them handle both small and large shipments easily.

Growth will also come from acquiring other companies and forming partnerships, which will make it easier to enter new markets faster. Western Carriers continues to upgrade its vehicles, containers and equipment to boost safety and service quality.

By deepening their role in customers' supply chains and offering a wide range of services, Western Carriers expects to increase productivity and get even more value from their network. Overall, they are on track to become a top logistics provider in India, with reliable growth expected in the coming years.

## Risk management

Risk description	Risk mitigation strategy
<p><b>Economic risk</b></p> <p>Fluctuations in economic factors such as inflation or interest rates, along with geopolitical disruptions, may adversely affect the organisation's ability to maintain smooth and uninterrupted operations</p>	<p>Your Company is expanding its domestic offerings as well as launched its MMLP- both offset global geopolitical risk.</p> <p>Your Company is focused on growth of service offerings and believes in in-house expertise to offset inflationary service presence and by being low debt company, not much worry on interest rate increase.</p>
<p><b>Fuel price risk</b></p> <p>The Company is exposed to risks from sudden increases in fuel prices, which could adversely impact profitability, as the business remains sensitive to such fluctuations and may find it difficult to fully mitigate the pressure on margins.</p>	<p>The Company has structured most of its large customer contracts on a Diesel Price Variation Clause (DPVC) basis. Accordingly, any increase in diesel prices results in a corresponding upward adjustment in rates, while reductions in fuel prices are passed on to customers, ensuring fairness and cost alignment.</p> <p>For rail movements, the Company operates largely under haulage contracting arrangements with customers. Any revision in haulage charges by Indian Railways is, in most cases, passed through to customers under the contractual terms. Benefits of lower haulage rates are similarly passed on, whereas increases are appropriately recovered through customer contracts.</p> <p>This contracting structure ensures that the impact of fluctuations in fuel and haulage costs on the Company's financial performance is significantly mitigated</p>
<p><b>Concentration risk</b></p> <p>Western Carriers faces customer concentration risk, as a significant portion of its revenue is derived from a limited base of key clients</p>	<p>Though 50% of business is from metals. The same is mitigated by various metals serviced- aluminium, zinc, steel etc. which all have different LME cycle. Your company is also rapidly expanding client base in MSME, SME, industrials, FMCG, pharma etc to offset customer concentration.</p>
<p><b>Infrastructure risk</b></p> <p>Any disruption or deficiencies in the logistics infrastructure, including those affecting freight and container traffic could impair our operations and adversely affect our business and results of operations. Any damage to our brand image or reputation may adversely affect our growth</p>	<p>By creating entire supply chain your company can offset deficiency in one part by pivoting to others. For e.g. if rail track is closed for repair &amp; maintenance, we pivot movement to road and vice versa.</p>
<p><b>Employee risk</b></p> <p>A shortage of skilled personnel or disruptions arising from strikes and disputes with employees, may negatively impact the Company's business operations, financial performance and overall condition.</p>	<p>Your Company is well poised in term of industry best HR practices and a dedicated workforce.</p> <p>Your Company focuses a skill development and internal growth more than lateral line and always keeps a strong contingency plan in place for all eventuality.</p>
<p><b>Operational risk</b></p> <p>Western Carriers is exposed to operational risks, including accidents, equipment breakdowns and potential damage to its warehousing facilities, which may disrupt operations and affect the continuity of services.</p>	<p>Your Company follows industry best practices in PM- preventive maintenance and skill bases as well as safety training at all locations to mitigate this risk.</p>
<p><b>Technology risk</b></p> <p>The Company's operations are highly dependent on the uninterrupted performance of its technology infrastructure and systems. Any disruption or failure or challenges in adopting new technologies, may adversely affect business efficiency and overall operations.</p>	<p>Your company depends on mostly in house software and tech infra and does extreme precautions and fail safe in all IT operations per industry norms.</p>
<p><b>Financial risk</b></p> <p>Failure to meet debt obligations in a timely manner or to comply with the financial covenants and other terms and conditions of financing agreements, may have a material adverse effect on the Company's financial position.</p>	<p>Your company is well funded with low debt, decent EBIDTA and a track record of high ROE and ROCE ensuring making our debt obligation coverage at higher than optimal levels at all times.</p>

## Human resources

The Company recognises that its workforce is central to driving growth and supporting the achievement of long-term objectives. Human Resource initiatives focus on attracting, developing and retaining the right talent to ensure the organisation has the skills, capabilities and leadership required to address evolving business challenges. Acting as a strategic partner, HR enables innovation, strengthens employee engagement and builds resilience, positioning people as the Company's greatest competitive advantage. The Company is committed to providing a positive work environment and supporting the continuous development of its employees to secure long-term success. In addition, employee safety and wellbeing remain integral, with dedicated measures in place to maintain a secure, healthy and supportive workplace.

## Internal control and their adequacy

The Company has established internal financial control systems that are suited to its size, complexity and the nature of its operations. These controls are designed to ensure the accurate preparation and fair presentation of financial statements. To maintain transparency and independence, regular internal audits are conducted by an external, independent agency, with the findings and recommendations placed before the Audit Committee for review. The Board derives confidence from these audits regarding the effectiveness and reliability of the Company's financial controls. In addition, the internal audit team continuously monitors and evaluates operations to reinforce the effectiveness of these control mechanisms.

# NOTICE

**NOTICE** is hereby given that the 14<sup>th</sup> (Fourteenth) Annual General Meeting ('AGM') of the Members of **Western Carriers (India) Limited ('the Company' or 'WCIL')** will be held on Saturday, 27<sup>th</sup> September, 2025 at 10:30 A.M. **NOTES:**

1. The Ministry of Corporate Affairs ("MCA") has vide its General Circular Nos. 14/2020 dated April 8, 2020 and 17/2020 dated 13 April 2020, in relation to "Clarification on passing of ordinary and special resolutions by companies under the Companies Act, 2013 and the rules made thereunder on account of the threat posed by Covid -19", General Circular Nos. 20/2020 dated 5 May 2020, 10/2022 dated 28 December 2022 and subsequent circulars issued in this regard, the latest being general Circular no. 09/ 2024 dated 19 September 2024 in relation to "Clarification on holding of annual general meeting (AGM) through Video Conferencing (VC) or Other Audio Visual Means (OAVM)", (collectively referred to as "MCA Circulars") permitted the holding of the Annual General Meeting ("AGM") through VC/ OAVM, without the physical presence of the Members at a common venue. In compliance with MCA Circulars, the AGM of the Company is being held through VC /OAVM. The Registered Office of the Company shall be deemed to be the venue for the AGM.
2. Pursuant to the provisions of the Act, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form, Attendance Slip and route map of AGM are not annexed to this Notice.
3. The Shareholders can join the AGM through VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the AGM Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1,000 shareholders on first come first served basis as per the MCA Circulars. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee, Stakeholders Relationship Committee and Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) the Secretarial Standard on General Meetings (SS-2) issued by the ICSI and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs from time to time the Company is providing facility of remote e-Voting to its Members in respect of the businesses to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as e-voting on the date of the AGM will be provided by NSDL.
5. Institutional/ Corporate Members are required to send a scanned copy (pdf/jpg format) of its Board or governing body resolution / Authorisation letter etc. authorising its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said resolution / authorisation shall be sent to the scrutiniser by e-mail to [csllp108@gmail.com](mailto:csllp108@gmail.com) through its registered e-mail address.
6. The relevant details of Directors as mentioned under item No. 3 & 4 of the above as required by Regulation 36(3) of the SEBI LODR Regulations and Secretarial Standard-2 on General Meetings issued by the Institute of Company Secretaries of India ('ICSI') is annexed to this Notice.
7. The Explanatory Statement pursuant to the provisions of Section 102 of The Companies Act, 2013 ('the Act') read with The Companies (Management and Administration) Rules, 2014, stating all material facts and the reason / rationale under item Nos. 4, and 5 of above, is annexed to this Notice.
8. **Dispatch of AGM Notice and Annual Report through electronic mode:** The Notice of AGM and Annual Report are being sent in electronic mode to Members whose e-mail address is registered with the depository participant(s). The Notice can be accessed from the websites of Stock Exchanges i.e BSE Limited and National Stock Exchange of India Limited at [www.bseindia.com](http://www.bseindia.com) and [www.nseindia.com](http://www.nseindia.com) respectively and on website of NSDL i.e. [www.evoting.nsdl.com](http://www.evoting.nsdl.com). Members who have not registered their e-mail address are requested to register the same with their respective depository participant(s). In case of any assistance, the Members are requested to write an email to MUFG at [rnt.helpdesk@in.mpms.mufg.com](mailto:rnt.helpdesk@in.mpms.mufg.com). However, the members of the Company may request physical copy of the Notice and Annual Report from the Company by sending a request at [investors@westcong.com](mailto:investors@westcong.com) or [rnt.helpdesk@in.mpms.mufg.com](mailto:rnt.helpdesk@in.mpms.mufg.com) in case they wish to obtain the same.
9. **E-VOTING:** Pursuant to Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended and Regulation 44 of Listing Regulations, the Company is pleased to provide the facility to Members to exercise their right to vote on the resolutions proposed to be passed at AGM by electronic means. The Members, whose names appear in the Register of Members / list of Beneficial Owners as on Saturday, the 20<sup>th</sup> September 20, 2025 (Cut-off date) are entitled to vote on the resolutions set forth in this Notice.

10. Any person, who acquires shares of the Company and becomes a Member of the Company after sending of the Notice and holding shares as of the cut-off date, may obtain the login ID and password by sending a request at [evoting@nsdl.com](mailto:evoting@nsdl.com). However, if he/she is already registered with NSDL for remote e-voting then he/she can use his/her existing User ID and password for casting the vote.
11. The voting rights of Members shall be in proportion to their shares in the paid-up equity share capital of the Company as on the cut-off date.
12. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
13. Members attending the AGM through VC/OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
14. Members who are present in the meeting through VC/OAVM and have not casted their vote on resolutions through remote e-voting, shall be allowed to vote through e-voting system during the meeting.
15. Members who have cast their votes by remote e-voting prior to the AGM may also attend/participate in the AGM through VC/OAVM but shall not be entitled to cast their vote again.
16. Information regarding Scrutinizer and declaration of voting results: The Company has appointed M/s. Sharma & Trivedi LLP (AAW – 6850), Company Secretaries, Mumbai to act as the Scrutinizer, to scrutinize the entire e-voting process in a fair and transparent manner. The Members desiring to vote through remote e-voting are requested to refer to the detailed procedure given hereinafter.
17. The Scrutinizer shall, immediately after the conclusion of voting at the AGM, first count the votes cast during the AGM, thereafter unblock the votes cast through remote e-voting and make, not later than 2 days of conclusion of the AGM, a consolidated Scrutinizer's Report of the total votes cast in favour or against, if any, to the Chairman or a person authorised by him in writing, who shall countersign the same.
18. The result declared along with the scrutinizer's report shall be placed on the Company's website [www.western-carriers.com](http://www.western-carriers.com) under the head "Investors - Stock Exchange Intimations" after the result is declared by the Chairman or a person authorised by him in writing. The same shall be communicated by the Company to

the stock exchanges i.e., BSE Limited and National Stock Exchange of India Limited, within two working days of the conclusion of the AGM.

19. **INSPECTION OF DOCUMENTS:** The Register of Directors and Key Managerial Personnel and their Shareholding maintained under Section 170 of the Companies Act, 2013 and the Register of Contracts or arrangements in which Directors are interested under Section 189 of the Companies Act, 2013 will be available for inspection in electronic mode. Members can inspect the same by sending an e-mail to [investors@westcong.com](mailto:investors@westcong.com).
20. Members who have not registered their e-mail addresses, are requested to register their e-mail address for receiving all communication including Annual Report, Notices, circulars etc. from the Company electronically.
21. Instructions for e-voting and joining the AGM are as follows:

The remote e-voting period will commence at 09:00 a.m. on Wednesday, 24<sup>th</sup> September, 2025, and will end at 05:00 p.m. on Friday, 26<sup>th</sup> September, 2025. The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the Cut-off date i.e., Saturday, 20<sup>th</sup> September, 2025, may cast their vote electronically. The voting right of Members shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date. The results of the Voting shall be announced on or before Monday, the 29<sup>th</sup> September, 2025, and shall also be displayed on the Company's website and on the website of NSDL, besides communicating to the stock exchanges, where the Company's equity shares are listed.

#### **How do I vote electronically using NSDL e-Voting system?**

The way to vote electronically on NSDL e-Voting system consists of "Two Steps" which are mentioned below:

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. NSDL and CDSL.

Login type	Helpdesk details
Individual Shareholders holding securities in demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at <a href="mailto:evoting@nsdl.com">evoting@nsdl.com</a> or call at 022 - 4886 7000
Individual Shareholders holding securities in demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at <a href="mailto:helpdesk.evoting@cdslindia.com">helpdesk.evoting@cdslindia.com</a> or contact at toll free no. 1800-21-09911

## B) Login Method for e-Voting and joining virtual meeting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

### How to Log-in to NSDL e-Voting website?

- Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
- Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholder/ Member’ section.
- A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

- Your User ID details are given below:

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

5. Password details for shareholders other than Individual shareholders are given below:

- a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
- b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
- c) How to retrieve your 'initial password'?
  - (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'
  - (ii) If your email ID is not registered, please follow steps mentioned below in process for those shareholders whose email ids are not registered.

6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:

- a) Click on **"Forgot User Details/Password?"** (If you are holding shares in your demat account with NSDL or CDSL) option available on [www.evoting.nsdl.com](http://www.evoting.nsdl.com).
- b) **Physical User Reset Password?"** (If you are holding shares in physical mode) option available on [www.evoting.nsdl.com](http://www.evoting.nsdl.com).
- c) If you are still unable to get the password by aforesaid two options, you can send a request at [evoting@nsdl.com](mailto:evoting@nsdl.com) mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
- d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.

7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
8. Now, you will have to click on "Login" button.
9. After you click on the "Login" button, Home page of e-Voting will open.

## Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system.

### How to cast your vote electronically and join General Meeting on NSDL e-Voting system

1. After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle and General Meeting is in active status.
2. Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on "VC/OAVM" link placed under "Join Meeting".
3. Now you are ready for e-Voting as the Voting page opens.
4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
5. Upon confirmation, the message "Vote cast successfully" will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

### General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to [csllp108@gmail.com](mailto:csllp108@gmail.com) with a copy marked to [evoting@nsdl.com](mailto:evoting@nsdl.com) Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) can also upload their Board Resolution / Power of Attorney / Authority Letter etc. by clicking on "Upload Board Resolution / Authority Letter" displayed under "e-Voting" tab in their login.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "Forgot User Details/Password?" or "Physical User Reset Password?" option available on [www.evoting.nsdl.com](http://www.evoting.nsdl.com) to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of [www.evoting.nsdl.com](http://www.evoting.nsdl.com) or call on: 022 - 4886 7000 or send a request to Mr. Pritam Dutta, Assistant Manager at [pritamd@nsdl.com](mailto:pritamd@nsdl.com) / [evoting@nsdl.com](mailto:evoting@nsdl.com)

**Process for those shareholders whose email ids are not registered with the depositories for procuring user id and password and registration of e mail ids for e-voting for the resolutions set out in this notice:**

1. In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self-attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) by email to [investors@westcong.com](mailto:investors@westcong.com)

2. Members are encouraged to join the Meeting through Laptops for better experience.
3. Further Members will be required to allow Camera and use Internet with a good speed to avoid any disturbance during the meeting.
4. Please note that Participants Connecting from Mobile Devices or Tablets or through Laptop connecting via Mobile Hotspot may experience Audio/Video loss due to Fluctuation in their respective network. It is therefore recommended to use Stable Wi-Fi or LAN Connection to mitigate any kind of aforesaid glitches.
5. Members who would like to express their views or ask questions during the AGM may register themselves as a speaker by sending their request from their registered email address mentioning their name, DP ID and Client ID/ folio number, PAN, mobile number at [investors@westcong.com](mailto:investors@westcong.com). The Speaker Registration will open from Sunday, 21<sup>st</sup> September, 2025 (09:00 a.m. IST) to Tuesday, 23<sup>rd</sup> September, 2025 (till 05:00 p.m. IST). Those Members who have registered themselves as a speaker will only be allowed to express their views / ask questions during the AGM. The Company reserves the right to restrict the number of speakers depending on the availability of time for the AGM.
6. Members seeking any information with regard to the accounts or any matter to be placed at the AGM, are requested to write to the Company on or before Tuesday, 23<sup>rd</sup> September, 2025 through e-mail on [investors@westcong.com](mailto:investors@westcong.com). The same will be replied by the Company suitably.
7. Members who need assistance before or during the AGM, can contact NSDL on [evoting@nsdl.com](mailto:evoting@nsdl.com) or on toll free no.022 - 4886 7000.

## EXPLANATORY STATEMENT UNDER SECTION 102(1) OF THE COMPANIES ACT, 2013:

Explanatory Statement relating to the business mentioned in Item No. 4 & 5 of the accompanying Notice of the Annual General Meeting (AGM) is given below:

### ITEM No.4

#### **Continuation of the Directorship of Mrs. Sushila Sethia (DIN: 00268016), as Whole-time Director, who will attain the age of Seventy (70) years in this financial year:**

Pursuant to the provisions of Section 152 and other applicable provisions of the Companies Act, 2013, Mrs. Sushila Sethia (DIN: 00268016), Whole-time Director, designated as Executive Director of the Company, retires by rotation at this meeting.

Considering her valuable contributions towards the business growth since the incorporation of the Company and on the recommendation of Nomination and Remuneration Committee, the Board of Directors have recommended her re-appointment as a Director liable to retire by rotation. The re-appointment of Mrs. Sushila Sethia, as a Director, shall not in any way constitute a break in her existing office as the Executive Director of the Company. The resolution is proposed to be passed as a Special Resolution, considering continuation of her Directorship after attaining the age of 70 years on November 06, 2025.

The detail of the ensuing re-appointment of Mrs. Sushila Sethia, is provided in accordance with the Regulation 36(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and in terms of Secretarial Standard – 2 (SS-2) of the Institute of the Company Secretaries of India, as an annexure and forms part of this Notice and the Explanatory Statement.

None of the Directors, Key Managerial Personnel and the Relatives, except Mrs. Sushila Sethia (appointee), her spouse Mr. Rajendra Sethia (Chairman and Managing Director of the Company) and her son Mr. Kanishka Sethia (Whole-time Director, CEO and CFO of the Company) may be deemed to be concerned or interested directly or indirectly, financially or otherwise in the proposed resolution.

The Board of Directors of your Company accordingly recommends the resolution as set out in Item No.4 of the accompanying notice for the approval of the members as a Special resolution.

#### **Item No. 5: Appointment of Mr. Ashok Kumar Daga, Practicing Company Secretary, as the Secretarial Auditor of the Company:**

This explanatory statement is provided in accordance with Regulation 36(5) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"). In accordance with the provisions of Section 204 and other applicable provisions of the Companies Act, 2013, read with Rule 9 of the Companies (Appointment & Remuneration of Managerial Personnel) Rules, 2014 (including any statutory

modification(s) or re-enactment(s) thereof, for the time being in force) ("the Act"), every Listed Company and certain other prescribed categories of companies are required to annex a Secretarial Audit Report, issued by a Practicing Company Secretary, to their Board's Report, prepared under Section 134(3) of the Act.

Furthermore, pursuant to the recent amendments to Regulation 24A of the SEBI Listing Regulations, every listed entity is required to conduct a Secretarial Audit and annex the Secretarial Audit Report to its Annual Report. Additionally, a listed entity must appoint a Secretarial Audit firm for a maximum of two terms of five consecutive years, with shareholder approval to be obtained at the Annual General Meeting.

On the recommendation of the Audit Committee, the Board of Directors of the Company, subject to the approval of the Members of the Company has appointed Mr. Ashok Kumar Daga, Practicing Company Secretary, as the Secretarial Auditor of the Company, on the following terms and conditions:

**Tenure of appointment:** 5 (Five) consecutive years to hold office from the Financial Year 2025-26 to 2029-30.

**Fees:** Fees as may be mutually agreed between the Secretarial Auditor and the Board of Directors upon the recommendations of the Audit Committee. The fee is based on knowledge, expertise, industry experience, time and efforts required to be put in by the Secretarial auditors, which is in line with the industry benchmark. The payment for services in the nature of certifications and other professional work will be in addition to the Secretarial audit fee and shall be determined by the Board of Directors of the Company or the committee thereof.

**Basis of recommendations:** On the basis of previous experience based on the evaluation of the quality of audit work done by the secretarial auditor in the past The Audit Committee and the Board of Directors have approved & recommended the aforementioned proposal for approval of Members taking into account the eligibility criteria & qualification prescribed under the Companies Act 2013 & rules made there under and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations").

**Brief Profile:** Mr. Ashok Kumar Daga is a qualified Company Secretary from Institute of Company Secretaries of India the (ICSI) and a Bachelor of Legislative Law (LLB) from Calcutta University. As a fellow member of the ICSI, Mr. Daga is working as a Practicing Company Secretary (Membership No. FCS No. 2699, CP No. 2948 of ICSI) with a Peer Review certificate No. 1550/2021 and UID No. 11998WB122000. He is enriched with experience of over three decades in the field of company secretarial and other compliance matters. Prior to this proposed appointment, he has been earlier associated as the Secretarial Auditor of the Company and has demonstrated his expertise and proficiency in handling Secretarial audits of the Company till date. He is also the Secretarial Auditor of

other renowned companies as well. Mr. Ashok Kumar Daga is well-equipped to manage the scale, diversity, and complexity associated with the Secretarial Audit of the Company.

**Consent and Eligibility:** Mr. Ashok Kumar Daga has given his consent to act as Secretarial Auditors of the Company and confirmed that his aforesaid appointment (if made) would be within the prescribed limits under the Companies Act 2013 & rules made thereunder and SEBI Listing Regulation. He has also confirmed that he is not disqualified to be appointed as Secretarial Auditors in term of provisions of the Companies Act, 2013, the Companies Secretaries Act, 1980 and rules and regulations made thereunder and the SEBI Listing Regulations read with SEBI Circular dated December 31, 2024.

The Board of Directors recommends the resolution for approval by the Members, as set out at Item No. 5 of the Notice, as an Ordinary Resolution.

None of the Directors, Key Managerial Personnel (KMP), or their relatives have any financial or other interest in the proposed resolution.

## Annexure to 14<sup>th</sup> Annual General Meeting Notice for Item No. 3 & 4

# Board's Report

To  
The Members of  
**Western Carriers (India) Limited**

Your Board of Directors ("Board" or "Directors") hereby present their 14<sup>th</sup> Board's Report ('this Report') highlighting the business and operations of **Western Carriers (India) Limited** ("the Company" or "WCIL") along with the Audited Standalone and Consolidated Financial Statements of your Company for the Financial Year ended March 31, 2025 ("Financial Year under review" or "Financial Year 2024-25"). The Financial Year 2024-25 has been a milestone year in our journey and the Directors hereby place on record their gratitude to all the shareholders and other stakeholders for their overwhelming response to the Company's IPO and for reiterating their faith in its long-term growth story.

The consolidated performance of the Company, including its associate companies, has been referred to wherever required.

## 1. FINANCIAL SUMMARY AND OPERATIONAL HIGHLIGHTS:

Below is a condensed overview of the financial performance of the Company for the Financial Year ended March 31, 2025 and March 31, 2024.

(Amounts in ₹ Million, unless stated otherwise)

Particulars	Standalone		Consolidated	
	Amount		Amount	
	Financial year 2024-2025	Financial year 2023-2024	Financial year 2024-2025	Financial year 2023-2024

<b>Total Comprehensive Income for the year</b>	<b>649.15</b>	<b>799.40</b>	<b>649.17</b>	<b>799.61</b>
<b>Earnings Per Share (Face Value of Share ₹ 5/- each)</b>				
Basic (₹)	7.16	10.21	7.16	10.21
Diluted (₹)	7.16	10.21	7.16	10.21

\*The standalone as well as the consolidated financial statement have been prepared in accordance with the Indian Accounting Standards (Ind AS).

The financial year 2024-25 was a year that tested the strength and resilience of the entire logistics sector. It is a year marked by resilience, execution, and consolidation. However, despite several external headwinds, including the geopolitical disruptions and global trade uncertainties, your Company has managed to deliver a stable performance, particularly given by the domestic segment, while also making meaningful progress in strategic areas that position us very well for the future.

In financial year 2024-25, standalone revenue of ₹ 17,257.20 Million was reported, an increase of 2.37%, from ₹ 16,857.69 Million in the previous financial year. Due to the factors mentioned above, the EBITDA declined

to ₹ 1,199.35 Million from ₹ 1,460.61 Million in previous financial year; Profit Before Tax ("PBT") declined to ₹ 878.33 Million from ₹ 1,083.84 Million; PAT declined to ₹ 651.28 Million in financial year 2024-25 compared to ₹ 803.26 Million in previous financial year; and the Earnings Per Share (EPS) stood at ₹ 7.16 compared to ₹ 10.21 in the previous financial year.

## 2. DIVIDEND:

To conserve the resources for future growth, the Board of Directors of your Company have not recommended any dividend against the Equity Shares of the Company for the financial year under review.

### 3. TRANSFER TO RESERVES:

The Board has decided not to transfer any amount to the General Reserves for the financial year under review. The profits earned during the financial year have been retained in the Profit & Loss Account of the Company for business and operations of the Company.

### 4. CHANGE IN SHARE CAPITAL:

The Share Capital of the Company underwent changes during the financial year 2024-25 as follows:

## SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED – 31.03.2025

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,  
The Members,  
**Western Carriers (India) Limited**  
2/6 Sarat Bose Road, 2<sup>nd</sup> floor  
Kolkata – 700020

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **WESTERN CARRIERS (INDIA) LIMITED** (CIN: L63090WB2011PLC161111) (hereinafter called the Company). The Secretarial Audit was conducted in accordance with the Guidance Note issued by the Institute of Company Secretaries of India (A statutory body constituted under the Company Secretaries Act, 1980) and in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

The Company's Management is responsible for preparation and maintenance of secretarial records and for devising proper systems to ensure compliance with the provisions of applicable laws and regulations.

Our responsibility is to express an opinion on the secretarial records, standards and procedures followed by the Company with respect to secretarial compliances.

We believe that audit evidence and information obtained from the Company's management is adequate and appropriate for us to provide a basis for our opinion.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and read with the Statutory Auditors' Report on Financial Statements and also the information provided by the Company, its officers; agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion and to the best of our information, knowledge and belief and according to the explanations given to us, the company has, during the audit period covering the financial year ended on 31.03.2025 generally complied with the applicable statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by

**WESTERN CARRIERS (INDIA) LIMITED** for the financial year ended on 31.03.2025 according to the applicable provisions of:

1. The Companies Act, 2013 (the Act) and the rules made thereunder;
2. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
3. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
4. Foreign Exchange Management Act; 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings to the extent applicable to the company;
5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable to the company:-
  - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
  - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009.
  - d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999.
  - e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008.
  - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act

and dealing with client - **The Company has duly appointed a SEBI authorized Category I Registrar and Share Transfer Agent as required under Law.**

- g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009. **No Delisting was done during the year.**
- h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998. **No buy - back was done during the year; and**

Other laws applicable specifically to the Company:

Based on the information provided by the Company, the specific laws applicable to the Company are as follows:

- a) The Multi Modal Transportation of Goods Act 1993
- b) Carriage by Road Act, 2007
- c) Customs Act 1962, and related regulations
- d) The Motor Vehicles Act 1988 and related regulations
- e) Customs Brokers Licensing Regulations, 2018

We have also examined compliance with the applicable clauses of the following:

1. The Secretarial Standards issued by The Institute of Company Secretaries of India.
2. The Securities and Exchange Board of India (Listing Obligations & Disclosure Requirements) Regulations, 2015.
3. Listing Agreements entered into by the Company with the BSE Limited ('BSE') and National Stock Exchange of India Limited ('NSE').

During the period under review the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following observations:

1. Cost Audit is not applicable to the Company.
2. The Company had filed an appeal against the Order passed by Registrar of Companies before Regional Director, Eastern Region under section 454 of the Companies Act, 2013 for the adjudication of the penalty for violation of section 203 of the Companies Act, 2013. The Regional Director, Eastern Region confirms the order of the Registrar of Companies vide its order dated 09<sup>th</sup> July, 2024 and imposed a maximum penalty of aggregating to ₹ 30,88,000/- (Rupees Thirty Lakhs Eighty Eight Thousands only) on the Company, Directors and Officers-in-Default. The amount of penalty imposed on the company is ₹ 5,00,000/- (Rupees Five Lakhs only). Further, the Company, Directors and Officers-in-Default paid the aforesaid part of their penalty amount within the prescribed time.

#### We further report that:

Based on the information provided by the Company, its officers and authorized representatives during the conduct of the audit, and also on the review of compliance reports by the respective Department Heads / Company Secretary / CEO / KMP taken on record by the Board of Directors of the Company, in our opinion, adequate systems and processes and control mechanism exist in the Company to monitor and ensure compliance with applicable general laws like labour laws, competition law, environmental laws and all other applicable laws, rules, regulations and guidelines. The Company has responded to notices for demands, claims, penalties etc. levied, if any, by various statutory / regulatory authorities and initiated actions for corrective measures, wherever necessary.

**We further report that** as far as we have been able to ascertain -

1. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Independent Directors including Woman Director. The following changes occurred in Directors and KMP.

Sr. No.	Name of the Director	Particulars of Change
1	Mr. Dinesh Kumar Mantri, Chief Financial Officer (Key Managerial Personnel)	retired from the Company on January 17, 2025 having attained the age of superannuation.

2. During the audit period the Company increased its authorised share capital 667.50 Million divided into 103,500,000 equity shares of ₹ 5/- each and 15,000,000 redeemable non-cumulative preference shares of ₹ 10/- each pursuant to the approval of shareholders at the extra ordinary general meeting of the Company held on September 16, 2024.
3. During the audit period the Company allotted 2,32,55,813 Equity Shares of face value of ₹ 5/- each amounting 116.28 Million in view of the Initial Public Offer (IPO), on September 20, 2024.
4. Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. In case of meeting(s) called at shorter notice, the necessary quorum was present and complied with the requirements of the applicable laws.

Majority decision is carried through while the dissenting members' views, if any, are captured and recorded as part of the minutes.

5. We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.
6. We further report that during the audit period the Company had filed its Red Herring Prospectus dated September 07, 2024 and Prospectus dated September 20, 2024 and 10,19,55,213 Equity Shares of ₹ 5/- each of the Company have been listed on BSE and NSE w.e.f. September 24, 2024.

**We further report that** during the audit period, there were **no other events, other than those stated above** viz.:

- (i) Public/Right/Preferential issue of shares /Sweat equity;
- (ii) Buy-back of securities;
- (iii) Major decisions taken by the members pursuant to Section 180 of the Companies Act, 2013, except the above-mentioned one;
- (iv) Merger / amalgamation / re-construction, etc.; and
- (v) Foreign technical collaborations;

or such other specific events / actions in pursuance of the above referred laws, rules, regulations, guidelines, etc., having any bearing on the Company's affairs.

It is stated that the compliance of all the applicable provisions of the Companies Act, 2013 and other laws is the responsibility

of the management. We have relied on the representation made by the company and its Officers for systems and mechanism set-up by the company for compliances under applicable laws. Our examination, on a test-check basis, was limited to procedures followed by the Company for ensuring the compliance with the said provisions. We state that such compliance is neither an assurance as to the viability of the Company's performance nor the efficiency or effectiveness with which the management has conducted its affairs. We further state that this is neither an audit nor an expression of opinion on the financial activities / statements of the Company. Moreover, we have not covered any matter related to any other law which may be applicable to the Company except the aforementioned corporate laws of the Union of India.

### ANNUAL REPORT ON CORPORATE SOCIAL RESPONSIBILITY (CSR) ACTIVITIES

[Pursuant to Section 134(3)(o) of the Companies Act, 2013 read with the Companies (Corporate Social Responsibility Policy) Rules, 2014, as amended]

**1) Brief outline on CSR Policy of the Company:** In line with its fundamental and consistent commitment to quality, welfare, sustainable development of Communities and corporate compliance the Company seeks to respond to the needs of less privileged communities, in a sensitive and impactful manner and enable these communities to achieve a better quality of life. As a responsible corporate citizen, the Company contributes towards inclusive growth by empowering communities and accelerating development. The main objective of the Company towards Corporate Social Responsibility is:

- To ensure that it is committed to operate its business in an economically, socially, and environmentally sustainable manner, while recognizing the interests of all its stakeholders;
- To take up programmes that benefits the communities in and around its work centres and over a period, results in enhancing the quality of life of the people in the area of its business operations; and
- To generate a community goodwill for the Company and help reinforce a positive and socially responsible image of the Company as a good corporate citizen of the Country.

To attain our objective, vision and mission, our approach will be that CSR activities are being undertaken by the business in multiple ways-independently with registered Implementing Agencies.

The CSR initiative undertaken by the Company is in alignment with the requirements of Schedule VII of Section 135 of the Act read with The Companies (Corporate Social Responsibility Policy) Rules, 2014 (including any statutory modification(s) or re-enactment(s) thereof as applicable from time to time.

7	Mr. Dinesh Kumar Mantri*	Chief Financial Officer	3.82	NA	NA
8	Ms. Sapna Kochar	Company Secretary & Compliance Officer	0.72	2.79	0

<sup>^</sup>Revised by the approval of the Shareholders was approved by the shareholders by means of Special Resolution passed in the Extra- Ordinary General Meeting held on 23<sup>rd</sup> March, 2024.

<sup>#</sup>Mr. Kanishka Sethia, was approved additional charge of office Chief Financial Officer along with current designation w.e.f. April 12, 2025.

\*Mr. Dinesh Kumar Mantri, Chief Financial Officer retired w.e.f January 17, 2025.

#### Notes:

- The Independent Directors were paid only Sitting fees for attending Board and Committee Meetings held and no other remuneration was paid to them during the financial year 2024-25.

#### 1. The ratio of the remuneration of each Director to the median remuneration of the employees of the Company for the financial year:

The median remuneration of permanent employees of the Company during the financial year under review was ₹ 0.26 Million and ratio of remuneration of each Director to the median remuneration of the employees of the Company is provided in table above.

For the purpose of computation of median remuneration only permanent employees on the payrolls of the Company to whom the remuneration was paid during the financial year 2024-25 have been considered.

#### 2. The percentage increase in remuneration of each Director, Chief Financial Officer, Chief Executive Officer, Company Secretary or Manager, if any, in the financial year:

Provided in table above.

#### 3. Percentage increase in the median remuneration of employees in the financial year:

There was an increase of 13.04 % in the median remuneration of employees in financial year 2024-25 vis-à-vis financial year 2023-24.

#### 4. Number of permanent employees on the rolls of Company:

There were 1477 permanent employees on the rolls of Company as on 31 March, 2025.

**5. Average percentile increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration:**

The average percentile increase in salaries of employees was 5% as compared to an average percentile increase of 100 % of managerial remuneration. The increase in the managerial remuneration is in line with Nomination and Remuneration Policy, market trends and performance criteria as determined by the Board of Directors, on the basis of the recommendation of the Nomination and Remuneration Committee.

The managerial remuneration of Mr. Kanishka Sethia was revised with the approval of the Shareholders by means of Special Resolution passed in the Extra-Ordinary General Meeting held on 23<sup>rd</sup> March, 2024.

While deciding the remuneration, various factors such as Director's participation in Board and Committee Meetings during the year, other responsibilities undertaken, such as Membership or Chairmanship of Committees, time spent in carrying out other duties, role and functions

as envisaged in Schedule IV of the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and such other factors as the Nomination and Remuneration Committee may deem fit etc. were taken into consideration.

**6. Affirmation that the remuneration is as per the remuneration policy of the Company:**

It is hereby affirmed that the remuneration paid is as per the remuneration policy of the Company.

# Report on Corporate Governance

In compliance with Regulation 34(3) read with Schedule V of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI LODR Regulations') the Board of Directors hereby present the Corporate Governance Report ('this Report') for the financial year ended March 31, 2025. The shares of the Company are listed with the Stock Exchanges with effect from 24<sup>th</sup> September, 2024.

## COMPANY PHILOSOPHY ON CORPORATE GOVERNANCE:

Your Company's Corporate Governance philosophy is based on transparency, accountability, values and ethics, which forms an integral part of the Management's initiative

## Core principles of Corporate Governance are

## BOARD OF DIRECTORS:

The Board of Directors plays a pivotal role in achieving and upholding ideal governance within the Company. By providing strategic direction, ensuring transparency, and fostering accountability, the Board ensures that the Company adheres to the highest standards of corporate governance. It holds the responsibility of monitoring performance, overseeing risk management, and maintaining robust internal controls to safeguard the interests of stakeholders, including shareholders, employees, and the community. Through its diverse composition, the Board brings a range of expertise, perspectives, and independent judgment, which collectively

in its ongoing pursuit towards achieving excellence, growth and value creation. The Company has always given its best efforts to uphold and nurture these values across all operational aspects. Your Board of Directors unequivocally support the principles of Corporate Governance. Great emphasis is placed on values such as empowerment and integrity of its employees, transparency in decision making process, fairness, honesty, accountability in dealings with its dealers, customers, business associates, government, all its stakeholders and the well-being of the employees.

guide the Company towards long-term success. The Board's commitment to ethical practices, compliance with legal requirements, and continuous improvements in governance structures ensures the Company's operations remain aligned with best practices, ultimately contributing to sustainable growth and value creation.

- a) **Board Composition:** The Board comprises of 6 (Six) Directors out of which 3 (Three) are Executive Directors including 1 (One) Executive Woman Director and 3 (Three) are Non-Executive Independent Directors including 1 (One) Independent Woman Director. The 3 (Three) Executive Directors are from Promoter / Promoter

Group. The Board has an optimum combination of Executive and Non-Executive Directors with half of the Board comprising of Independent Directors. The Board encompasses members with complementary skills, attributes, perspectives, expertise in critical areas and diverse backgrounds that allow them to make effective contribution to the Board and its Committees as required in connection with the business, strategy and transparency.

- b) Board Meetings:** The Board meets at regular intervals to discuss and decide on Company's Business policy and strategy apart from other Board businesses. The agenda, notes to agenda and explanatory statement are generally circulated seven days prior to the meeting. All the relevant material documents are circulated to all Directors before the meeting, including minimum information required to be made available to the Board as prescribed under Regulation 17(7) read with Part A of Schedule II of the SEBI LODR Regulations. The Agenda

for the Board and Committee Meetings covers items set out as per the guidelines in SEBI LODR Regulations to the extent it is relevant and applicable. In case of business exigencies or urgency, meetings are convened at a shorter notice with appropriate approvals. Further, in case of a special and urgent business needs, the Board's approval is taken by passing resolutions through circulation, as permitted by law, which are noted and confirmed in the subsequent Board Meeting. The Company adheres to the provisions of the Act and the Rules made thereunder, Secretarial Standards and SEBI LODR Regulations with respect to convening and holding the meetings of the Board and its Committees of the Company.

- c) Number of Board Meetings:** During the financial year 2024-25, 15 (Fifteen) meetings of the Board of Directors were held, details of which are given below and the maximum gap between two meetings did not exceed one hundred and twenty days.

Sr. No.	Date of Meeting	Board Strength	No. of Directors Present

4	August 26, 2024	6	6
5	August 27, 2024	6	6
6	August 29, 2024	6	5
7	September 05, 2024	6	6
8	September 06, 2024	6	6
9	September 07, 2024	6	6
10	September 15, 2024	6	6
11	September 20, 2024	6	6
12	September 20, 2024	6	6
13	October 09, 2024	6	5
14	November 13, 2024	6	5
15	February 07, 2025	6	5

The necessary quorum was present throughout the meeting.

The Composition and Category of Directors, attendance of each director present at the meeting of Board of Directors for the financial year 2024-25 and the previous Annual General Meeting is stated as follows:

Name of Director	Director Identification Number (DIN)	Category	No. of Board Meetings Entitled to attend	No. of Board Meetings attended	Attendance at last AGM (September 05, 2024)
Rajendra Sethia	00267974	Chairman & Managing Director (Promoter)	15	12	Yes
Kanishka Sethia	00267232	Whole-time Director, CEO & CFO (Promoter)	15	15	Yes
Sushila Sethia	00268016	Whole-time Director (Promoter Group)	15	15	Yes
Bipradas Bhattacharjee	07450712	Non-Executive Independent Director	15	15	Yes
Sunil Munshi	02749579	Non-Executive Independent Director	15	14	Yes
Rajni Mishra	07706571	Non-Executive Independent Director	15	14	Yes

**Separate Meeting of Independent Directors:**

For the Board to exercise free and fair judgment in all matters related to the functioning of the Company as well as the Board, it is important for the Independent Directors to have meetings without the presence of the Non-Independent Directors and Executive Management of the Company.

In accordance with Schedule IV of the Act and Regulation 25(3) of SEBI LODR Regulations, the Independent Directors of the Company met twice. At such meetings, the Independent Directors, inter alia, discussed on price band for Initial Public

Offer ('IPO'), reviewed the performance of Non-Independent Directors, the Board as a whole, Chairperson of the Company and assessed the quality, quantity and timeliness of flow of information between the Company's management and the Board that is necessary for the Board to perform its duties effectively and reasonably.

During the financial year 2024-25, the Independent Directors held 2 (Two) meetings on September 09, 2024 and March 11, 2025. The details of attendance of Independent Directors Meeting are stated as follows:

Name of Independent Directors	No. of Meetings Entitled to attend	No. of Meetings attended
Bipradas Bhattacharjee	2	2
Sunil Munshi	2	2
Rajni Mishra	2	2

**Declaration from Independent Directors:**

The Independent Directors have submitted their declaration of Independence, stating that:

- they meet the criteria of independence as prescribed under Section 149(6) of the Act, read with the Schedule and Rules issued thereunder and Regulation 16(1)(b) and 25(8) of SEBI LODR Regulations. There has been no change in the circumstances affecting their status as Independent Directors of the Company.
- they have complied with the Code for Independent Directors prescribed under Schedule IV to the Act.
- they have registered themselves with the Independent Director's Database maintained by the Indian Institute of Corporate Affairs.

The Board is of the opinion that the Independent Directors of the Company possess requisite qualifications, skills, experience and expertise and they hold highest standards of integrity that is required to discharge their duties with an objective of independent judgment and without any external influence and fulfils all the conditions specified in the Act and SEBI LODR Regulations and are independent of the management.

**Board Skills:**

The Board of Directors brings together a diverse set of skills and expertise that are essential for the Company's success. Their strategic vision drives business development, while a strong foundation in corporate governance ensures robust oversight. Their operational acumen, combined with expertise in financial, legal, and risk management, strengthens our resilience, and their insights into business, operations, marketing and innovation fuel our growth and competitiveness. The Board, in consultation with the Nomination and Remuneration Committee, has meticulously identified the essential skills, expertise and competencies required, aligning them with the Company's current and future objectives and the expectations of its stakeholders. Further, the criteria for Board membership and their evaluation are thoughtfully crafted under the guidance of the Nomination and Remuneration Committee (NRC).

The Board comprises of distinguished individuals, each bringing a wealth of expertise and experience from various domains. They are fully committed to their roles and responsibilities towards the Company's stakeholders, upholding their duties as defined by the Companies Act, 2013 ('the Act') and other applicable laws, rules and regulations. Together, the Board represents a dynamic mix of professionalism, diverse knowledge, industry insight and business acumen, ensuring effective governance and alignment with the Board Diversity Policy adopted by the Company.

## CHART OR MATRIX SETTING OUT THE SKILLS/EXPERTISE/ COMPETENCE OF THE BOARD

The Company believes that it is the collective effectiveness of the Board that impacts Company's performance. - n) reviewing and approving compensation strategy from time to time in the context of the then current Indian market in accordance with applicable laws;
- o) framing suitable policies and systems to ensure that there is no violation, by an employee of any applicable laws in India or overseas, including:
  - i. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015, as amended; or
  - ii. The Securities and Exchange Board of India (Prohibition of Fraudulent and Unfair Trade Practices relating to the Securities Market) Regulations, 2003, as amended; and
- p) performing such other functions as may be delegated by the Board and/or prescribed under the SEBI Listing Regulations, the Companies Act, or other applicable law.

#### Performance Evaluation:

In terms of the requirements of the Act and SEBI LODR Regulations, a formal evaluation of performance of the Board, Committees to the Board, Chairperson of the Company and Directors which includes Independent Directors of the Company was undertaken during the financial year 2024-25, with an aim to improve the effectiveness of the Board and its Committees of the Company.

#### EVALUATION CRITERIA

The Committee shall evaluate the performance of each director of the Company under the Nomination and Remuneration Policy of the Company framed in accordance with the provisions of section 178 of the Act.

Independent Directors are duty bound to evaluate the performance of non-independent directors, chairperson of the Company and the Board. The Act empowers the Independent Directors to hold separate meeting without the presence of other directors to assess the performance of Board.

Evaluation of Independent Directors shall be carried on by the entire Board which shall include- (a) performance of the directors, and (b) fulfilment of the independence criteria as specified in the Listing Regulations and their independence from the management. The directors who are subject to evaluation shall not be allowed to participate.

The Board of Directors shall take into consideration the following parameters for the purpose of evaluating the performance of a particular director:

In respect of each of the evaluation parameters, various descriptors have been provided to assist with the evaluation process in respect of performance of Board itself; and of its committees and individual directors, as such evaluation factors may vary in accordance with their respective functions and duties.

The evaluation scale is a five-point scale - Appraisal of each Director of the Company by the other Directors shall be based on the criteria as mentioned herein below:

## RATING SCALE

Scale	Performance
5	Outstanding
4	Exceeds Expectations
3	Meets Expectations
2	Needs Improvement
1	Poor

## BOARD PERFORMANCE EVALUATION PROCESS

### 1. Independent Directors

Some of the specific issues and questions that should be considered in the performance evaluation of an Independent Director (the exercise in which the concerned director being evaluated shall not be included) are set out below:

Sr. No.	Assessment Criteria
1	Attendance and participations in the Meetings and timely inputs on the minutes of the meetings
2	Adherence to ethical standards & code of conduct of Company and disclosure of non-independence, as and when it exists and disclosure of interest
3	Raising of valid concerns to the Board and constructive contribution to resolution of issues at meetings
4	Interpersonal relations with other directors and management
5	Objective evaluation of Board's performance, rendering independent, unbiased opinion
6	Understanding of the Company and the external environment in which it operates and contribution to strategic direction
7	Safeguarding interest of whistle-blowers under vigil mechanism and safeguarding of confidential information

This process of evaluation shall be done by the entire Board excluding the director who is being evaluated, and the Nomination and Remuneration Committee. Based on the above criteria each of the Independent Directors has to be assessed by giving a rating as per the Rating Scale mentioned above. The total of the ratings so awarded will be averaged over the number of persons who have awarded the rating.

Assistance in conducting the process of evaluation shall be provided by a person as authorized by the Board and for this purpose, such person shall report to the Board.

### 2. Non-Independent Directors / Managing Director / Other Directors

Some of the specific issues and questions that should be considered in a performance evaluation of Non- Independent Director / MD/ Other Directors are set out below:

Sr. No.	Assessment Criteria
1	Attendance, participations in the Board meetings and timely inputs on the minutes of the meetings
2	Contribution towards growth of the Company including actual vs budgeted performance
3	Leadership initiative, like new ideas and planning for the growth of the Company and steps initiated for branding of the Company
4	Adherence to ethical standards and code of conduct of Company
5	Team work attributes and supervising and training of staff members
6	Compliance with policies, reporting of frauds, violation etc. and disclosure of interest
7	Safeguarding of interest of whistle blowers under vigil mechanism and safeguarding of confidential information

Based on the above criteria each of the Non-Independent Directors / Managing Director / Other Directors has to be assessed by giving a rating as mentioned above. The total number of ratings awarded will be averaged over the number of persons who have awarded the rating.

This process of evaluation shall be done by the entire Board excluding the director who is being evaluated, and the Nomination and Remuneration Committee. Assistance in handling the process will be provided by a person so authorized by the Board, and for this purpose, the person will report to the Board.

### 3. Board of Directors

Some of the specific issues and questions that should be considered in a performance evaluation of the entire Board by the Independent Directors are set out below:

Sr. No.	Assessment Criteria
1	Is the composition of the Board appropriate with the right mix of knowledge and skills required to drive organizational performance in the light of future strategy?
2	Members of the Board meet all applicable independence requirements
3	The Board is effective- in establishing a corporate environment that promotes timely and effective disclosure, fiscal accountability, high ethical standards and compliance with applicable laws and regulations
4	The Board is effective in developing a corporate governance structure that allows and encourages the Board to fulfil its responsibilities.
5	The Company's systems of control are effective for identifying material risks and reporting material violations of policies and law and the Board is provided with sufficient information about material risks and problems that affects the Company's business and prospects.
6	The Board receives regular financial updates and takes all necessary steps to ensure the operations of the organization are sound and reviews the organization's performance in carrying out the stated mission on a regular basis.
7	Are sufficient numbers of Board meetings, of appropriate length, being held to enable proper consideration of issues?
8	The information provided to directors prior to Board meetings meets expectations in terms of length and level of detail and Board members come prepared to meetings and ask appropriate questions of management and address issues that might present a conflict of interest.
9	Board meetings are conducted in a manner that encourages open communication, meaningful participation, and timely resolution.
10	The Chairman of the Board effectively and appropriately leads and facilitates the Board meetings and the policy and governance work of the Board.
11	Nomination and appointment of Board members and their remuneration follow clearly established procedures using known criteria as laid down by the Nomination and Remuneration Committee.
12	The Board oversees the role of the independent auditor from selection to termination and has an effective process to evaluate the independent auditor's qualifications and performance (through its audit committee).
13	Company has a system for corporate social responsibility, stakeholder relationships and for prohibition of insider trading.
14	Company has necessary Committees which are required and these Committees are working effectively.

Based on the above criteria the Board has to be assessed by giving a rating as mentioned above. The total number of the ratings awarded will be averaged over the number of persons who have awarded the ratings. The process of evaluation shall be done by Independent Directors only. Assistance in the process will be provided by a person so authorized by the Board, and for this purpose the person will report to the Board.

The Nomination and Remuneration Committee is required to meet at least once every year in accordance with the SEBI Listing Regulations. The Board has designated Company Secretary & Compliance Officer of the Company to act as Secretary to the Audit Committee.

### E-VOTING:

E-voting is a common internet infrastructure that enables investors to vote electronically on resolutions of companies. Investors can now vote on resolutions requiring voting through Postal Ballot as per the applicable rules and regulations without sending their votes through post. The Company will also have the E-voting facility for the items to be transacted at the ensuing Annual General Meeting. The Ministry of Corporate Affairs has authorized NSDL and CDSL for setting up electronic platform to facilitate casting of votes in electronic form. The Company has made arrangement with NSDL for availing e-voting facilities.

### MANAGING DIRECTOR & CHIEF FINANCIAL OFFICER CERTIFICATION

[In terms of Regulation 17(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015]

To,  
The Board of Directors,  
**Western Carriers (India) Limited**  
Kolkata, West Bengal

We, Rajendra Sethia, Chairman & Managing Director and Kanishka Sethia, Wholetime Director, Chief Executive Officer & Chief Financial Officer, in our respective capacities hereby certify that:

- A. We have reviewed financial statements and the cash flow statement for the financial year ended March 31, 2025 and that to the best of our knowledge and belief:
  - (1) these statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
  - (2) these statements together present a true and fair view of the Company's affairs and are in compliance with existing accounting standards, applicable laws and regulations.
- B. To the best of their knowledge and belief, no transactions entered into by the Company during the financial year ended March 31, 2025 which are fraudulent, illegal or violative of the Company's code of conduct.
- C. We accept responsibility for establishing and maintaining internal controls for financial reporting and that we have evaluated the effectiveness of internal control systems of the Company pertaining to financial reporting and have disclosed to the auditors and the audit committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps we have taken or propose to take to rectify these deficiencies.
- D. We have indicated to the auditors and the Audit committee that:
  - (i) There were no significant changes in internal control over financial reporting during the period;
  - (ii) there are no significant changes in accounting policies during the year; and
  - (iii) There were no instances of significant fraud of which we have become aware and the involvement therein, if any, of the Management or an employee having a significant role in the Company's internal control system over financial reporting.

# Independent Auditor's Report

To  
The Members of  
**Western Carriers (India) Limited**

## Report on the Audit of the Standalone Financial Statements

### Opinion

We have audited the accompanying standalone financial statements of Western Carriers (India) Limited ("the Company"), which comprise the Standalone Balance Sheet as at March 31, 2025, the Standalone Statement of Profit and Loss (including the Other Comprehensive Income), the Standalone Statement of Cash Flow and the Standalone Statement of Changes in Equity for the year then ended, and notes to the standalone financial statements, including material accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

1. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

### Basis for Opinion

2. We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143 (10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

## Information Other than the Standalone Financial Statements and Auditor's Report thereon

3. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's Report but does not include the standalone financial statements and our auditor's report thereon.
4. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
5. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

6. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, statement of cash flows and statement of changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation

and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

7. In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

8. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.
9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
  11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Report on Other Legal and Regulatory Requirements**

12. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **"Annexure B"** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
13. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

- (c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including the Other Comprehensive Income), the Standalone Statement Cash Flows and the Standalone Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act;
- (e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls with reference to these standalone financial statements and the operating effectiveness of such controls, refer to our separate Report in “Annexure A” to this report;
- (g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations as on March 31, 2025 on its financial position in the standalone financial statements- refer note 31 to the Standalone Financial Statements.
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2025.
  - iv. a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
  - b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
  - c) Based on such audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
  - v. No dividend has been declared or paid during the year by the Company.
  - vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility, except that audit trail have been not enabled at the database level to log any direct changes for the accounting software used for maintaining the books of account. For accounting software for which audit trail feature is enabled, the audit trail facility has been operating throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.
14. The Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act;

## Annexure “A” to the Independent Auditor’s Report of Western Carriers (India) Limited

Refer to the paragraph 14(f) of the Independent Auditor’s Report of even date to the members of Western Carriers (India) Limited on the standalone financial statements as of and for the year ended March 31, 2025.

### Report on the Internal Financial Controls with reference to Standalone Financial Statement under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

1. We have audited the internal financial controls with reference to standalone financial statements of Western Carriers (India) Limited (“the Company”) as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### Management’s Responsibility for Internal Financial Controls

2. The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### Auditor’s Responsibility

3. Our responsibility is to express an opinion on the Company’s internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing deemed to be prescribed under Section 143 (10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to standalone financial statements.

### Meaning of Internal Financial Controls with reference to financial statements

6. A company’s internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also,

projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

### **Opinion**

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2025, based on the internal control over

## Annexure B to the Independent Auditor's Report:

Referred to in paragraph 14 of the Independent Auditor's report of even date to the members of Western Carriers (India) Limited on the standalone financial statements for the year ended March 31, 2025.

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that -

- i. (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment, and relevant details of right-of-use assets.
- i. (a) (B) The Company has maintained proper records showing full particulars of intangibles assets.
- i. (b) The Company has a program of verification of property, plant and equipment, capital work-in-progress and right-of-use assets so as to cover all the items once every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were due for verification during the year and were physically verified by the Management during the year and no material discrepancies were noticed on such verification.
- i. (c) Based on our examination of the registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title deeds of all the immovable properties, (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company) disclosed in the standalone financial statements included in property, plant and equipment and are held in the name of the Company as at the balance sheet date.
- i. (d) The Company has not revalued its Property, Plant and Equipment (including Right-of-use assets) or intangible assets during the year ended March 31, 2025. Accordingly, the reporting under Clause 3(i)(d) of the Order is not applicable to the Company.
- i. (e) No proceedings have been initiated during the year or are pending against the Company as at 31 March 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii. (a) The Company does not have any inventory and hence reporting under clause (ii)(a) of the Order is not applicable.
- ii. (b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of ₹ 5 crores, in aggregate, at points of time during the year, from banks or financial institutions on the basis of security of current assets. The company has filed quarterly returns or statements with such banks, which are in agreement with the books of account other than for the quarter ended March 31, 2025 December 31, September 30, June 30, 2024, March 31, 2024, December 31, September 30 and June 30, 2023, whereby the reported amounts of trade receivable were lower by ₹ 1,166.10 Million, lower by ₹ ,1467.25 Million, lower by ₹ 1,442.62 Million and lower by ₹ 1,703.92 Million & lower by ₹ 1,370.49 Million, higher by ₹ 20.39 Million, lower by ₹ 50.92 Million and higher by ₹ 31.75 Million, respectively. Such differences were primarily due to adjustments pursuant to reconciliation with the customers subsequent to the filing of the said statements.:
- iii. The Company has provided loans or advances in the nature of loans during the year and details of which are given below:

- (a) The Company has provided loans or advances in the nature of loans during the year and details of which are given below:

Particulars	Loans	Advances in nature of loans
A. Aggregate amount granted / provided during the year:		
- Subsidiaries	Nil	Nil
- Joint Ventures	Nil	Nil
- Associates	Nil	Nil
- Others	33.05	Nil
B. Balance outstanding as at balance sheet date in respect of above cases:		
- Subsidiaries	Nil	Nil
- Joint Ventures	Nil	Nil
- Associates	Nil	Nil
- Others	33.05	Nil

The Company has not provided any guarantee or security to any other entity during the year.

- (b) The terms and conditions of the grant of all the above-mentioned loans and advances in the nature of loans, during the year are, in our opinion, prima facie, not prejudicial to the Company's interest.
- (c) In respect of loans granted or advances in the nature of loans provided by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are regular as per stipulation.
- (d) In respect of loans granted and advances in the nature of loans provided by the Company, there is no amount overdue for more than 90 days at the balance sheet date.
- (e) No loan or advance in the nature of loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.
- (f) The Company has granted Loans or advances in the nature of loans which are repayable on demand, details of which are given below –

Particulars	All Parties	Promoters	Related Parties
Aggregate of loans/advances in nature of loans			
- Repayable on demand (A)	254.86	Nil	175.60
Percentage of loans/advances in nature of loans to the total loans	100%	Nil	68.90%

- iv. The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees and securities provided, as applicable.
- v. The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act, 2013 and the rules made thereunder, to the extent applicable.
- vi. The maintenance of cost records has not been specified for the activities of the Company by the Central Government under section 148(1) of the Companies Act, 2013.
- vii. (a) Undisputed statutory dues, including Goods and Service tax, Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, duty of Custom, duty of Excise, Value Added Tax, cess and other material statutory dues applicable to the Company have generally been regularly deposited by it with the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Income-tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, cess and other material statutory dues in arrears as at March 31, 2025, for a period of more than six months from the date they became payable.

- vii. (b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2025, on account of disputes are given below -

Name of the Statute	Nature of the Dues	Amount (₹ In Million)	Period to which the Amount Relates to	Forum where Dispute Pending
Income Tax Act, 1961	Income tax demand	18.00	FY 17-18	Commissioner Of Income Tax (Appeals), Kolkata
Goods and Service Tax Act, 2017	Goods and Service Tax	0.36	FY 17-18	Additional Commissioner (ST) (Appeals), Delhi.
		2.39	FY 18-19	Additional Commissioner (ST) (Appeals), Vijayawada.
		2.66	FY 19-20	Additional Commissioner (ST) (Appeals), Cuttack.
		9.63	FY 20-21	Additional Commissioner (ST) (Appeals), Cuttack.
		3.05	FY 20-21	Joint Commissioner (ST) (Appeals), Raipur.

- viii. There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.
- ix. (a) In our opinion, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
- ix. (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- ix. (c) To the best of our knowledge and belief, in our opinion, term loans availed by the Company were, applied by the Company during the year for the purposes for which the loans were obtained.
- ix. (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- ix. (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries and associates.
- ix. (f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries or associate companies.
- x. (a) In our opinion and according to the information and explanations given to us, moneys raised by way of initial public offer during the year, have been, prima facie, applied by the Company for the purposes for which they were raised. The total monies aggregating ₹ 3,629.38 Million (net of issue expenses) raised during the year, a sum of ₹ 2,074.17 was utilised by the Company for the purpose for which it was raised during the current year. Pending utilization, ₹ 1,555.21 Million is temporarily invested in fixed deposits with scheduled commercial banks. The Company has not raised moneys by way of Initial Public Offer/ further public offer through debt instruments.
- x. (b) During the year the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause (x)(b) of the Order is not applicable to the Company.
- xi. (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- xi. (b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. According, the provision under stated clause 3(xi) (b) of the order is not applicable.
- xi. (c) As represented to us by the management, there were no whistle blower complaints received by the Company during the year (and up to the date of this report).
- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the

financial statements etc. as required by the applicable accounting standards

- xiv. (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and nature of its business.
- xv. (a) The reports of the internal auditor for the period under audit have been considered by us.
- xvi. The Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirement to report on clause 3(xv) of the Order is not applicable to the Company.
- xvi. (a) The Company is not required to be registered under the provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934). Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.
- xvi. (b) The Company has not conducted any Non-Banking / Financial / Housing Finance during the year. Accordingly, the reporting under clause (xvi)(b) of the Order is not applicable to the Company.
- xvi. (c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.
- xvi. (d) There is no Core Investment Company as a part of the Group, hence, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.
- xvii. The Company has not incurred any cash losses in the financial year or in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year and accordingly requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying

the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx. (a) In respect of other than ongoing projects, the Company has not transferred the unspent Corporate Social Responsibility (CSR) amount at the balance sheet date out of the amounts that was required to be spent during the year, to a fund specified in Schedule VII to the Companies Act, 2013 (the Act), till the date of our report. However, the time period for such transfer as permitted under the second proviso to 135(5) of the Act, has not elapsed till the date of our report.
- xx. (b) There are no unspent amounts in respect of ongoing projects, that are required to be transferred to a special account in compliance of provision of sub section (6) of section 135 of Companies Act.
- xxi. The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements. Accordingly, no comment in respect of the said clause has been included in this report.

# Notes to the Standalone Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## 1 General Information

Western Carriers (India) Limited (the Company) having CIN: L63090WB2011PLC161111 is a public limited company registered in India under the provisions of the erstwhile Companies Act, 1956. The Company is domiciled in India. During the year ended March 31, 2025, the company has completed its Initial Public Offer ("IPO") and its equity shares were listed on the National Stock Exchange ("NSE") and on the BSE Limited ("BSE") on September 24, 2024. The Company is a player in the Indian logistics industry and engaged in providing single, multimodal and other transportation services, warehousing and other ancillary services.

## 2 Basis of Preparation

### 2.1 Statement of Compliance

The standalone financial statements comply with all material aspect of Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting standards) Rule, 2015] and other relevant provisions of the Act.

### 2.2 Functional and presentation currency

These standalone financial statements are presented in Indian Rupees (₹), which is also the Company's functional currency. All amounts have been rounded-off to the nearest Million upto two decimals, unless otherwise stated.

### 2.3 Basis of measurement

The standalone financial statements have been prepared on the historical cost basis except certain financial assets and liabilities which are measured at fair values.

### 2.4 Use of estimates and critical accounting judgements

In the preparation of the financial statements, the Company makes judgements, estimates and assumptions about the carrying value of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

Key source of estimation of uncertainty at the date of the financial statements, which may cause material adjustment to the carrying amounts of assets and liabilities within the next financial year are provided below:

### (a) Property, plant and equipment and intangible assets – useful lives

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of the Company's assets are determined by the Management at the time the asset is acquired and reviewed periodically, including at the end of each reporting period. The lives are based on historical experience with similar assets.

### (b) Assets and obligations relating to employee benefits

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate; future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

### (c) Lease classification, termination and renewal option of leases

Ind AS 116, Leases requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that the Company will continue the lease beyond non-cancellable period and whether any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the terminating the lease and the importance of the underlying asset to Company's operations taking in to account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.

# Notes to the Standalone Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

After considering current and future economic conditions, the Company has concluded that no material changes are required to lease period relating to the existing lease contracts.

significant to the entire measurement. The Company recognises transfer between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

## (d) Impairment of Goodwill

The Company estimates the value in use of the cash generating unit (CGU) based on future cash flows after considering current economic conditions and trends, estimated future operating results and growth rates and anticipated future economic and regulatory conditions. The estimated cash flows are developed using internal forecasts. The cash flows are discounted using a suitable discount rate in order to calculate the present value. Refer Note 6 for additional details.

## 2.5 Measurement of fair values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values. The Company regularly reviews significant unobservable inputs and valuation adjustments. If third party information is used to measure fair values, then the Company assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified.

- Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:
- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is

## 3 Material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of Standalone Financial Statement. These policies have been consistently applied to all the years.

### 3.1 Current versus non-current classification

The Company presents assets and liabilities in the standalone balance sheet based on current/non-current classification.

An asset is classified current when it is:

- (a) Expected to be realised or intended to be sold or consumed in the normal operating cycle;
- (b) Held primarily for the purpose of trading;
- (c) Expected to be realised within twelve months after the reporting period; or
- (d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is classified current when:

- (a) It is expected to be settled in the normal operating cycle;
- (b) It is held primarily for the purpose of trading;
- (c) It is due to be settled within twelve months after the reporting period; or
- (d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are always classified as non-current assets and liabilities.

### 3.2 Financial instruments

#### (a) Recognition and initial measurement

Trade receivables and investment in debt securities issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company

# Notes to the Standalone Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

## (b) Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at

- amortised cost;
- Fair value through profit or loss (FVTPL) or Fair value through other comprehensive income ('FVOCI')

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset is measured at fair value through other comprehensive income ('FVOCI') if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows and cash flows from sales; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All financial assets not classified as measured at amortised cost as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that

otherwise meets the requirements to be measured at amortised cost as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Equity instruments are always classified fair value through profit and loss, except in cases where the Company has elected an irrevocable option of designating the same as fair value through other comprehensive income (FVOCI).

## Financial assets: Subsequent measurement and gains and losses

### Financial assets at FVTPL :

These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.

### Financial assets at amortised cost:

These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.

### Financial assets at FVOCI :

These assets are subsequently measured at fair value through other comprehensive income i.e., subsequent changes in fair value of the instrument is recognised in other comprehensive income. Any dividend received on such instruments are recognised in profit or loss.

## Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified and measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

## (c) Derecognition

### Financial assets:

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to

# Notes to the Standalone Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

## Financial liabilities:

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

## (d) Impairment of financial assets

Loss allowance for expected credit losses is recognised for financial assets measured at amortised cost and fair value through other comprehensive income.

The Company recognises life time expected credit losses for all trade receivables that do not constitute a financing transaction.

For financial assets (apart from trade receivables that do not constitute of financing transaction) whose credit risk has not significantly increased since initial recognition, loss allowance equal to twelve months expected credit losses is recognised. Loss allowance equal to the lifetime expected credit losses is recognised if the credit risk of the financial asset has significantly increased since initial recognition.

## (e) Offsetting

Financial assets and financial liabilities are offset and the net is amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

## 3.3 Revenue from contract with customers

Revenue from contracts with customers is recognised when control of the services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those services. Such revenue is recognised upon the Company's performance of its contractual obligations and on satisfying all the following conditions:

- (1) Parties to the contract have approved the contract and undertaken to perform their respective obligations;
- (2) Such contract has specified the respective rights and obligations of the parties in connection with the transfer of goods or rendering of services (hereinafter the "Transfer");
- (3) Such contract contains specific payment terms in relation to the Transfer;
- (4) Such contract has a commercial nature, namely, it will change the risk, time distribution or amount of the Company's future cash flow;
- (5) The Company is likely to recover the consideration it is entitled to for the Transfer to customers.

Revenue is recognised when no significant uncertainty exists regarding the collection of the consideration. The amount recognised as revenue is exclusive of all indirect taxes and net of returns and discounts.

## (a) Rendering of services

The Company generates revenue from services to its customers such as providing freight and other transportation services, warehousing contracts ranging from a few months to a few years. Certain accessorial services may be provided to customers under their transportation contracts, such as unloading and other incidental services. The Company's performance obligations are satisfied over time as customers simultaneously receive and consume the benefits of the Company's services. The contracts contain a single performance obligation, as the distinct services provided remain substantially the same over time and possess the same pattern of transfer. The transaction price is based on the consideration specified in the contract with the customer and contains fixed and variable consideration. In general, the fixed component of a contract represents amounts for facility and equipment costs incurred to satisfy the performance obligation and is recognized over the term of the contract.

# Notes to the Standalone Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

In the case of transportation services, performance obligation is created when a customer under a transportation contract submits a shipment note for the transport of goods from origin to destination. These performance obligations are satisfied over the period as the shipments move from origin to destination and revenue is recognized proportionally as a shipment moves and the related costs are recognized as incurred. Performance obligations are short-term, with transit days less than one week. Generally, customers are billed upon completion of shipment, and remit payment according to approved payment terms. The Company recognizes revenue on a net basis when the Company does not control the specific services.

## (b) Contract balances

### Contract assets

A contract asset is initially recognised for revenue earned from inspection services because the receipt of consideration is conditional on successful completion of the inspection. Upon completion of the inspection, the amount recognised as contract assets is reclassified to trade receivables.

### Trade receivables

A receivable is recognised if an amount of consideration that is unconditional is due from the customer (i.e., only the passage of time is required before payment of the consideration is due). Refer to accounting policies for financial assets for initial and subsequent measurements.

### Contract liabilities

A contract liability is recognised if a payment is received or a payment is due (whichever is earlier) from a customer before the Company transfers the related goods or services. Contract liabilities are recognised as revenue when the Company performs under the contract (i.e., transfers control of the related goods or services to the customer).

taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

### Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss. Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

The Company offsets deferred tax assets and deferred tax liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority.

## 3.4 Income Taxes

### Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date in the countries where the Company or companies within the Company operates and generates taxable income.

Current tax relating to items recognised directly in equity is recognised in equity and not in the statement of profit or loss. Management periodically evaluates positions

## 3.5 Property, plant and equipment

Property, plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Construction in progress is stated at cost, net of accumulated impairment losses, if any.

Cost of Property, plant and equipment includes the costs directly attributable to the acquisition or constructions of assets, or replacing parts of the plant and equipment and borrowing costs for qualifying assets, if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives.

# Notes to the Standalone Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with them will flow to the Company and the cost of the item can be measured reliably. All other repair and maintenance costs are recognised in profit or loss as incurred.

Depreciation is provided on written down value method in the manner and on the basis of useful lives prescribed in Schedule II to the Companies Act, 2013. Depreciation on addition / deduction is calculated pro-rata from/to the month of addition / deduction.

Advance given for acquisition / construction of Property, Plant and Equipment and Intangible assets are presented as "Capital Advance" under Other Non Current Assets.

The assets in the process of construction or acquisition but not ready for management's intended use are included under Capital Work in progress.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal (i.e., at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the standalone statement of profit or loss when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

The estimated useful lives of the assets considered by the Company is stated hereunder, which is in line with useful lives specified under schedule II of the Companies Act, 2013

Assets Description	Useful Life in Years
Office Building	60
Heavy Equipment	15
Heavy Vehicles	6
Office Appliances	5
Computer	3
Other Machinery	15
Motor Cycle, Scooter	10
Motor Vehicles	8
Furniture	10
Electrical Equipments	10

## 3.6 Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

### The Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

### Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

### Lease liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate.

Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate

# Notes to the Standalone Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments.

The Company's lease obligations are presented on the face of the Standalone Balance Sheet.

## Short-term leases and leases of low value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date). It also applies the lease of low-value assets recognition exemption to leases of assets that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

## The Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms and is included in revenue in the statement of profit or loss due to its operating nature. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

## 3.10 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds.

## 3.11 Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Subsequent to initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.

Intangible assets are amortised over the useful economic life (5 years for computer software) and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period.

An intangible asset is derecognised upon disposal (i.e., at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Any gain or loss arising upon derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit or loss.

## 3.12 Impairment of assets (other than financial assets)

At each balance sheet date, the Company reviews the carrying value of its property, plant and equipment and intangible assets to determine whether there is any indication that the carrying value of those assets may not be recoverable through continuing use. If any such indication exists, the recoverable amount of the asset is reviewed in order to determine the extent of impairment loss, if any. Where the asset does not generate cash flows that are independent from other assets, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. An impairment loss is recognised in the statement of profit and loss as and when the carrying value of an asset exceeds its recoverable amount.

Where an impairment loss subsequently reverses, the carrying value of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount so that the increased carrying value does not exceed the carrying value that would have been determined had no impairment loss been recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognised in the statement of profit and loss immediately.

## 3.13 Provisions and contingencies

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

# Notes to the Standalone Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Disclosure for contingent liabilities is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources embodying economic benefits will be required to settle or a reliable estimate of the amount cannot be made.

## 3.14 Cash and short-term deposits

Cash and short-term deposits in the statement of financial position comprise cash at banks and on hand and short-term highly liquid deposits with a maturity of three months or less, that are readily convertible to a known amount of cash and subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

## 3.15 Employee benefits

### Short-term employee benefits

Liabilities for short-term employee benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee related liabilities under other financial liabilities in balance sheet.

### Post - employment benefits

The liability or asset recognised in the Balance Sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually at year end by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the

reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in 'Employee Benefits Expense' in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. These are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligations resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

### Defined contribution plan

The Company pays provident fund contributions to publicly administered provident fund as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

## 3.16 Earnings per share

### (i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to equity shareholders of the Company
- by the weighted average number of equity shares outstanding during the financial year

### (ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

# Notes to the Standalone Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## 3.17 Contributed equity

Equity shares are classified as equity. Incremental cost directly attributable to the issue of new shares or options are shown in equity as reduction, net of tax from the proceeds.

## 3.18 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker ('CODM'). The CODM is responsible for allocating resources and assessing performance of the operating segments and has been identified as the Board of Directors of the Company.

# Notes to the Standalone Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## Note 4: Property, plant and equipment

(a) Refer Note 18 for details of security against borrowings.

## Movement in Capital work in progress and its age analysis

### (i) Movement in Capital work in progress

Particulars	For the Year Ended March 31, 2025	For the Year Ended March 31, 2024
Balance at the beginning of the year	-	66.41
Additions during the year	150.13	-
Capitalised during the year	-	(66.41)
<b>Balance at the end of the year</b>	<b>150.13</b>	<b>-</b>

# Notes to the Standalone Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## Note 4: Property, plant and equipment (Contd..)

### (ii) Age analysis of Capital work in progress

Particulars	As at March 31, 2025				Total
	Less than 1 year	1 to 2 years	2 to 3 years	More than 3 years	
PFT	150.13	-	-	-	150.13

Particulars	As at March 31, 2024				Total
	Less than 1 year	1 to 2 years	2 to 3 years	More than 3 years	
Heavy Vehicles	-	-	-	-	-

- (iii) There are no project whose completion are overdue or has exceeded its cost, as compared to its original plan for both the year.

## Note 5: Right of use assets

The Company has taken on lease various offices, warehouses other spaces for its uses. Rental contracts typically range from 1 year to 10 years.

### A. The changes in the carrying value of Right of Use assets :

Particulars	Buildings
<b>Gross Block</b>	
Balance as at April 1, 2023	96.84
Additions during the year	5.71
Deletions/cancellation/modification during the year	-
Balance as at March 31, 2024	102.55
Additions during the year	26.64
Deletions/cancellation/modification during the year	-
Balance as at March 31, 2025	129.19
<b>Accumulated Amortisation</b>	
Balance as at April 1, 2023	52.22
Charge for the year	21.02
Deletions/cancellation/modification during the year	-
Balance as at March 31, 2024	73.24
Charge for the year	21.19
Deletions/cancellation/modification during the year	-
Balance as at March 31, 2025	94.43
<b>Carrying Amount</b>	
Net carrying amount as at March 31, 2024	29.31
Net carrying amount as at March 31, 2025	34.76

The aggregate depreciation expense on RoU assets is included under depreciation expense in the Standalone Statement of Profit and Loss.

# Notes to the Standalone Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## Note 5: Right of use assets (Contd..)

### B Movement in lease liabilities :

Particulars	Lease Obligations
<b>Balance as at April 1, 2023</b>	<b>48.80</b>
Additions during the year	5.71
Deletions during the year	-
Interest on lease obligation	4.05
Payment of lease liabilities	(25.46)
<b>Balance as at March 31, 2024</b>	<b>33.10</b>
Additions during the year	26.64
Deletions during the year	-
Interest on lease obligation	2.56
Payment of lease liabilities	(25.77)
<b>Balance as at March 31, 2025</b>	<b>36.53</b>

### C The break-up of current and non-current lease liabilities as at the year end:

Particulars	As at March 31, 2025	As at March 31, 2024
Current	9.97	22.56
Non-current	26.56	10.54
<b>Total</b>	<b>36.53</b>	<b>33.10</b>

With the exception of short-term leases and leases of low-value underlying assets, each lease is reflected on the Standalone Balance Sheet as a right of use asset and a lease liability. Payments made for short term leases and leases of low-value are expensed on a straight line basis over the lease term.

### D The details of contractual maturities of lease liabilities as at the year end on undiscounted basis are as follows:

Particulars	As at March 31, 2025	As at March 31, 2024
Less than one year	13.07	24.75
One to five years	33.95	11.38
More than five years	-	-
<b>Total</b>	<b>47.02</b>	<b>36.13</b>

The Company does not face a significant liquidity risk regards to its lease liabilities as the current assets are sufficient to meet the obligation related to the lease liabilities as and when they fall due.

### E The amount recognised in the Standalone Statement of Profit and Loss are as follows:

Particulars	As at March 31, 2025	As at March 31, 2024
Depreciation expense of right-of-use assets	21.19	21.02
Interest expense on lease liabilities	2.56	4.05
Rent expense - short-term lease and leases of low value assets	86.17	34.69
<b>Total</b>	<b>109.92</b>	<b>59.76</b>

# Notes to the Standalone Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## Note 5: Right of use assets (Contd..)

### F Extension and termination options

Extension and termination options are included in various leases. These are used to maximize operational flexibility in terms of managing the assets used in the Company's operations. The majority of the extension and termination options held are exercisable by the Company and not by the respective lessor.

### G Discount rate

The Company has used the incremental borrowing rate of 10% (FY 2023-24: 10%) to determine the lease liabilities.

## Note 6: Goodwill and other intangible assets

	Goodwill	Other Intangible Assets		
		Trademark*	Computer Software	Total
<b>Cost / Deemed cost</b>

Disputed trade receivables considered doubtful	-	-	-	-	-	-	-
<b>Total Ageing of receivables</b>	<b>1,012.67</b>	<b>5,018.54</b>	<b>114.99</b>	<b>27.86</b>	<b>18.66</b>	<b>61.54</b>	<b>6,254.25</b>

# Notes to the Standalone Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## Note 12: Trade receivables (Contd..)

Age bracket	As at March 31, 2024						Total
	Unbilled	Less than 6 months	6 months to 1 year	1 year to 2 years	2 years to 3 years	2 years to 3 years	
Undisputed trade receivables – considered good	1,188.43	3,899.88	123.09	26.53	9.17	12.42	5,259.52
Undisputed trade receivables – considered doubtful	-	-	-	-	-	-	-
Disputed trade receivables considered good	-	-	-	-	-	43.82	43.82
Disputed trade receivables considered doubtful	-	-	-	-	-	-	-
<b>Total Ageing of receivables</b>	<b>1,188.43</b>	<b>3,899.88</b>	<b>123.09</b>	<b>26.53</b>	<b>9.17</b>	<b>56.24</b>	<b>5,303.34</b>

### Note:

- The ageing has been determined from the date they were invoiced to the customers. Refer Note 37 on credit risk for more details.
- No trade receivables are due from Directors or other officers of the Company, or from firms or private companies in which any director is a partner, director or member.
- Movement in allowances for expected credit loss

	For the year ended March 31, 2025	For the year ended March 31, 2024
Allowances for expected credit losses at the beginning of the year	48.47	45.52
Allowances created during the year [Refer note 29]	1.54	2.95
<b>Allowances for expected credit losses at the end of the year</b>	<b>50.01</b>	<b>48.47</b>

- In determining allowance for credit losses of trade receivables, the Company has used the practical expedient by computing the expected credit loss allowance based on a provision matrix. The provision matrix takes into account historical credit loss experience and is adjusted for forward looking information. The expected credit loss allowance is based on ageing of receivables and the rates used in provision matrix.

## Note 13: Cash and cash equivalents

	As at March 31, 2025	As at March 31, 2024
Cash in hand	5.10	5.58

#### (a) Securities Premium

Securities Premium is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of the Companies Act, 2013

#### (b) Retained earnings

Retained earnings are the profits that the Company has earned till date, less any transfers to reserves, dividends or other distributions paid to shareholders. Retained earnings is a free reserve available to the Company.

#### (c) Remeasurement of employee defined benefits

Remeasurement of employee defined benefits represents re-measurement loss or gain on defined benefit plans, net of taxes that will not be reclassified to profit or loss.

#### (d) FVOCI equity investments

The Company has elected to recognise changes in the fair value of certain investments in equity securities in other comprehensive income. These changes are accumulated within the FVOCI equity investments reserve within equity. The Company transfers amounts from this reserve to retained earnings when the relevant equity securities are derecognised.

#### (e) Capital redemption reserve

The Companies Act, 2013 (the "Companies Act") requires that where a Company redeem its preference shares out of free reserves or securities premium, a sum equal to the nominal value of the preference shares so redeemed shall be transferred to a capital redemption reserve and details of such transfer shall be disclosed in the balance sheet. The capital redemption reserve may be applied by the Company, in paying up unissued shares of the Company to be issued to shareholders of the Company as fully paid bonus shares.

- Demand of Indian Railway#	5.31	5.31
- Income - tax ##	18.00	18.00
- Goods and Service Tax ##	18.09	2.75

#A demand notice dated February 9, 2022 ("Demand Notice") was issued by the commercial supervisor, North Eastern Frontier Railways, Azara, Assam ("Respondents") to the Company, demanding penalty of ₹ 5.31 Million in relation to alleged mis-declaration of consignment by the Company, and detaining the consignment against the demand so raised. The Company filed a writ petition ("Writ Petition") before the Gauhati High Court ("High Court") praying that the Demand Notice be declared illegal, without any authority of law and liable to be set aside. The High Court, by an order dated February 23, 2022 held that pendency of the Writ Petition will not act as a bar on the Respondents from verifying and re-assessing the charges in relation to alleged mis-declaration of consignment. The Company appealed against this order before the High Court. The High Court by its order dated March 16, 2022 ("Order") directed the release of the consignment upon furnishing of a bank guarantee of ₹ 5.31 Million by the Company. Pursuant to this Order, the Company has furnished a bank guarantee and secured release of the consignment. The Writ Petition is currently pending.

## The Company has been advised by its lawyers that income tax demand and goods and service tax demands are not tenable, and hence this is being contested. No provision in the books has been considered necessary for the above matters. The future cash flows on account of the above cannot be determined unless the judgements/decisions are received from the ultimate judicial forum. No reimbursements is expected to arise to the Company in respect of above cases.

## Note 32: Disclosures relating to micro and small enterprises

## Note 32: Disclosures relating to micro and small enterprises (Contd..)

Sr. No.		As at March 31, 2025	As at March 31, 2024
4	The amount of interest accrued and remaining unpaid at the end of the accounting year	-	-
5	The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest due on above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under Section 23 of the MSMED Act, 2006.	-	-

Dues to Micro and Small Enterprises have been determined to the extent such parties have been identified on the basis of information collected by the Management. This has been relied upon by the auditors.

## Note 33: Employee Benefits

### Employees Defined Contribution Plans - Provident Fund

The Company provides Provident Fund facility to eligible employees. The fund is managed by Commissioner of the Provident Fund. The contributions are expensed as they are incurred in line with the treatment of wages and salaries. The liability of the Company is limited to the contribution deducted from the salary of the employee and the Company's share. The Company has recognized, in the Standalone Statement of Profit and Loss for the current year, an amount of ₹ 23.91 Million (for the year ended March 31, 2024: ₹ 22.33 Million) as expenses under defined contribution plans.

### Employee Defined Benefit Plans - Gratuity [Unfunded]

The Company provides for gratuity for employees as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied by the number of years of service completed, subject to the maximum amount of ₹ 2 Million. The gratuity plan is an unfunded plan. The Company does not fully fund the liability and make the payments as and when they become due from its own funds.

### Amounts recognised in the financial statements

The amounts recognised in the financial statements and the movements in the net defined benefit obligation and fair value of plan assets is as under:

(Amounts in ₹ Million, unless stated otherwise)

## Note 33: Employee Benefits (Contd..)

	Defined benefit obligations	Fair value of plan assets (Unfunded)	Net amount
Remeasurement			
Return on plan assets, excluding amounts included in interest expense/(income)	-	-	-
Actuarial (gain)/loss from change in demographic assumptions	-	-	-
Actuarial (gain)/loss from change in financial assumptions	4.59	-	4.59
Actuarial (gain)/loss from unexpected experience	(1.74)	-	(1.74)
<b>Total amount recognised in OCI</b>	<b>2.85</b>	<b>-</b>	<b>2.85</b>
Employer contributions/ premium paid	-	4.95	4.95
Benefit payments	4.95	4.95	-
<b>Balance as at March 31, 2025</b>	<b>70.35</b>	<b>-</b>	<b>70.35</b>

### Classification of the obligation into current and non current

	As at March 31, 2025	As at March 31, 2024
Current	2.26	3.10
Non-Current	68.09	55.20
	<b>70.35</b>	<b>58.30</b>

### (ii) Significant estimates: actuarial assumptions

	As at March 31, 2025	As at March 31, 2024
The significant actuarial assumptions were as follows:		
Rate of discounting	6.63%	7.20%
Rate of salary increase	6.00%	6.00%
Mortality rate during employment	Indian Assured Lives Mortality (2012-14) ultimate	Indian Assured Lives Mortality (2012-14) ultimate

### (iii) Sensitivity analysis

	For the year ended March 31, 2025		For the year ended March 31, 2024	
	Increase	Decrease	Increase	Decrease
The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:				
Discount rate (+/- 1%)	6.77	(7.98)	5.09	(6.22)
Salary growth rate (+/- 1%)	(7.88)	6.82	(6.19)	5.16

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

# Notes to the Standalone Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## Note 33: Employee Benefits (Contd..)

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the standalone balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

### (iv) Major categories of plans asset

The scheme is unfunded.

### (v) Risk exposure

Through its defined benefit plans the Company is exposed to a number of risks, the most significant of which are detailed below:

#### Pay-as-you-go Risk:

For unfunded schemes financial planning could be difficult as the benefits payable will directly affect the revenue and this could be widely fluctuating from year to year. Moreover there may be an opportunity cost of better investment returns affecting adversely the cost of the scheme.

#### Discount rate risk:

The Company is exposed to the risk of fall in discount rate. A fall in discount rate will eventually increase in the ultimate cost of providing the above benefit thereby increasing the value of the liability.

#### Liquidity Risk:

This risk arises from the short term asset and liability cash-flow mismatch thereby causing the company being unable to pay the benefits as they fall due in the short term. Such a situation could be the result of holding large illiquid assets disregarding the results of cash-flow projections and cash outgo inflow mismatch. (Or it could be due to insufficient assets/cash.)"

#### Future Salary Increase Risk:

The Scheme cost is very sensitive to the assumed future salary escalation rates for all final salary defined benefit Schemes. If actual future salary escalations are higher than that assumed in the valuation actual Scheme cost and hence the value of the liability will be higher than that estimated.

#### Demographic Risk:

In the valuation of the liability certain demographic (mortality and attrition rates) assumptions are made. The Company is exposed to this risk to the extent of actual experience eventually being worse compared to the assumptions thereby causing an increase in the scheme cost.

#### Regulatory Risk:

Gratuity Benefit must comply with the requirements of the Payment of Gratuity Act, 1972 (as amended up-to-date). There is a risk of change in the regulations requiring higher gratuity payments (e.g. raising the present ceiling of ₹ 2 Million, raising accrual rate from 15/26 etc.)

### (vi) Other disclosures

- Expected contribution for next year (12 months), i.e. 2025-26: ₹ 17.25 Million
- Weighted average duration of the defined benefit obligation is 5.32 years (As at March 31, 2024: 5.55 years)
- Estimated Cash Flows (discounted) in subsequent years

	As at March 31, 2025	As at March 31, 2024
Within 1 year	2.26	3.10
2 to 5 years	16.54	5.13
6 to 10 years	17.45	9.69

# Notes to the Standalone Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## Note 34: Financial Instruments and fair value measurements

The financial assets and financial liabilities of the Company at the end of the year:

	Classification of the assets / liabilities	As at March 31, 2025		As at March 31, 2024	
		Carrying amount	Fair value	Carrying amount	Fair value
Financial assets					
Loans	Amortised Cost	254.86	254.86	271.48	271.48
Trade receivables	Amortised Cost	6,204.24	6,204.24	5,254.87	5,254.87
Cash and cash equivalents	Amortised Cost	48.46	48.46	18.79	18.79
Other balances with bank	Amortised Cost	1,855.06	1,855.06	249.95	249.95
Other Financial assets (Current & non-current)	Amortised Cost	240.58	240.58	150.52	150.52
Total		8,603.20	8,603.20	5,945.61	5,945.61
Financial liabilities					
Long-term borrowings (including current maturity)	Amortised Cost	440.29	436.30	473.32	467.62
Short-term borrowings	Amortised Cost	1,279.80	1,279.80	2,186.66	2,186.66
Lease liabilities (Current & non-current)	Amortised Cost	36.53	36.53	33.10	33.10
Trade payables	Amortised Cost	796.25	796.25	697.76	697.76
Other financial liabilities (Current & non-current)	Amortised Cost	110.90	110.90	65.55	65.55
Total		2,663.77	2,659.78	3,456.39	3,450.69

- The carrying amounts of current financial assets and liabilities carried at amortised cost closely approximate to their fair values as the impact of discounting on such financial assets or liabilities is not significant considering the instruments matures in a very short time.
- Unsecured loans from related parties are repayable on demand and accordingly represents its fair value.
- Long-term security deposits are repayable on closure of contracts i.e., repayable on demand and accordingly carrying amount reflect its fair values. The same can be categorised as Level 3 fair value.
- Long-term borrowings carries both fixed and variable rate of interest. For variable interest rate borrowings, carrying amounts are considered to represent fair value of such borrowings. For fixed rate borrowings fair values have been determined using discounted cash flow approach using the current interest rates. The fair values of the borrowings can be categorised as Level 2 fair values.
- Fair value of investment in equity instruments is determined using the cost method. The fair value of the investments is classified level 3. There is no significant operations in the investee entity and accordingly there are no significant changes in the fair value.

### Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard.

#### (a) Level 1 - Quoted prices in an active market:

This level of hierarchy includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities.

# Notes to the Standalone Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## Note 34: Financial Instruments and fair value measurements (Contd..)

### (b) Level 2 - Fair values determined using valuation techniques with observable inputs:

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

### (c) Level 3 - Fair values determined using valuation techniques with significant unobservable inputs:

This level of hierarchy includes financial assets and financial liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

There are no transfers between levels 1, 2 and 3 during the year.

## Note 35: Capital management

### Risk management

The Company's objectives when managing capital are to:

- (a) safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- (b) Maintain an optimal capital structure to reduce the cost of capital.

The capital structure of the Company consists of debt, cash and cash equivalents and equity attributable to equity shareholders of the Company which comprises issued share capital and accumulated reserves disclosed in the statement of changes in equity and debts appearing as part of the borrowings.

The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The funding requirement is met through a mixture of equity, long term borrowings and short term borrowings.

## Note 36: Reconciliation of debts

This section sets out an analysis of debt and the movements therein

	As at March 31, 2025	As at March 31, 2024
Long-term borrowings including current maturities	440.29	473.32
Short-term borrowings	1,279.80	2,186.66
Lease obligations (current and non-current)	36.53	33.10
	<b>1,756.62</b>	<b>2,693.08</b>

	Long-term borrowings including current maturities	Short-term borrowings	Lease obligations (current and non-current)
Net debt as at April 1, 2023	464.39	1,556.92	48.80
Borrowings recognised for new leases taken during the year	-	-	5.71
Proceeds from borrowings during the year	199.44	629.74	
Interest expense for the year	40.73	162.17	4.05
Interest paid during the year	(40.73)	(162.17)	(4.05)

# Notes to the Standalone Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## Note 36: Reconciliation of debts (Contd..)

	Long-term borrowings including current maturities	Short-term borrowings	Lease obligations (current and non-current)
Loss on early redemption of preference share	-	-	-
Repayment of borrowings / lease liability during the year	(190.51)	-	(21.41)
<b>Net debt as at March 31, 2024</b>	<b>473.32</b>	<b>2,186.66</b>	<b>33.10</b>
Borrowings recognised for new leases taken during the year	-	-	26.64
Proceeds from borrowings during the year	211.85	(906.87)	-
Interest expense for the year	47.98	150.91	2.56
Interest paid during the year	(47.98)	(150.91)	(2.56)
Loss on early redemption of preference share	-	-	-
Repayment of borrowings / lease liability during the year	(244.88)	-	(23.21)
<b>Net debt as at March 31, 2025</b>	<b>440.29</b>	<b>1,279.79</b>	<b>36.53</b>

## Note 37: Financial risk management

In the course of its business, the Company is exposed primarily to fluctuations in interest rates, liquidity and credit risk, which may adversely impact the fair value of its financial instruments. In order to minimise any adverse effects on the financial performance of the Company, the Company has risk management policies as described below:

### (A) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) including deposits with banks and financial institutions, foreign exchange transactions, other financial instruments carried at amortised cost.

Financial instruments that are subject to credit risk and concentration thereof principally consist of trade receivables, loans receivables, cash and cash equivalents and other bank balances held by the Company. Trade receivables, cash and cash equivalents and other bank balances of the Company result in material concentration of credit risk.

The carrying value of financial assets represents the maximum credit risk. The maximum exposure to credit risk was ₹ 8,504.83 Million and ₹ 5,945.61 Million as at March 31, 2025 and March 31, 2024 respectively, being the total carrying value of trade receivables, balances with bank, bank deposits, loans and other financial assets.

#### Trade receivables

Customer credit risk is managed by the Company through established policy and procedures and control relating to customer credit risk management. Trade receivables are non-interest bearing and are generally carrying 30 to 60 days credit terms. The Company has a detailed review mechanism of overdue customer receivables at various levels within the organisation to ensure proper attention and focus for realisation. The Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends and ageing of accounts receivable. Financial assets are considered to be of good quality and there is no significant increase in credit risk."

The requirement for impairment is analysed at each reporting date. The Company' receivables turnover is quick and historically, there was no significant defaults on account of those customer in the past. Ind AS requires an entity to recognise in profit or loss, the amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised in accordance with Ind AS 109, Financial Instruments. Expected credit losses are measured at an amount equal to the life time expected credit losses. The Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward-looking information. The outstanding receivables are regularly monitored to minimise the credit risk.

# Notes to the Standalone Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## Note 37: Financial risk management (Contd..)

The Company evaluates the concentration of risk with respect to trade receivables and contract assets as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets. Of the trade receivables balance, ₹ 2,438.75 Million in aggregate (₹ 2,152.41 Million as at March 31, 2024) is due from the Company's customers individually representing more than 5% of the total trade receivables balance and accounted for approximately 39.62% (40.58% as at March 31, 2024) of all the receivables outstanding.

### Other financial instruments and bank deposits

Credit risk from balances with banks is managed by the Company's finance department in accordance with the Company's policy. Counterparty credit limits are reviewed by the Company's Board of Directors on an annual basis, and may be updated throughout the year subject to approval of the Company's Board of Directors. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

Balances with banks and deposits are placed only with highly rated banks/financial institution.

## (B) Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. This is generally performed in accordance with practice and limits set by the Company.

### Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity based on their contractual maturities.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

As at March 31, 2025	Contractual maturities of financial liabilities				
	Less than 1 year	1-2 years	2-3 years	More than 3 years	Total
Borrowings	1,561.89	143.31	56.05	-	1,761.25
Lease liabilities	13.07	8.61	4.88	20.46	47.02
Trade payables	796.25	-	-	-	796.25
Other financial liabilities	110.90	-	-	-	110.90
<b>Total financial liabilities</b>	<b>2,482.11</b>	<b>151.92</b>	<b>60.93</b>	<b>20.46</b>	<b>2,715.42</b>

As at March 31, 2024	Contractual maturities of financial liabilities				
	Less than 1 year	1-2 years	2-3 years	More than 3 years	Total
Borrowings	2,443.21	198.50	58.23	7.87	2,707.81
Lease liabilities	24.75	7.64	2.96	0.79	36.14
Trade payables	697.76	-	-	-	697.76
Other financial liabilities	65.55	-	-	-	65.55
<b>Total financial liabilities</b>	<b>3,231.27</b>	<b>206.14</b>	<b>61.19</b>	<b>8.66</b>	<b>3,507.26</b>

## (C) Market Risk

### Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates.

# Notes to the Standalone Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## Note 37: Financial risk management (Contd..)

The Company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

### Interest rate risk exposure on financial liabilities

	As at March 31, 2025	As at March 31, 2024
Fixed rate borrowings	440.29	473.32
Variable rate borrowings	1,279.80	2,186.66
<b>Total borrowings</b>	<b>1,720.09</b>	<b>2,659.98</b>

### Sensitivity to changes in interest rates

Profit or loss is sensitive to higher/ lower interest expense from borrowings as a result of changes in interest rates as below:

	For the year ended March 31, 2025		For the year ended March 31, 2024	
	Impact on profit before tax	Impact on equity	Impact on profit before tax	Impact on equity
Interest expense rates – increase by 50 basis points (50 bps)*	6.40	4.79	10.93	8.18
Interest expense rates – decrease by 50 basis points (50 bps)*	(6.40)	(4.79)	(10.93)	(8.18)

\* Holding all other variables constant

### Foreign currency risk

The Company did not have any exposure to the foreign currency as at the year ends.

## Note 39: Segment Disclosures

The Company is engaged in providing logistics and allied services to various customers in India and is a major logistics service provider. The performance of the Company is assessed and reviewed by the Chief Operating Decision Maker ('CODM') as a single operating segment and accordingly logistics and allied services is the only operating segment.

The Company is domiciled in India, and also provides services in India. The amount of its revenue from external customers split by location of the customers is shown in the table below.

Revenue from external customers	For the year ended March 31, 2025	For the year ended March 31, 2024
India	17,257.20	16,857.69
Outside India	-	-
<b>Total</b>	<b>17,257.20</b>	<b>16,857.69</b>

There are no non-current assets located in foreign countries.

Revenues of approximately ₹ 9,067.78 Million (for the year ended March 31, 2024 - ₹ 7,103.90 Million) are derived from 4 customers individually having revenues of 10% or more.

## Note 40: Corporate social responsibility

	For the year ended March 31, 2025	For the year ended March 31, 2024
Amount required to be spent during the year	19.19	15.86

# **Consolidated Financial Statements**

# Independent Auditor's Report

To  
The Members of  
**Western Carriers (India) Limited**

## Report on the Audit of the Consolidated Financial Statements

### Opinion

1. We have audited the accompanying consolidated financial statements of Western Carriers (India) Limited ("the Parent Company"), which includes its subsidiary (the Parent Company and its subsidiary together referred to as "the Group") and its associates comprising of the Consolidated Balance Sheet as at March 31, 2025, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including material accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements of the subsidiary and associates referred to in the "Other Matters" section below, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associates as at March 31, 2025, their consolidated profit (including other comprehensive income), their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

### Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Group and its associates in accordance with the ethical requirements the consolidated financial statements in India in terms of the code of ethics issued by the Institute of Chartered Accountants of India (ICAI) and the relevant provision of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence obtained by us along with the consideration of audit reports of the other auditors referred to in paragraph 11 of the "Other

Matters" section below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

### Information Other than the Financial Statements and Auditor's Report Thereon

4. The Parent Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's Report but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the Other Information and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed and the reports of other auditors as furnished to us (refer "Other Matters"), we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

5. The Parent Company's Board of Directors is responsible for the preparation and presentation of these Consolidated Financial Statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated cash flows and consolidated statement of changes in equity of the Group including its associates in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associate companies are responsible for the maintenance of adequate accounting records in accordance with the provisions of the Act for the safeguarding of the assets of the Group and of its associate companies and for preventing and detecting

frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent Company, as aforesaid.

6. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and its associate companies are responsible for assessing the ability of the Group and of its associate companies to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

Those respective Board of Directors of the companies included in the Group and its associate companies are also responsible for overseeing the financial reporting process of the Group and its associate companies.

### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

7. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
8. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:
  - a) Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Parent Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate companies to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group and its associate companies to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- f) Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate companies to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
9. We communicate with those charged with governance of the Parent Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

10. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## Other Matters

11. The consolidated financial statements also include the Group's share of net profit of ₹ 0.04 million for the year ended March 31, 2025, as considered in the consolidated financial statements, in respect of three associates whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary and associate companies, and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary and associate companies is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements above and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

## Report on Other Legal and Regulatory Requirements

12. With respect to the matters specified in clause (xxi) of paragraph 3 and paragraph 4 of the Companies (Auditor's Report) Order, 2020 ("CARO") issued by the Central Government in terms of Section 143(11) of the Act, according to the information and explanations given to us, and based on the CARO reports issued by us and the auditors of respective companies included in the consolidated financial statements to which reporting under CARO is applicable, as provided to us by the Management of the Parent Company, we report that there are no qualifications or adverse remarks by the respective auditors in the CARO reports of the said companies included in the consolidated financial statements.
13. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements of the subsidiary and the associate companies, as referred to in the "Other Matters" paragraph above, we report, to the extent applicable, that:
- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
  - In our opinion, proper books of account as required by law relating to preparation of the aforesaid

consolidation of the financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;

- The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including the Other Comprehensive Income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements;
- In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act;
- On the basis of the written representations received from the directors of the Parent Company as on March 31, 2025 taken on record by the Board of Directors of the Parent and the reports of the statutory auditors of its subsidiary and associate companies incorporated in India, none of the directors of the Group companies and its associate companies incorporated in India, is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act;
- With respect to the adequacy of the internal financial controls with reference to the consolidated financial statements and the operating effectiveness of such controls refer to our separate Report in "**Annexure A**", which is based on the auditor's report of the Parent Company, subsidiary company and associate companies incorporated in India.
- With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - The consolidated financial statements disclose the impact of pending litigations as on March 31, 2025 on the consolidated financial position of the Group and its associate companies – Refer Note 32 to the consolidated financial statements;
  - The Group and its associate companies did not have any material foreseeable losses on long-term contracts including derivative contracts;
  - There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Parent Company, its subsidiary and associate companies incorporated in India.
  - a) The respective managements of the Parent Company, its subsidiary and associate companies which are companies incorporated in India, whose financial statements have been audited

under the Act, have represented to us and to the other auditors of such subsidiary and associate companies that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the parent Company or the subsidiary or any other associated companies to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Parent Company, its subsidiary or any associated companies ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- b) The respective managements of the Parent Company, its subsidiary and associate companies which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us and to the other auditors of such subsidiary and associate companies respectively that, to the best of their knowledge and belief, no funds have been received by the Parent Company, the subsidiary or any of such associate companies from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Parent Company, the subsidiary or any of such associated companies shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances performed by us and that performed by the auditors of the subsidiary and associate companies

which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditor's notice that has caused us or the auditors to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided under (a) and (b) above contain any material misstatement.

- v. No dividend has been declared or paid during the year by the Parent Company, its subsidiary and associate companies.
- vi. Based on our examination, which included test checks, and that preformed by the respective auditors of the subsidiary and associates which are incorporated in India and whose financial statement has been audited under the Act, the Company, its subsidiary and associates has used an accounting software for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility, except that audit trail not enabled at the database level to log any direct changes for the accounting software used for maintaining the books of account. For accounting software for which audit trail feature is enabled, the audit trail facility has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we and respective auditor of the above referred subsidiary and associates did not come across any instance of the audit trail feature being tampered with.
14. As The Group, its subsidiary and associate companies entities incorporated in India have paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

## Annexure “A” to the Independent Auditor’s Report of Western Carriers (India) Limited

Refer to the paragraph 13(f) of the Independent Auditor’s Report of even date to the members of **Western Carriers (India) Limited** on the consolidated financial statements as of and for the year ended March 31, 2025.

### Report on the Internal Financial Controls with reference to consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

1. In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2025, we have audited the internal financial controls with reference to consolidated financial statements of Western Carriers (India) Limited (hereinafter referred to as “the “Parent”), its subsidiary company and associate companies, which are companies incorporated in India, as of that date.

### Management’s Responsibility for Internal Financial Controls

2. The respective Board of Directors of the Parent, its subsidiary company and its associate companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the internal control with reference to consolidated financial statements criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (“ the Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditor’s Responsibility

3. Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements of the Parent, its subsidiary company and its associate companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note issued by ICAI and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we

comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary company and associate companies, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements of the Parent’s internal financial control system.

### Meaning of Internal Financial Controls with reference to consolidated financial statements

6. A company’s internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls with reference to consolidated financial statements**

7. Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

8. In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the reports of the branch auditors and other auditors referred to in the Other Matters paragraph below, the Parent, its subsidiary company and its associate companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31,

2025, based on the criteria for internal financial control with reference to consolidated financial statements established by the respective companies considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

### **Other Matters**

9. Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements insofar as it relates to one subsidiary company and three associate companies, which are companies incorporated in India, is based solely on the corresponding reports of the auditors of such companies incorporated in India.

Our opinion is not modified in respect of the above matters.

# Notes to the Consolidated Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## 1 General Information

Western Carriers (India) Limited (the Company) having CIN: L63090WB2011PLC161111 is a public limited company registered in India under the provisions of the erstwhile Companies Act, 1956. The Company is domiciled in India. During the year ended March 31, 2025, the company has completed its Initial Public Offer ("IPO") and its equity shares were listed on the National Stock Exchange ("NSE") and on the BSE Limited ("BSE") on September 24, 2024. The Company is a player in the Indian logistics industry and engaged in providing single, multimodal and other transportation services, warehousing and other ancillary services.

(a) The details of Company's associates as at March 31, 2025 are as follows:

Name of the Company	Nature & Relationship	% of shares held by the Western Carriers (India) Ltd.	Nature of business carried on by the Company
Success Suppliers Private Limited	Associate	33.33%	Engaged in the business of Wholesale Trading
SMP Properties Private Limited	Associate	22.97%	Engaged in the business activities of immovable properties
F M Carriers Private Limited	Associate	31.43%	Engaged in the business of Other Supporting Transport Service

The Company and its subsidiary is together referred to as the Group.

The Company, pursuant to a resolution passed by the Board of Directors of the Company at their meeting held on May 8, 2023, has sold 1,010,000 shares that it held in Western Skyvilla Private Limited to one of its Promoters, Rajendra Sethia. Consequent to the sale of shares, Western Skyvilla Private Limited, has ceased to be subsidiary of the Company w.e.f. May 9, 2023.

## 2 Basis of Preparation

### 2.1 Statement of Compliance

The consolidated financial statements comply with all material aspect of Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting standards) Rule, 2015] and other relevant provisions of the Act.

### 2.2 Functional and presentation currency

These consolidated financial statements are presented in Indian Rupees (₹), which is also the Group's functional currency. All amounts have been rounded-off to the nearest Million upto two decimal, unless otherwise stated.

### 2.3 Basis of measurement

The consolidated financial statements have been prepared on the historical cost basis except certain financial assets and liabilities which are measured at fair values.

### 2.4 Use of estimates and critical accounting judgements

In the preparation of the financial statements, the Group makes judgements, estimates and assumptions about the carrying value of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

Key source of estimation of uncertainty at the date of the consolidated financial statements, which may cause material adjustment to the carrying amounts of assets and liabilities within the next financial year are provided below:

#### (a) Property, plant and equipment and intangible assets – useful lives

Property, plant and equipment represent a significant proportion of the asset base of the Group. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of the Group's assets are determined by the Management at the time the asset is acquired and reviewed periodically, including at the end of each reporting period. The lives are based on historical experience with similar assets.

# Notes to the Consolidated Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## (b) Assets and obligations relating to employee benefits

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate; future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

## (c) Lease classification, termination and renewal option of leases

Ind AS 116, Leases requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Group makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that the Group will continue the lease beyond non-cancellable period and whether any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Group considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the terminating the lease and the importance of the underlying asset to Group's operations taking in to account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances. After considering current and future economic conditions, the Group has concluded that no material changes are required to lease period relating to the existing lease contracts.

## (d) Impairment of Goodwill

The Group estimates the value in use of the cash generating unit (CGU) based on future cash flows after considering current economic conditions and trends, estimated future operating results and growth rates and anticipated future economic and regulatory conditions. The estimated cash flows are developed using internal forecasts. The cash flows are discounted using a suitable discount rate in order to calculate the present value. Refer Note 6 for additional details.

## 2.5 Measurement of fair values

A number of the Group's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

The Group has an established control framework with respect to the measurement of fair values. The Group regularly reviews significant unobservable inputs and valuation adjustments. If third party information is used to measure fair values, then the Group assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified.

- Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:
- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Group uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Group recognises transfer between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

## 3 Material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of consolidated financial Statement. These policies have been consistently applied to all the years.

### 3.1 Basis of Consolidation

#### (a) Subsidiary

Subsidiary is entity controlled by the Group. The Group controls an entity when it is exposed to, or has rights to, variable returns from its involvement

# Notes to the Consolidated Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

with the entity and has the ability to affect those returns through its power over the entity. The financial statements of subsidiary is included in the consolidated financial statements from the date on which control commences until the date on which control ceases.

## (b) Equity accounted investees

The Group's interests in equity accounted investees comprise interests in associates.

When the Group has significant influence over the other entity, it considers such interests as associates. Significant influence is the power to participate in the financial and operating policy decisions of the entity but is not control or joint control over the entity.

The results, assets and liabilities of associates are incorporated in the consolidated financial statements using equity method of accounting after making necessary adjustments to achieve uniformity in application of accounting policies, wherever applicable.

An investment in associate is initially recognised at cost and adjusted thereafter to recognise the Group's share of profit or loss and other comprehensive income of the associate. Gain or loss in respect of changes in other equity of associates resulting in divestment or dilution of stake in the associates is recognised in the Consolidated Statement of Profit and Loss.

On acquisition of investment in a associate, any excess of cost of investment over the fair value of the assets and liabilities of the associate, is recognised as goodwill and is included in the carrying value of the investment in the associate. The excess of fair value of assets and liabilities over the investment is recognised directly in equity as capital reserve. The unrealised profits/losses on transactions with associates are eliminated by reducing the carrying amount of investment. The carrying amount of investment in associates is reduced to recognise impairment, if any, when there is evidence of impairment.

When the Group's share of losses of an associate exceeds the Group's interest in that associate (which includes any long term interests that, in substance, form part of the Group's net investment in the associate), the Group discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate.

## (c) Obtaining control over existing investment

The difference between the fair value of the initial interest as at the date of obtaining control and its book value is recognised in the consolidated statement of profit and loss.

## (d) Transactions eliminated on consolidation

Intra-Group balances and transactions, and any unrealised gains and losses arising from intra-Group transactions, are eliminated. Unrealised gains arising from transactions with equity accounted investees are eliminated against the investment to the extent of the Group's interest in the investee. Unrealised losses are eliminated in the same way as unrealised gains, but only to the extent that there is no evidence of impairment.

## 3.2 Current versus non-current classification

The Group presents assets and liabilities in the consolidated balance sheet based on current/non-current classification.

An asset is classified current when it is:

- (a) Expected to be realised or intended to be sold or consumed in the normal operating cycle;
- (b) Held primarily for the purpose of trading;
- (c) Expected to be realised within twelve months after the reporting period; or
- (d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is classified current when:

- (a) It is expected to be settled in the normal operating cycle;
- (b) It is held primarily for the purpose of trading;
- (c) It is due to be settled within twelve months after the reporting period; or
- (d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are always classified as non-current assets and liabilities.

## 3.3 Financial instruments

### (a) Recognition and initial measurement

Trade receivables and investment in debt securities issued are initially recognised when they are originated. All other financial assets and financial

# Notes to the Consolidated Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

liabilities are initially recognised when the Group becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

## (b) Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at

- amortised cost;
- Fair value through profit or loss (FVTPL) or Fair value through other comprehensive income ('FVOCI')

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Group changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset is measured at fair value through other comprehensive income ('FVOCI') if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows and cash flows from sales; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All financial assets not classified as measured at amortised cost as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Group may irrevocably

designate a financial asset that otherwise meets the requirements to be measured at amortised cost as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Equity instruments are always classified fair value through profit and loss, except in cases where the Group has elected an irrevocable option of designating the same as fair value through other comprehensive income (FVOCI).

## Financial assets: Subsequent measurement and gains and losses

### Financial assets at FVTPL :

These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.

### Financial assets at amortised cost:

These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.

### Financial assets at FVOCI :

These assets are subsequently measured at fair value through other comprehensive income i.e., subsequent changes in fair value of the instrument is recognised in other comprehensive income. Any dividend received on such instruments are recognised in profit or loss.

## Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified and measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

## (c) Derecognition

### Financial assets:

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to

# Notes to the Consolidated Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Group neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Group enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

## Financial liabilities:

The Group derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Group also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

## (d) Impairment of financial assets

Loss allowance for expected credit losses is recognised for financial assets measured at amortised cost and fair value through other comprehensive income.

The Group recognises life time expected credit losses for all trade receivables that do not constitute a financing transaction.

For financial assets (apart from trade receivables that do not constitute of financing transaction) whose credit risk has not significantly increased since initial recognition, loss allowance equal to twelve months expected credit losses is recognised. Loss allowance equal to the lifetime expected credit losses is recognised if the credit risk of the financial asset has significantly increased since initial recognition.

## (e) Offsetting

Financial assets and financial liabilities are offset and the net amount is presented in the balance sheet when, and only when, the Group currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

## 3.4 Revenue from contract with customers

Revenue from contracts with customers is recognised when control of the services are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those services. Such revenue is recognised upon the Group's performance of its contractual obligations and on satisfying all the following conditions:

- (1) Parties to the contract have approved the contract and undertaken to perform their respective obligations;
- (2) Such contract has specified the respective rights and obligations of the parties in connection with the transfer of goods or rendering of services (hereinafter the "Transfer");
- (3) Such contract contains specific payment terms in relation to the Transfer;
- (4) Such contract has a commercial nature, namely, it will change the risk, time distribution or amount of the Group's future cash flow;
- (5) The Group is likely to recover the consideration it is entitled to for the Transfer to customers.

Revenue is recognised when no significant uncertainty exists regarding the collection of the consideration. The amount recognised as revenue is exclusive of all indirect taxes and net of returns and discounts.

## (a) Rendering of services

The Group generates revenue from services to its customers such as providing freight and other transportation services, warehousing contracts ranging from a few months to a few years. Certain accessorial services may be provided to customers under their transportation contracts, such as unloading and other incidental services. The Group's performance obligations are satisfied over time as customers simultaneously receive and consume the benefits of the Group's services. The contracts contain a single performance obligation, as the distinct services provided remain substantially the same over time and possess the same pattern of transfer. The transaction price is based on the consideration specified in the contract with the customer and contains fixed and variable consideration. In general, the fixed component of a contract represents amounts for facility and equipment costs incurred to satisfy the performance obligation and is recognized over the term of the contract.

# Notes to the Consolidated Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

In the case of transportation services, performance obligation is created when a customer under a transportation contract submits a shipment note for the transport of goods from origin to destination. These performance obligations are satisfied over the period as the shipments move from origin to destination and revenue is recognized proportionally as a shipment moves and the related costs are recognized as incurred. Performance obligations are short-term, with transit days less than one week. Generally, customers are billed upon completion of shipment, and remit payment according to approved payment terms. The Group recognizes revenue on a net basis when the Group does not control the specific services.

## (b) Contract balances

### Contract assets

A contract asset is initially recognised for revenue earned from inspection services because the receipt of consideration is conditional on successful completion of the inspection. Upon completion of the inspection, the amount recognised as contract assets is reclassified to trade receivables.

### Trade receivables

A receivable is recognised if an amount of consideration that is unconditional is due from the customer (i.e., only the passage of time is required before payment of the consideration is due). Refer to accounting policies for financial assets for initial and subsequent measurements.

### Contract liabilities

A contract liability is recognised if a payment is received or a payment is due (whichever is earlier) from a customer before the Group transfers the related goods or services. Contract liabilities are recognised as revenue when the Group performs under the contract (i.e., transfers control of the related goods or services to the customer).

Current tax relating to items recognised directly in equity is recognised in equity and not in the statement of profit or loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

### Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss. Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

The Group offsets deferred tax assets and deferred tax liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority.

## 3.5 Income Taxes

### Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date in the countries where the Group or companies within the Group operates and generates taxable income.

## 3.6 Property, plant and equipment

"Property, plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Construction in progress is stated at cost, net of accumulated impairment losses, if any.

Cost of Property, plant and equipment includes the costs directly attributable to the acquisition or constructions of assets, or replacing parts of the plant and equipment and

# Notes to the Consolidated Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

borrowing costs for qualifying assets, if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Group depreciates them separately based on their specific useful lives.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with them will flow to the Group and the cost of the item can be measured reliably. All other repair and maintenance costs are recognised in profit or loss as incurred.

Advance given for acquisition / construction of Property, Plant and Equipment and Intangible assets are presented as "Capital Advance" under Other Non Current Assets.

The assets in the process of construction or acquisition but not ready for management's intended use are included under Capital Work in progress.

Depreciation is provided on written down value method in the manner and on the basis of useful lives prescribed in Schedule II to the Companies Act, 2013. Depreciation on addition / deduction is calculated pro-rata from/to the month of addition / deduction.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal (i.e., at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the consolidated statement of profit or loss when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

The estimated useful lives of the assets considered by the Group Company is stated hereunder, which is in line with useful lives specified under schedule II of the Companies Act, 2013

Assets Description	Useful Life in Years
Office Building	60
Heavy Equipments	15
Heavy Vehicles	6
Office Appliances	5
Computer	3
Other Machinery	15
Motor Cycle, Scooter	10
Motor Vehicles	8
Furniture	10
Electrical Equipments	10

## 3.10 Leases

The Group assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

### The Group as a lessee

The Group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Group recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

### Right-of-use assets

The Group recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

If ownership of the leased asset transfers to the Group at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

### Lease liabilities

At the commencement date of the lease, the Group recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include payments of penalties for terminating the lease, if the lease term reflects the Group exercising the option to terminate.

Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Group uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities

# Notes to the Consolidated Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments.

The Group's lease obligations are presented on the face of the Consolidated Balance Sheet.

## Short-term leases and leases of low value assets

The Group applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date). It also applies the lease of low-value assets recognition exemption to leases of assets that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

## The Group as a lessor

Leases in which the Group does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms and is included in revenue in the statement of profit or loss due to its operating nature. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

## 3.11 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

## 3.12 Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Subsequent to initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.

Intangible assets are amortised over the useful economic life (5 years for computer software) and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation

period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period.

An intangible asset is derecognised upon disposal (i.e., at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Any gain or loss arising upon derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit or loss.

## 3.13 Impairment of assets (other than financial assets)

At each balance sheet date, the Group reviews the carrying value of its property, plant and equipment and intangible assets to determine whether there is any indication that the carrying value of those assets may not be recoverable through continuing use. If any such indication exists, the recoverable amount of the asset is reviewed in order to determine the extent of impairment loss, if any. Where the asset does not generate cash flows that are independent from other assets, the Group estimates the recoverable amount of the cash generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. An impairment loss is recognised in the statement of profit and loss as and when the carrying value of an asset exceeds its recoverable amount.

Where an impairment loss subsequently reverses, the carrying value of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount so that the increased carrying value does not exceed the carrying value that would have been determined had no impairment loss been recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognised in the Statement of Profit and Loss immediately.

## 3.14 Provisions and contingencies

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

# Notes to the Consolidated Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

Disclosure for contingent liabilities is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources embodying economic benefits will be required to settle or a reliable estimate of the amount cannot be made.

## 3.15 Cash and short-term deposits

Cash and short-term deposits in the statement of financial position comprise cash at banks and on hand and short-term highly liquid deposits with a maturity of three months or less, that are readily convertible to a known amount of cash and subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

## 3.16 Employee benefits

### Short-term employee benefits

Liabilities for short-term employee benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee related liabilities under other financial liabilities in balance sheet.

### Post - employment benefits

The liability or asset recognised in the Balance Sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually at year end by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in 'Employee Benefits Expense' in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly

in other comprehensive income. These are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligations resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

### Defined contribution plan

The Group pays provident fund contributions to publicly administered provident fund as per local regulations. The Group has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

## 3.17 Earnings per share

### (i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to equity shareholders of the Parent Company
- by the weighted average number of equity shares outstanding during the financial year

### (ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

## 3.18 Contributed equity

Equity shares are classified as equity. Incremental cost directly attributable to the issue of new shares or options are shown in equity as reduction, net of tax from the proceeds.

## 3.19 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker ('CODM'). The CODM is responsible for allocating resources and assessing performance of the operating segments and has been identified as the Board of Directors of the Parent Company.

# Notes to the Consolidated Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

(a) Refer Note 18 for details of security against borrowings.

## Movement in Capital work in progress and its age analysis

### (i) Movement in Capital work in progress

Particulars	For the Year Ended March 31, 2025	For the Year Ended March 31, 2024
Balance at the beginning of the year	-	66.41
Additions during the year	150.13	-
Capitalised during the year	-	(66.41)
<b>Balance at the end of the year</b>	<b>150.13</b>	<b>-</b>

# Notes to the Consolidated Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## Note 4: Property, plant and equipment (Contd..)

### (ii) Age analysis of Capital work in progress

Particulars	As at March 31, 2025				Total
	Less than 1 year	1 to 2 years	2 to 3 years	More than 3 years	
PFT	150.13	-	-	-	150.13

Particulars	As at March 31, 2024				Total
	Less than 1 year	1 to 2 years	2 to 3 years	More than 3 years	
Heavy Vehicles	-	-	-	-	-

- (iii) There are no project whose completion are overdue or has exceeded its cost, as compared to its original plan for both the year.

## Note 5: Right of use assets

The Group has taken on lease various offices, warehouses other spaces for its uses. Rental contracts typically range from 1 year to 10 years.

### A. The changes in the carrying value of Right of Use assets :

Particulars	Buildings
<b>Gross Block</b>	
Balance as at April 1, 2023	96.84
Additions during the year	5.71
Deletions/cancellation/modification during the year	-
Balance as at March 31, 2024	102.55
Additions during the year	26.64
Deletions/cancellation/modification during the year	-
Balance as at March 31, 2025	129.19
<b>Accumulated Amortisation</b>	
Balance as at April 1, 2023	52.22
Charge for the year	21.02
Deletions/cancellation/modification during the year	-
Balance as at March 31, 2024	73.24
Charge for the year	21.19
Deletions/cancellation/modification during the year	-
Balance as at March 31, 2025	94.43
<b>Carrying Amount</b>	
Net carrying amount as at March 31, 2024	29.31
Net carrying amount as at March 31, 2025	34.76

The aggregate depreciation expense on RoU assets is included under depreciation expense in the Consolidated Statement of Profit and Loss.

# Notes to the Consolidated Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## Note 5: Right of use assets (Contd..)

### B Movement in lease liabilities :

Particulars	Lease Obligations
<b>Balance as at April 1, 2023</b>	<b>48.80</b>
Additions during the year	5.71
Deletions during the year	-
Interest on lease obligation	4.05
Payment of lease liabilities	(25.46)
<b>Balance as at March 31, 2024</b>	<b>33.10</b>
Additions during the year	26.64
Deletions during the year	-
Interest on lease obligation	2.56
Payment of lease liabilities	(25.77)
<b>Balance as at March 31, 2025</b>	<b>36.53</b>

### C The break-up of current and non-current lease liabilities as at the year end:

Particulars	As at March 31, 2025	As at March 31, 2024
Current	9.97	22.56
Non-current	26.56	10.54
<b>Total</b>	<b>36.53</b>	<b>33.10</b>

With the exception of short-term leases and leases of low-value underlying assets, each lease is reflected on the Consolidated Balance Sheet as a right of use asset and a lease liability. Payments made for short term leases and leases of low-value are expensed on a straight line basis over the lease term.

### D The details of contractual maturities of lease liabilities as at the year end on undiscounted basis are as follows:

Particulars	As at March 31, 2025	As at March 31, 2024
Less than one year	13.07	24.75
One to five years	33.95	11.38
More than five years	-	-
<b>Total</b>	<b>47.02</b>	<b>36.13</b>

The Group does not face a significant liquidity risk regards to its lease liabilities as the current assets are sufficient to meet the obligation related to the lease liabilities as and when they fall due.

### E The amount recognised in the Consolidated Statement of Profit and Loss are as follows:

Particulars	As at March 31, 2025	As at March 31, 2024
Depreciation expense of right-of-use assets	21.19	21.02
Interest expense on lease liabilities	2.56	4.05
Rent expense - short-term lease and leases of low value assets	86.17	34.69
<b>Total</b>	<b>109.92</b>	<b>59.76</b>

# Notes to the Consolidated Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## Note 5: Right of use assets (Contd..)

### F Extension and termination options

Extension and termination options are included in various leases. These are used to maximize operational flexibility in terms of managing the assets used in the Group's operations. The majority of the extension and termination options held are exercisable by the Group and not by the respective lessor.

### G Discount rate

The Group has used the incremental borrowing rate of 10% (FY 2023-24: 10%) to determine the lease liabilities.

## Note 6: Goodwill and other intangible assets

	Goodwill	Other Intangible Assets		
		Trademark*	Computer Software	Total

# Notes to the Consolidated Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## Note 12: Trade receivables (Contd..)

Age bracket	As at March 31, 2025						Total
	Unbilled	Less than 6 months	6 months to 1 year	1 year to 2 years	2 years to 3 years	More than 3 years	
Disputed trade receivables considered good	-	-	-	-	-	43.82	43.82
Disputed trade receivables considered doubtful	-	-	-	-	-	-	-
<b>Total Ageing of receivables</b>	<b>1,012.67</b>	<b>5,018.54</b>	<b>114.99</b>	<b>27.86</b>	<b>18.66</b>	<b>61.54</b>	<b>6,254.25</b>

Age bracket	As at March 31, 2024						Total
	Unbilled	Less than 6 months	6 months to 1 year	1 year to 2 years	2 years to 3 years	More than 3 years	
Undisputed trade receivables – considered good	1,188.43	3,899.88	123.09	26.53	9.17	12.42	5,259.52
Undisputed trade receivables – considered doubtful	-	-	-	-	-	-	-
Disputed trade receivables considered good	-	-	-	-	-	43.82	43.82
Disputed trade receivables considered doubtful	-	-	-	-	-	-	-
<b>Total Ageing of receivables</b>	<b>1,188.43</b>	<b>3,899.88</b>	<b>123.09</b>	<b>26.53</b>	<b>9.17</b>	<b>56.24</b>	<b>5,303.34</b>

### Note:

- The ageing has been determined from the date they were invoiced to the customers. Refer Note 37 on credit risk for more details.
- No trade receivables are due from Directors or other officers of the Group, or from firms or private companies in which any director is a partner, director or member.
- Movement in allowances for expected credit loss

	For the year ended March 31, 2025	For the year ended March 31, 2024
Allowances for expected credit losses at the beginning of the year	48.47	45.52
Allowances created during the year [Refer note 29]	1.54	2.95
<b>Allowances for expected credit losses at the end of the year</b>	<b>50.01</b>	<b>48.47</b>

- In determining allowance for credit losses of trade receivables, the Group has used the practical expedient by computing the expected credit loss allowance based on a provision matrix. The provision matrix takes into account historical credit loss experience and is adjusted for forward looking information. The expected credit loss allowance is based on ageing of receivables and the rates used in provision matrix.

<b>Balance at the end of the year</b>	<b>-</b>	<b>-</b>

#### (a) Securities Premium

Securities Premium is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of the Companies Act, 2013

#### (b) Retained earnings

Retained earnings are the profits that the Company has earned till date, less any transfers to reserves, dividends or other distributions paid to shareholders. Retained earnings is a free reserve available to the Company.

#### (c) Remeasurement of employee defined benefits

Remeasurement of employee defined benefits represents re-measurement loss or gain on defined benefit plans, net of taxes that will not be reclassified to profit or loss.

# Notes to the Consolidated Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## Note 17: Other equity (Contd..)

### (d) FVOCI equity investments

The Company has elected to recognise changes in the fair value of certain investments in equity securities in other comprehensive income. These changes are accumulated within the FVOCI equity investments reserve within equity. The Company transfers amounts from this reserve to retained earnings when the relevant equity securities are derecognised.

### (e) Capital redemption reserve

The Companies Act, 2013 (the "Companies Act") requires that where a Company redeem its preference shares out of free reserves or securities premium, a sum equal to the nominal value of the preference shares so redeemed shall be transferred to a capital redemption reserve and details of such transfer shall be disclosed in the balance sheet. The capital redemption reserve may be applied by the Company, in paying up unissued shares of the Company to be issued to shareholders of the Company as fully paid bonus shares.

	Total No. of Instalments	Earliest Start Date	Maturity	Rate of Interest	Amount outstanding As at March 31, 2025	Amount outstanding As at March 31, 2024
HDFC Bank	48 equal monthly instalments after moratorium of 1 year	February 7, 2021	January 7, 2026	9.25%	15.59	32.95
Kotak Mahindra	36 equal monthly instalments after moratorium of 1 year	January 7, 2021	December 7, 2024	8.25%	0.00	12.01
Indian Bank	49-47 equal monthly instalments after moratorium of 11-25 months	March 15, 2021	January 15, 2028	9.25%	39.65	63.94
					<b>55.24</b>	<b>108.90</b>

# Notes to the Consolidated Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## Note 18: Borrowings (Contd..)

### (ii) Others

The above loans are secured by hypothecation by way of Paripasu Charge on book debts and collaterally secured by movable properties of the Company and immovable properties owned by Shri Rajendra Sethia and personally guaranteed by Kanishka Sethia and Rajendra Sethia, Directors of the Company.

	Total No. of Instalments	Earliest Start Date	Maturity	Rate of Interest	Amount outstanding As at March 31, 2025	Amount outstanding As at March 31, 2024
HDFC Bank	36	January 7, 2024	July 7, 2027	8.80% - 9.20%	74.06	64.84
					<b>74.06</b>	<b>64.84</b>

### (b) Unsecured borrowings from others

Unsecured borrowings from others represents borrowings from body corporates, which is repayable on demand.

### (c) Quarterly return or statements filed with banks

The Company has filed quarterly returns or statements with the banks in lieu of the sanctioned working capital facilities. There was no material difference between the amount of trade receivable reported to the banks, except for the quarter ended March 31, 2025, December 31, 2024, September 30, 2024 and June 30, 2024 & March 31, 2024, December 31, 2023, September 30, 2023 and June 30, 2023, whereby the reported amounts of trade receivable were lower by ₹ 1,166.10 Million, lower by ₹ 1,467.25 Million, lower by ₹ 1,442.62 Million and lower by ₹ 1,703.92 Million & lower by ₹ 1,370.49 Million, higher by ₹ 20.39 Million, lower by ₹ 50.92 Million and higher by ₹ 31.75 Million, respectively. Such differences were primarily due to adjustments pursuant to reconciliation with the customers subsequent to the filing of the said statements.

### (d) wilful defaulter

The Company has not been declared wilful defaulter by any bank or financial institution or other lender or government or any government authority.

### (e) Registration of charges or satisfaction with Register of Company (ROC)

The Company do not have any charges or satisfaction of charges which is yet to be registered with Registrar of Companies beyond the statutory period.

## Note 19: Other financial liabilities

	As at March 31, 2025	As at March 31, 2024
<b>Current</b>		
(a) Payable to employees	46.35	35.92
(b) Other payables	64.55	29.63
<b>Total Other financial liabilities</b>	<b>110.90</b>	<b>65.55</b>

Other current payable includes payable to capital creditors of ₹ 6.77 Millions (March 31, 2023 - ₹ Nil Millions)

## Note 27: Finance costs

	For the year ended March 31, 2025	For the year ended March 31, 2024
(a) Interest on financial liabilities measured at amortised cost		
- Interest expenses on short-term borrowings from banks and financial institutions	150.03	161.95
- Interest expenses on term loans from banks	47.98	40.73
- Interest expenses on loans from body corporate	0.88	0.22
(b) Interest on lease obligations	2.56	4.05
(c) Other borrowing costs	13.68	14.83
<b>Total finance costs</b>	<b>215.13</b>	<b>221.78</b>

## Note 28: Depreciation and amortisation expense

	For the year ended March 31, 2025	For the year ended March 31, 2024
(a) Depreciation on property, plant and equipments	216.19	190.82
(b) Amortisation of intangible assets	0.56	0.57
(c) Depreciation of right of use assets	21.19	21.02
<b>Total depreciation and amortisation expense</b>	<b>237.94</b>	<b>212.41</b>

## Note 29: Other expenses

	For the year ended March 31, 2025	For the year ended March 31, 2024
(a) Donation and subscriptions	6.96	10.32
(b) Corporate social responsibility expenses [Refer Note 40]	18.70	29.00
(c) Rent expenses	86.17	34.69
(d) Repairs and maintenance		
- Vehicle and equipment	297.34	301.76
(e) Maintenance and upkeep charges	13.39	5.83
(f) Electricity expenses	6.51	5.43
(g) Bank charges	6.16	1.05
(h) Travelling and conveyance expenses	46.72	40.62
(i) Insurance charges	37.21	31.10
(j) Printing & stationery expenses	7.58	7.50
(k) Telephone expenses	3.19	3.34

# Notes to the Consolidated Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## Note 29: Other expenses (Contd..)

	For the year ended March 31, 2025	For the year ended March 31, 2024
(l) Auditors' Remuneration [Refer 29.1 below]	1.20	1.20
(m) Loss on Property, Plant and Equipment	-	-
(n) Allowance for doubtful debts	1.54	2.95
(o) Other general expenses	96.78	87.33
(p) Foreign Exchange fluctuation Loss	0.02	-
<b>Total other expenses</b>	<b>629.47</b>	<b>562.12</b>

### 29.1 Auditors' Remuneration

	For the year ended March 31, 2025	For the year ended March 31, 2024
Audit fees - statutory audit	1.05	1.05
Audit fees - tax audit	0.15	0.15
<b>Total auditors remuneration</b>	<b>1.20</b>	<b>1.20</b>

## Note 30: Earnings per share

	For the year ended March 31, 2025	For the year ended March 31, 2024
Profit after tax for the year (in ₹ Million)	651.30	803.47
Profit available to the equity shareholders (in ₹ Million) (a)	651.30	803.47
Number of equity shares at the beginning of the year	7,86,99,400	7,86,99,400
Number of equity shares at the end of the year	10,19,55,213	7,86,99,400
Weighted average number of equity shares outstanding during the year (b)	9,09,96,309	7,86,99,400
Nominal value of each equity share (in ₹)	5.00	5.00
Basic earnings per equity share (a/b) (in ₹)	7.16	10.21
Diluted earnings per equity share (a/b) (in ₹)	7.16	10.21

## Note 31: Contingencies and Commitments

### (a) Contingent liabilities

	As at March 31, 2025	As at March 31, 2024
Claims not acknowledged as debts		
- Demand of Indian Railway <sup>#</sup>	5.31	5.31
- Income - tax <sup>##</sup>	18.00	18.00
- Goods and Service Tax <sup>##</sup>	18.09	2.75

<sup>#</sup>A demand notice dated February 9, 2022 ("Demand Notice") was issued by the commercial supervisor, North Eastern Frontier Railways, Azara, Assam ("Respondents") to the Company, demanding penalty of ₹ 5.31 Million in relation to alleged mis-declaration of consignment by the Company, and detaining the consignment against the demand so raised. The Company filed a writ petition ("Writ Petition") before the Gauhati High Court ("High Court") praying that the Demand Notice be declared illegal, without any authority of law and liable to be set aside. The High Court, by an order dated February 23, 2022 held that pendency of the Writ Petition will not act as a bar on the Respondents from verifying and re-assessing the charges in relation to alleged mis-declaration of consignment. The Company appealed against this order before the High Court. The High Court by its order dated March 16, 2022 ("Order") directed the release of the consignment upon furnishing of a bank guarantee of ₹ 5.31 Million by the Company. Pursuant to this Order, the Company has furnished a bank guarantee and secured release of the consignment. The Writ Petition is currently pending.

<sup>##</sup> The Company has been advised by its lawyers that income tax demand and goods and service tax demands are not tenable, and hence this is being contested. No provision in the books has been considered necessary for the above matters. The future cash flows on account of the above cannot be determined unless the judgements/decisions are received from the ultimate judicial forum. No reimbursements is expected to arise to the Company in respect of above cases.

# Notes to the Consolidated Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## Note 32: Disclosures relating to micro and small enterprises

Sr. No.		As at March 31, 2025	As at March 31, 2024
1	The Principal amount and Interest due thereon remaining unpaid to any supplier at the end of the accounting year.		
	- Principal amount	24.75	56.38
	- Interest due thereon	-	-
2	The amount of interest paid by the buyer in terms of Section 16 of the MSMED Act, 2006 along with the amount of the payment made to the supplier beyond the appointed day during the year.		
	- Principal amount	-	-
	- Interest due thereon	-	-
3	The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under this MSMED Act, 2006.		
	- Principal amount	-	-
	- Interest due thereon	-	-
4	The amount of interest accrued and remaining unpaid at the end of the accounting year	-	-
5	The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest due on above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under Section 23 of the MSMED Act, 2006.	-	-

Dues to Micro and Small Enterprises have been determined to the extent such parties have been identified on the basis of information collected by the Management. This has been relied upon by the auditors.

## Note 33: Employee Benefits

### Employees Defined Contribution Plans - Provident Fund

The Company provides Provident Fund facility to eligible employees. The fund is managed by Commissioner of the Provident Fund. The contributions are expensed as they are incurred in line with the treatment of wages and salaries. The liability of the Company is limited to the contribution deducted from the salary of the employee and the Company's share. The Company has recognized, in the Standalone Statement of Profit and Loss for the current year, an amount of ₹ 23.91 Million (for the year ended March 31, 2024: ₹ 22.33 Million) as expenses under defined contribution plans.

### Employee Defined Benefit Plans - Gratuity [Unfunded]

The Company provides for gratuity for employees as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied by the number of years of service completed, subject to the maximum amount of ₹ 2 Million. The gratuity plan is an unfunded plan. The Company does not fully fund the liability and make the payments as and when they become due from its own funds.

# Notes to the Consolidated Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## Note 33: Employee Benefits (Contd..)

### Amounts recognised in the financial statements

The amounts recognised in the financial statements and the movements in the net defined benefit obligation and fair value of plan assets is as under:

	Defined benefit obligations	Fair value of plan assets (Unfunded)	Net amount
<b>Balance as at April 1, 2023</b>	<b>42.76</b>	<b>-</b>	<b>42.76</b>
Current service cost	8.55	-	8.55
Interest expense/ income	3.12	-	3.12
<b>Total amount recognised in profit or loss</b>	<b>11.67</b>	<b>-</b>	<b>11.67</b>
Remeasurement	-	-	-
Return on plan assets, excluding amounts included in interest expense/(income)	-	-	-
Actuarial (gain)/loss from change in demographic assumptions	-	-	-
Actuarial (gain)/loss from change in financial assumptions	1.17	-	1.17
Actuarial (gain)/loss from unexpected experience	4.42	-	4.42
<b>Total amount recognised in OCI</b>	<b>5.59</b>	<b>-</b>	<b>5.59</b>
Employer contributions/ premium paid	-	1.72	1.72
Benefit payments	1.72	1.72	3.44
<b>Balance as at March 31, 2024</b>	<b>58.30</b>	<b>-</b>	<b>58.30</b>
Current service cost	10.13	-	10.13
Interest expense/ income	4.02	-	4.02
<b>Total amount recognised in profit or loss</b>	<b>14.15</b>	<b>-</b>	<b>14.15</b>
Remeasurement	-	-	-
Return on plan assets, excluding amounts included in interest expense/(income)	-	-	-
Actuarial (gain)/loss from change in demographic assumptions	-	-	-
Actuarial (gain)/loss from change in financial assumptions	4.59	-	4.59
Actuarial (gain)/loss from unexpected experience	(1.74)	-	(1.74)
<b>Total amount recognised in OCI</b>	<b>2.85</b>	<b>-</b>	<b>2.85</b>
Employer contributions/ premium paid	-	4.95	4.95
Benefit payments	4.95	4.95	-
<b>Balance as at March 31, 2025</b>	<b>70.35</b>	<b>-</b>	<b>70.35</b>

### Classification of the obligation into current and non current

	As at March 31, 2025	As at March 31, 2024
Current	2.26	3.10
Non-Current	68.09	55.20
	<b>70.35</b>	<b>58.30</b>

# Notes to the Consolidated Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## Note 33: Employee Benefits (Contd..)

### (ii) Significant estimates: actuarial assumptions

	As at March 31, 2025	As at March 31, 2024
The significant actuarial assumptions were as follows:		
Rate of discounting	6.63%	7.20%
Rate of salary increase	6.00%	6.00%
Mortality rate during employment	Indian Assured Lives Mortality (2012-14) ultimate	Indian Assured Lives Mortality (2012-14) ultimate

### (iii) Sensitivity analysis

	For the year ended March 31, 2025		For the year ended March 31, 2024	
	Increase	Decrease	Increase	Decrease
The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:				
Discount rate (+/- 1%)	6.77	(7.98)	5.09	(6.22)
Salary growth rate (+/- 1%)	(7.88)	6.82	(6.19)	5.16

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the standalone balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

### (iv) Major categories of plans asset

The scheme is unfunded.

### (v) Risk exposure

Through its defined benefit plans the Company is exposed to a number of risks, the most significant of which are detailed below:

#### Pay-as-you-go Risk:

For unfunded schemes financial planning could be difficult as the benefits payable will directly affect the revenue and this could be widely fluctuating from year to year. Moreover there may be an opportunity cost of better investment returns affecting adversely the cost of the scheme.

#### Discount rate risk:

The Company is exposed to the risk of fall in discount rate. A fall in discount rate will eventually increase in the ultimate cost of providing the above benefit thereby increasing the value of the liability.

# Notes to the Consolidated Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## Note 33: Employee Benefits (Contd..)

### Liquidity Risk:

This risk arises from the short term asset and liability cash-flow mismatch thereby causing the company being unable to pay the benefits as they fall due in the short term. Such a situation could be the result of holding large illiquid assets disregarding the results of cash-flow projections and cash outflow mismatch. (Or it could be due to insufficient assets/cash.)

### Future Salary Increase Risk:

The Scheme cost is very sensitive to the assumed future salary escalation rates for all final salary defined benefit Schemes. If actual future salary escalations are higher than that assumed in the valuation actual Scheme cost and hence the value of the liability will be higher than that estimated.

### Demographic Risk:

In the valuation of the liability certain demographic (mortality and attrition rates) assumptions are made. The Company is exposed to this risk to the extent of actual experience eventually being worse compared to the assumptions thereby causing an increase in the scheme cost.

### Regulatory Risk:

Gratuity Benefit must comply with the requirements of the Payment of Gratuity Act, 1972 (as amended up-to-date). There is a risk of change in the regulations requiring higher gratuity payments (e.g. raising the present ceiling of ₹ 2 Million, raising accrual rate from 15/26 etc.)"

## (vi) Other disclosures

- Expected contribution for next year (12 months), i.e. 2025-26: ₹ 17.25 Million
- Weighted average duration of the defined benefit obligation is 5.32 years (As at March 31, 2024: 5.55 years)
- Estimated Cash Flows (discounted) in subsequent years

	As at March 31, 2025	As at March 31, 2024
Within 1 year	2.26	3.10
2 to 5 years	16.54	5.13
6 to 10 years	17.45	9.69

## Note 34: Financial Instruments and fair value measurements

The financial assets and financial liabilities of the Company at the end of the year:

	Classification of the assets / liabilities	As at March 31, 2025		As at March 31, 2024	
		Carrying amount	Fair value	Carrying amount	Fair value
Financial assets					
Loans	Amortised Cost	254.86	254.86	271.48	271.48
Trade receivables	Amortised Cost	6,204.24	6,204.24	5,254.87	5,254.87
Cash and cash equivalents	Amortised Cost	48.46	48.46	18.79	18.79
Other balances with bank	Amortised Cost	1,855.06	1,855.06	249.95	249.95
Other Financial assets (Current & non-current)	Amortised Cost	240.58	240.58	150.52	150.52
Total		8,603.20	8,603.20	5,945.61	5,945.61

# Notes to the Consolidated Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## Note 34: Financial Instruments and fair value measurements (Contd..)

	Classification of the assets / liabilities	As at March 31, 2025		As at March 31, 2024	
		Carrying amount	Fair value	Carrying amount	Fair value
Financial liabilities					
Long-term borrowings (including current maturity)	Amortised Cost	440.29	436.30	473.32	467.62
Short-term borrowings	Amortised Cost	1,279.80	1,279.80	2,186.66	2,186.66
Lease liabilities (Current & non-current)	Amortised Cost	36.53	36.53	33.10	33.10
Trade payables	Amortised Cost	796.25	796.25	697.76	697.76
Other financial liabilities (Current & non-current)	Amortised Cost	110.90	110.90	65.55	65.55
Total		2,663.77	2,659.78	3,456.39	3,450.69

- (i) The carrying amounts of current financial assets and liabilities carried at amortised cost closely approximate to their fair values as the impact of discounting on such financial assets or liabilities is not significant considering the instruments matures in a very short time.
- (ii) Unsecured loans from related parties are repayable on demand and accordingly represents its fair value.
- (iii) Long-term security deposits are repayable on closure of contracts i.e., repayable on demand and accordingly carrying amount reflect its fair values. The same can be categorised as Level 3 fair value.
- (iv) Long-term borrowings carries both fixed and variable rate of interest. For variable interest rate borrowings, carrying amounts are considered to represent fair value of such borrowings. For fixed rate borrowings fair values have been determined using discounted cash flow approach using the current interest rates. The fair values of the borrowings can be categorised as Level 2 fair values.
- (v) Fair value of investment in equity instruments is determined using the cost method. The fair value of the investments is classified level 3. There is no significant operations in the investee entity and accordingly there are no significant changes in the fair value.

### Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard.

#### (a) Level 1 - Quoted prices in an active market:

This level of hierarchy includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities.

#### (b) Level 2 - Fair values determined using valuation techniques with observable inputs:

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2."

#### (c) Level 3 - Fair values determined using valuation techniques with significant unobservable inputs:

This level of hierarchy includes financial assets and financial liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

There are no transfers between levels 1, 2 and 3 during the year.

## Note 35: Capital management

### Risk management

The Company's objectives when managing capital are to:

- (a) safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- (b) Maintain an optimal capital structure to reduce the cost of capital.

The capital structure of the Company consists of debt, cash and cash equivalents and equity attributable to equity shareholders of the Company which comprises issued share capital and accumulated reserves disclosed in the statement of changes in equity and debts appearing as part of the borrowings.

The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The funding requirement is met through a mixture of equity, long term borrowings and short term borrowings.

## Note 36: Reconciliation of debts

This section sets out an analysis of debt and the movements therein

	As at March 31, 2025	As at March 31, 2024
Long-term borrowings including current maturities	440.29	473.32

# Notes to the Consolidated Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## Note 37: Financial risk management

In the course of its business, the Company is exposed primarily to fluctuations in interest rates, liquidity and credit risk, which may adversely impact the fair value of its financial instruments. In order to minimise any adverse effects on the financial performance of the Company, the Company has risk management policies as described below:

### (A) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) including deposits with banks and financial institutions, foreign exchange transactions, other financial instruments carried at amortised cost.

Financial instruments that are subject to credit risk and concentration thereof principally consist of trade receivables, loans receivables, cash and cash equivalents and other bank balances held by the Company. Trade receivables, cash and cash equivalents and other bank balances of the Company result in material concentration of credit risk.

The carrying value of financial assets represents the maximum credit risk. The maximum exposure to credit risk was ₹ 8,504.83 Million and ₹ 5,945.61 Million as at March 31, 2025 and March 31, 2024 respectively, being the total carrying value of trade receivables, balances with bank, bank deposits, loans and other financial assets.

#### Trade receivables

Customer credit risk is managed by the Company through established policy and procedures and control relating to customer credit risk management. Trade receivables are non-interest bearing and are generally carrying 30 to 60 days credit terms. The Company has a detailed review mechanism of overdue customer receivables at various levels within the organisation to ensure proper attention and focus for realisation. The Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends and ageing of accounts receivable.

Financial assets are considered to be of good quality and there is no significant increase in credit risk.

The requirement for impairment is analysed at each reporting date. The Company's receivables turnover is quick and historically, there was no significant defaults on account of those customer in the past. Ind AS requires an entity to recognise in profit or loss, the amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised in accordance with Ind AS 109, Financial Instruments. Expected credit losses are measured at an amount equal to the life time expected credit losses. The Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward-looking information. The outstanding receivables are regularly monitored to minimise the credit risk.

The Company evaluates the concentration of risk with respect to trade receivables and contract assets as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets. Of the trade receivables balance, ₹ 2,438.75 Million in aggregate (₹ 2,152.41 Million as at March 31, 2024) is due from the Company's customers individually representing more than 5% of the total trade receivables balance and accounted for approximately 39.62% (40.58% as at March 31, 2024) of all the receivables outstanding.

#### Other financial instruments and bank deposits

Credit risk from balances with banks is managed by the Company's finance department in accordance with the Company's policy. Counterparty credit limits are reviewed by the Company's Board of Directors on an annual basis, and may be updated throughout the year subject to approval of the Company's Board of Directors. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

Balances with banks and deposits are placed only with highly rated banks/financial institution.

### (B) Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. This is generally performed in accordance with practice and limits set by the Company.

# Notes to the Consolidated Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## Note 37: Financial risk management (Contd..)

### Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity based on their contractual maturities.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

As at March 31, 2025	Contractual maturities of financial liabilities				
	Less than 1 year	1-2 years	2-3 years	More than 3 years	Total
Borrowings	1,561.89	143.31	56.05	-	1,761.25
Lease liabilities	13.07	8.61	4.88	20.46	47.02
Trade payables	796.25	-	-	-	796.25
Other financial liabilities	110.90	-	-	-	110.90
<b>Total financial liabilities</b>	<b>2,482.11</b>	<b>151.92</b>	<b>60.93</b>	<b>20.46</b>	<b>2,715.42</b>

As at March 31, 2024	Contractual maturities of financial liabilities				
	Less than 1 year	1-2 years	2-3 years	More than 3 years	Total
Borrowings	2,443.21	198.50	58.23	7.87	2,707.81
Lease liabilities	24.75	7.64	2.96	0.79	36.14
Trade payables	697.76	-	-	-	697.76
Other financial liabilities	65.55	-	-	-	65.55
<b>Total financial liabilities</b>	<b>3,231.27</b>	<b>206.14</b>	<b>61.19</b>	<b>8.66</b>	<b>3,507.26</b>

## (C) Market Risk

### Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates.

The Company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

### Interest rate risk exposure on financial liabilities

	As at March 31, 2025	As at March 31, 2024
Fixed rate borrowings	440.29	473.32
Variable rate borrowings	1,279.80	2,186.66
<b>Total borrowings</b>	<b>1,720.09</b>	<b>2,659.98</b>

# Notes to the Consolidated Financial Statements

(Amounts in ₹ Million, unless stated otherwise)

## Note 37: Financial risk management (Contd..)

### Sensitivity to changes in interest rates

Profit or loss is sensitive to higher/ lower interest expense from borrowings as a result of changes in interest rates as below:

	For the year ended March 31, 2025		For the year ended March 31, 2024	
	Impact on profit before tax	Impact on equity	Impact on profit before tax	Impact on equity
Interest expense rates – increase by 50 basis points (50 bps)*	6.40	4.79	10.93	8.18
Interest expense rates – decrease by 50 basis points (50 bps)*	(6.40)	(4.79)	(10.93)	(8.18)

\* Holding all other variables constant

### Foreign currency risk

The Company did not have any exposure to the foreign currency as at the year ends.
